Relief From Curse of Constipation
A Battle Creek physician says, "Constipation is responsible for more misery than any other cause."
But immediate relief has been found. A tablet called Rexall Orderlies has been discovered. This tablet attracts water from the system into the lax, dry, evacuating bowel called the colon. The water loosens the dry food waste and causes a gentle, thorough, natural movement without forming a habit or increasing the dose.
Stop suffering from constipation. Chew a Rexall Orderlie at night. Next day bright. Get 24 for 25c today at the nearest Rexall Drug Store.—Star Drug Store.
