

IN THE REARM OF SPORT

SPECIAL CARD WILL BE HELD FOR CONCLAVE

Double Main Event Scheduled for Next Friday Evening

Frankie Warnke, the top-rated, leaping, "Flying Dutchman" and Ray Huffman, a vicious, hard hitting and clever water-weight, will fight a ten-round return match at the Legion Memorial hall next Friday night in one side of a double main event. The card is a special affair being staged during the Legion convocation.

Denny Lenhart had hitting right heavyweight who made a punching bag out of Earl Ritchie Friday night until finally the behemoth, weighing 217 pounds however, knocked out Denny with one punch, will be given another chance to show his wares in a fight with a man his own weight. He will meet Jesse De Motta, prize of Merrill and Marlin who knocked Earl Beebe in the last fight card here. Lenhart's gameness against insurmountable odds, made him lots of friends in Klamath.

Championship Fight. But the fight the fans want to see again is Huffman and Warnke. These two boys are fighting for the waterweight championship of the northwest—they have agreed to go ten rounds, winner take all.

On the last fight card, they fought like trojans for six rounds to a draw and, in fact, stole the show. It was one of the best exhibitions of fighting and boxing skill ever seen in a Klamath ring. Huffman hits faster and has the more effective body attack while Warnke with his leaping skipping and rope sliding, is the better ring master. Huffman's principal trouble will be to keep away from the numerous knock-out traps laid by the forcey German.

Forse Gets Another chance. Earl Forse gets another chance against Eddie Eddelman, hard hitting Indian, who upset the dope bucket by giving Forse a neat pasting in the last two rounds of their first clash Friday night.

"Call it an alibi if you want, but this attitude got me that night," Forse said. "I had no strength in my blows. Both my right and left had no sting. But I'm getting acclimated and all I want is another chance at that boy I met the other night."

Forse and Eddelman will fight a semi-windup. They weigh 133 pounds.

The cocky little Frankie Monroe will be matched with another invader, Max Rymer, champion at Lakeview. Jackie Lewis of Marshfield and Eddie O'Connor will meet in the 110-pounder.

KLAMATH BALL TEAM DEFEATS MEDFORD NINE

Klamath Falls defeated Medford in a fast 10-inning baseball game at Medford Sunday by a 10 to 8 score. Klamath held the Medford nine 1 to 0 until the fifth inning when the Peppercorns scored.

The game was full of features and spectacular plays. Klamath Falls players were credited with but one assist in the infield. No home runs were hit, although Jack Burns, Klamath third-sacker, got three two-baggers and a single in five times at bat.

"Doc" Smith, Klamath second baseman, stretched in for two bases each. Clayton Means, formerly with the Angels, pitched the whole route for Klamath. Walt Fuller's sacrifices were a feature of Klamath's game, as was Mann's catching.

Battery for Medford was Conlin and Woods. Klamath's lineup in their batting order was: Jack Burns, 3b; Walt Fuller, ss; "Doc" Smith, 2b; Mann, c; Ray Cox, 1b; Means, lf; Sanders cf; Harry Keltus, rf; and Clayton Means, p.

BABE RUTH GOING FISHING AND GOLFING
NEW YORK, June 11. (AP)—Babe Ruth is going fishing. The big Yankee slugger has asked, and received, permission of his manager, Miller Huggins, to spend a week at a lake and golf course near Washington where he will rest until just before the Yankees series with the Philadelphia Athletics, starting June 21. "I am going to fish and play golf," said Ruth. "Huggins said I might violate the club rule against golf in the playing season. I feel strong enough to go back into my lineup now but the doctor says I can't take any chances and Huggins agrees with the doctor."

Rocco Kayoed By Von Porat In 8th Round

CHICAGO, June 11. (AP)—Otto Von Porat, Norwegian heavyweight, again demonstrated last night that his left hook carries pugilistic paralysis. He knocked out the rubbery Emmett Rocco, of Elwood Cray, Pa., conqueror of Johnny Risko in the eighth round of their scheduled ten round battle in the Chicago stadium with a sizzling left to the chin after he failed to keep Rocco on the floor with his right.

Von Porat knocked Rocco down in the first round with a hard right to the head. The squatty Pennsylvanian jumped to his feet at the count of two and ran to his own corner. He appeared dazed and frightened, but after shaking off the stage fright he made things decidedly miserable for Von Porat until he was knocked sprawling with a left hook to the chin at the end of the seventh round, and was unable to come back for the eighth.

Luis Vicentini, veteran Chilean lightweight, won on a foul from Tommy Grosz of Omaha in the sixth round of their ten round bout after a nip and tuck fight in which Grosz was floored in the first and knocked half way across the ring in the second round.

Earl Mastro, Chicago featherweight, pounded out a ten round victory over Midgert Mike O'Dowd from Columbus, Ohio at 124 pounds.

"Call it an alibi if you want, but this attitude got me that night," Forse said. "I had no strength in my blows. Both my right and left had no sting. But I'm getting acclimated and all I want is another chance at that boy I met the other night."

THE RULE IS!

By GEORGE SARGEANT
Golf Professional

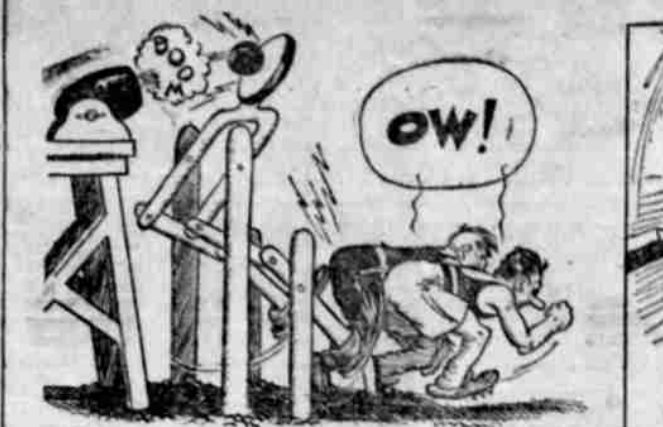

The Situation: What rule applies where the ball is played into the rough and necessitates a search?

The Rule Is: In searching for a ball in the rough, bushes and long grass may be touched by the player only insofar as it is necessary for him to find the ball. If ball is not found in five minutes, it is declared lost. If ball is found, no living plant, tree, etc., may be bent, broken or cut away to enable a clearer vision of the ball or a clearer execution of the stroke.

SINCE THEY'RE USING STARTING BLOCKS, ETC., THEY MAY AS WELL GO THE LIMIT. THE ABOVE DEVICE IS ANOTHER DEVICE FOR USE IN STARTING, AND IT IS ESTIMATED THAT A FULL SECOND CAN BE KNOCKED OFF THE "CENTURY" WITH ITS HELP—ANOTHER GOOD FEATURE ABOUT THIS IS THAT IT ALWAYS GETS THE BOYS STARTED AT THE SAME TIME, THUS LEAVING THE TROUBLE OF CALLING THEM BACK.

Lenhart Explains Difference In Weight; Not Fault of Joe "Tex" Bickerstaff, Is Claim

Complete and satisfactory explanation of how there happened to be 33 pounds difference in weight between Earl Ritchie and Denny Lenhart in the ten-round main event last Friday night was made today by Lenhart himself. "It is only fair that the public should know the facts," Lenhart said. "When I was signed in Portland, I weighed 173 pounds. I told Bickerstaff I would come into the ring at 180, a natural fighting weight for me.

"Ritchie had just fought Terry Talario of Spokane and entered the ring in Portland at 196 pounds. It was understood that he was to train down to 190 which would make only ten pounds difference which, as you know is very little for heavyweights.

"I came to Klamath Falls and began training and, in no time, dropped to 171. I don't know what it was, but it may have been the high altitude. Ritchie, on the other hand, who is used to the higher altitudes, gained until he weighed 204 pounds.

"In other words the situation was exactly reversed. Ritchie, who was supposed to drop weight, gained; I, who told Bickerstaff I would gain, lost. It was not Bickerstaff's fault; it wasn't anybody's fault; it just happened."

Despite the fact that he cut Ritchie to pieces for four rounds and was far ahead when the behemoth finally cornered him and sank one deep into the solar plexus, Lenhart was not satisfied with his Friday night fight. "That isn't the way I like to fight, but the only chance I had was to keep moving," he said. "It worked, too, for awhile, but I don't get any kick out of leading around the ring. Against Jesse DeMotta, I will fight a different battle. There won't be this running around the mulberry bush. Entirely aside from the money angle, I certainly hope that the cash customers will return Friday night so I can show them my real style of fighting."

Lenhart appeared to be in fine condition. Aside from the one blow that stowed him away, he was not hurt Friday night. He is ready to put up the best fight of his career, he said, if for no other reason than to wipe out the sting of the Friday night defeat.
