Scores a Big Hit

SCORED ICE guarantees your money's worth. Our customers are enthusiastic about it.

Every block of ice we deliver has been run through a scoring machine, which marks off the standard sizes—25 lb., 50 lb., etc. Your delivery man must break the blocks along the score marks. Thus you are assured of full weight at all times. There is no guess work in scored ice.

The up-to-the-minute housewife uses ice freely in table service, to make delicate foods still more tempting. She serves celery and olives in sparkling beds of ice. She places chilled ice around butter to keep it firm. She surrounds cocktails with shaved ice. She always has plenty of ice on hand.
