GOLD DRAZZLE DROPS SCORES

Finest Golfers in Northwest Pitted Against Each Other in Seattle

By FRANK G. GORRIE, Associated Press Sports Writer SEATTLE, June 18. (AP)—After a losing battle with old man par, 32 of the finest golfers of the northwest were pitted against each other today in the first round of match play in the 31st annual tournament of the Pacific Northwest Golf association.

Thirty two other men stars were also to begin a campaign for the class B division championship of the tournament, while a large field of women golfers from Washington, Oregon and British Columbia were to swing into action in an 18 hole qualifying round. The class B contestants are competing at the Sand Point golf club while the P. N. G. A. championship seekers are holding their divot-digging war at the Ingleside club.

Hopes for record scores were blasted with a forecast of rain for today. A miserably cold drizzle was largely responsible for high scores yesterday. In the class A medal play qualifying round 36 players matched their skill with par and all of them lost.

Bon Stein, Seattle ace, and former western amateur champion, came the nearest to playing perfect golf to win medal honors. He took 152 strokes for the 36 holes, which was seven holes over par.

Frank Dolp of Portland, pressed Stein hard to turn in a card of 154.

TRUE NAME OF PRIZE FIGHTER IS DISCOVERED

Erst Hyram Calwhite, of Chillicothe, familiarly known as Frankie Monroe, who gave his age as 21 and his occupation as boxer, was yesterday granted a license to marry Thelma Sarah Faxton, 18, of Lakeview. They were married by Justice of the Peace W. B. Barnes.

Judge Barnes also married C. D. Casbeer, 23, and Louise Lena Blaser, 19, both of Klamath Falls.

W. B. Wirth, 24, garage man, and Una Allen, 20 both of this city, were granted a license to wed by the county clerk.

ATTORNEY FOR RICHTER DROPS OUT OF ACTION

G. W. Van Emon, local attorney, yesterday withdrew as attorney for J. C. Richter in his divorce case against Gladys I. Richter. It was stated yesterday at the office of Court Clerk Loyd DeLap.

Van Emon was attorney for Richter in his damage suit against Charles LaPointe in which the jury completely exonerated LaPointe in its verdict returned late Saturday afternoon. Practically the same charges are contained in the divorce complaint as were found not true in the damage action.

SHOT FATAL TO BEND RESIDENT

BEND, Ore., June 18. (UP)—James Boyd, accidentally shot while hunting groundhogs last Monday, died in a hospital yesterday, infection which developed in the wound was named as the direct cause of his death.

The shot which killed Boyd was fired by Vernon, Hein, 14, who was hunting with the man and who fired at a groundhog which had taken refuge in a 20 foot length of pipe. The shot was fired at Boyd's order. The dead man had given the command to shoot while he was looking into the pipe from the opposite end and then failed to get out of the way in time to avoid the bullet.

W. L. TALLMAN IS SOUGHT IN LOGGING CAMPS

SAN FRANCISCO, June 18. (UP)—Search for William Loren Tallman, 23, suspect in the Los Angeles murder of Mrs. Virginia Patsy who mysteriously disappeared from the S. S. Admiral Benson, 12 nights ago, slackened today.

Except for an order for peace officers in mountain districts of the state to visit all logging camps and look for the youth there were no new developments. Tallman, authorities have learned, was a logger before he became radio operator on ships at sea and they believe he may have gained employment in a lumber camp.

It is estimated that at least 1,000,000 persons in the United States have some form of speech disorder.

Detroit Tigers Feared By All League Hurlers

BY AL DEMAREE (Former Pitcher N. Y. Giants)

That the Detroit Tigers have been a dangerous ball club to play with dynamic sprinkled all the way down the batting order, is no surprise to the ball players on the other seven clubs. Almost without exception the athletes themselves pick the Tigers to finish third in the pennant race. Bucky Harris has put lots of hustle and pep in the Jungle Cats and they are bound to make trouble all season. With Alexander, Johnson, Hellmann, Gehring and the rest of that wrecking crew operating, there are few pitchers in the American League asking to pitch against them.

Wally Hoyt, the Yankee sharpshooter, told me he would sooner face any club in the league than the Tigers. And George Uhle is having one of his good years.

QUINN INJURED PLAYING GOLF

James Quinn, Klamath Falls contractor, was painfully injured above his eye while playing a round of golf at the Reames Golf and Country club Sunday afternoon.

The contractor was teaching his son some strokes when he was hit in the head with a golf club, which inflicted a deep cut above his eye making it necessary for the attending physician to take several stitches.

RUTH'S HEALTH MUCH IMPROVED

NEW YORK, June 18. (AP)—Much improved in health, Babe Ruth is back in town but he still needs a few days of rest before getting back into the New York Yankees' lineup.

The Babe has been spending the past week on a fishing trip near Washington in an effort to recover from a severe cold that forced him out of the Yankee lineup nearly a month ago. He probably will not get into uniform until Friday when the Yankees play their crucial series with the Philadelphia Athletics.

JOHNNY RISO LOSES ON FOUL

BOSTON, June 18. (UP)—George Cook, Australian heavy-weight, won on a foul from Johnny Risko of Cleveland in the fifth round of their scheduled 10-round bout at Braves' field tonight.

The foul blow was obvious and Cook slipped to the mat, apparently in distress. Referee John Martin did not hesitate in awarding the decision. Cook was floored in the second round for the count of eight. He claimed he had been fouled then.

BOOM FOR FLORISTS

VANCOUVER, B. C.—The mayor of this city has issued a proclamation urging city residents to wear buttonhole bouquets to boost Vancouver. "In order to express our pride in our own city and to impress upon visitors the variety and profusion of the flowers that we, in Vancouver, enjoy through the year; we, the mayor and council of Vancouver, commend to all our good citizens the wearing of a buttonhole bouquet every day and on all occasions."

PHILADELPHIA EXPERIENCING FIRST SLUMP

A's Lose Two Games in Row But Connie Is Not Worrying

By HERBERT W. BARKER, Associated Press Sports Writer Having lost two games in a row, Connie Mack's Philadelphia Athletics, driving on toward an American league pennant, are experiencing their first "slump" of the season.

The A's dropped the last game of the Cleveland series on Sunday and then bowed to the Chicago White Sox 6 to 4, yesterday, the first time this season that Mack's powerful array has been beaten in as many as two successive games.

Despite this condition of affairs, the chances are that Mack is doing little, if any, worrying. The standings this morning showed the Athletics seven and one-half games in front of the second place New York Yankees who took time out yesterday to beat Bridgeport of the Eastern league 3 to 2, in an exhibition game.

Urban Faber, the veteran spitball artist who has been an obstacle for American league batsmen for 10, these many years, was the man who tamed the A's yesterday. After blanking the league leaders for eight innings, Urban was forced to call upon all his craft to shut out an Athletic rally of four runs in the ninth.

SCHMELLING SO CONFIDENT HE BETS ON SELF

LAKEWOOD, N. J., June 18. (UP)—Max Schmelling announced today that he would place a large wager on himself to win from Paulino Uzcudun in their 15-round bout at Yankee Stadium June 27.

The German heavyweight did not work today, but will resume boxing tomorrow.

HOSSICK FALLS, N. Y., June 18. (UP)—Paulino Uzcudun's training camp was almost deserted last night. The basque heavyweight motored to Albany today and then flew to the dog races at Mineola, Long Island, last night.

A person on a house roof 100 ft high can see more than 13 miles away on a clear day. On a mountain 1000 feet high a 42-mile view can be had. Aviators a mile up can see everything within a radius of 26 miles.

LOMSKI BEATS PHILADELPHIA PRIZE FIGHTER

PHILADELPHIA, June 18. (UP)—Leo Lomski, light-heavyweight title contender, defeated Matt Adgie, Philadelphia, in a 10-round bout here last night. Lomski was pressed only in the first two rounds and the decision was popular.

Big Boy Patterson, Minneapolis, lost to Roy Clark, Philadelphia, when the physician at the ringside stopped the bout in the sixth round. A cut over Peterson's right eye was bleeding badly.

LENHART WILL MEET O'GRADY

Card Is Lined for Next Friday Night at Legion Hall

Gene O'Grady, Ashland's pride, and Denny Lenhart top the card for the Legion bouts Friday night at the Memorial hall. It was announced last night by Matchmaker Joe Hickerstaff.

When the two were signed a "natural" was lined up for both boys are well known here and the fans can look forward to real fighting. Gene O'Grady has a record of 24 fights—starting out as a main event, which is rare in the game. In all his battles he has never yet been defeated. He has defeated Young Peter Jackson, Murphy, Bobbie Vernon, Earl Beebe, and has drawn with Nails Gorman twice and with Orville Darr twice.

Burnie Burnett, O'Grady's manager, now has the Ashland boy in fine shape and after a few fights here he plans to take Gene to Los Angeles and see how good he really is.

Denny Lenhart needs no introduction after his performances on the last two cards here, as he has shown that he is way above the average. Both boys scale 172 pounds and Lenhart wants the honor of being the first to win over O'Grady. It should be a great fight.

A star will appear in the semi-windup when Johnny Spencer, a youngster who just graduated from Seattle high school, meets Eddie Edleman, both are in the 133 pound class.

Spencer has a sweet "rep," having defeated Johnny Hawks, who lost a close decision to Wildcat Carter, decisioned Al Graham who lost to Young Corbett and beat Billie Breedlove and Johnny Casbeer.

Edleman, a great puncher, goes better against a man like Spencer than he does against a "south-paw" such as Earl Forse who he met on the last two cards here.

Another bout has been signed.

AGE-OLD BATTLE

WINNIPEG, Can.—Neighbor's chickens and tin cans in other people's back yards have started many a grudge fight. And that's what ruined a perfectly good friendship between Peter Jankowski and his neighbor Sntack—at least the cans did. Jankowski saw Sntack throwing cans in his yard and went out to stop him. "I'll kill you even if it costs me \$50," Sntack wound up the argument. He then hit Jankowski with a rake. In court Sntack was fined \$50.

by popular demand between Mars Rymers, the Lakeview youth who showed here last Friday, and Frankie Monroe.

In the rest of the card Jack Lewis and Billy Robinson and Shrimp McDonald and Buddy Randall will meet.

It is a well balanced card and one that should pay for itself. Tickets are on sale today at the Mecca Billiard parlor.

BILL ALGER IS BADLY BEATEN BY JOE DUNDEE

BRADDOCK, Pa., June 18. (UP) champion of the world, scored a technical knockout over Billy Al-

ger of Arizona here last night. Alger took a terrific beating, losing the fight when his seconds refused to let him come out for the ninth round, and due to a split lip suffered from one of Dundee's right hooks in the eighth.

BOYS! PARENTS!

Come in for full details of Thomas A. Edison's unique FREE COLLEGE SCHOLARSHIP

Parents—is that boy of whom you are so proud going to be given a Scholarship by Mr. Edison?

Boys—wouldn't you like to have Mr. Edison designate you as the winner of the Thomas A. Edison Scholarship?

Mr. Edison is looking for an outstanding American boy, now in a high school or preparatory school, who has an unusually brilliant mind along scientific lines.

To one such boy Mr. Edison offers his free four-year Scholarship. Think of the lifelong pride in being the one on whom this priceless honor is bestowed—the choice of the great inventor himself, above all other boys in the United States!

One boy will be selected from this state and will be given a free trip to Mr. Edison's Laboratory at Orange, New Jersey, where he will be Mr. Edison's personal guest, together with the boys from every other state. From these 49 boys Mr. Edison will choose the winner, and in addition will personally present each boy with one of his beautiful new Edison Radio-Phonograph Combinations.

Come in for a booklet giving complete details.

This is the model C-2 Edison Radio-Phonograph Combination which Mr. Edison will present to each boy who is his guest.
