## EXTENSION OF G. N. ENDORSED

VANCOUVER, Wash., June 13. (AP)—The Industrial and the Rivers and Harbors committees of the Vancouver chamber of commerce united today to endorse the proposed extension of the Great Northern railway from Klamath Falls into California. Members of the group said they believed a second line to California would lower freight rates by reason of competition, and eliminate the freight differential now paid by Vancouver shippers.

**A Night Depository**

We have installed a night depository in the Main Street entrance of our bank for the convenience of business houses that accumulate funds after regular banking hours.

To each depositor that requires this safe after hour service, we furnish padlocked coin sacks, which no one except himself can unlock, together with a key to the depository.

We urge its regular employment by business people to safeguard their "after hour" funds.

**The New EMPIRE BUILDER**  
GREAT NORTHERN'S REGAL NEW TRAIN

A brand new "Aristocrat of the Rails," the "EMPIRE BUILDER"—highest achievement in travel luxury—utmost in comfort—exceptional in beauty—extra fast, extra fine, but no extra fare—now makes its daily flight from Portland to Chicago in only 61 1/4 hours.

The new "Empire Builder" has the longest, most skillfully appointed sun parlor observation car ever built—with club lounge, barber shop, men's shower bath, ladies' dressing room and adjoining shower bath, maid, buffet with complete soda fountain and grill, as well as other thoughtful service features.

All berths in the new sleeping cars are fitted with new-type coil-spring mattresses to assure restful sleep. In the dining car are appetizing menus and eager service.

More than 1200 miles of clean, cinderless travel behind super-power oil-burning locomotives, over heavy steel rails and a roadbed notable for smoothness. The new "Empire Builder" traverses the scenic Northwest trails blazed by Lewis and Clark, and later followed by James J. Hill in building the Great Northern Railway. You travel the low-altitude, water-level courses of the Columbia and other great rivers. You skirt the Rocky Mountain gradient of Glacier National Park for sixty miles, both ways by daylight, and view Nature's endless panorama from unusually high and wide observation windows.

Low Summer Excursion Fares Essi are good on the new "Empire Builder."

"Empire Builder" leaves Portland daily 6:00 P. M. for Chicago, via Spokane, Minneapolis and St. Paul, arriving Chicago 9:15 A. M., and making connections with all fast trains East and South, saving a business day.

Its companion train, "THE ORIENTAL LIMITED," leaves Portland daily at 9 A. M. via Spokane for Minneapolis, St. Paul and Chicago, arriving Chicago in the evening.
