Call 88 for The Herald—

When you fail to get your Evening Herald on scheduled time, call phone 88 and enter your complaint.

Miss Mae Mordoff Home—

Miss Mae Mordoff, daughter of Mr. and Mrs. M. G. Mordoff has returned home for the summer months from Detroit, Michigan where she has taught physical education for the past two years. Miss Mordoff, one of the popular members of the younger set will be welcomed home by her many friends. Returning from the east Miss Mordoff traveled on the new "Empire Builder" and reports it a most wonderful train with every convenience possible.

Miss Hamilton Here—

Miss Beth Hamilton of Sacramento, Calif., niece of Mrs. C. I. Beckards and Mrs. H. J. Winters of this city has arrived from the south to spend a fortnight here visiting relatives and friends. Miss Hamilton will be remembered here by many friends who spent several weeks here, later joining her parents on an extended motor trip through Canada.

At the McCauley Home—

Mr. and Mrs. D. J. McPhee and children, Jack and Betty, and Mr. McPhee's mother, were guests at the home of Mr. and Mrs. W. P. McCauley on Crescent last evening enroute to San Francisco, where they plan to spend at least six weeks, after which they will return here. Mrs. McPhee is a sister of Mrs. McCauley's. Jack, the son of Mr. and Mrs. McPhee, has remained here while his parents and sister motor on to the southland.

Miss Johnston to Wed On Sunday

Miss Anna Mae Johnston, daughter of J. C. Johnston and teacher in the city schools for several years will become the bride of Herbert Scott of New York City on Sunday, June 30. Mr. Scott will arrive here tomorrow from the east. Since the engagement of Miss Johnston was announced some two months ago many pre-nuptial courtesies have been given by her intimate friends.

Eastern Star Tonight—

Tonight is the final meeting of Aloha chapter of the Eastern Star for the summer months. All members and visiting members are cordially invited to attend the meeting which is to be held at Masonic hall at 8 o'clock. Mrs. F. Hill Hunter, worthy matron announces initiation will be held tonight.

Shell Station ON 6TH LEASED

Completed at a cost of \$25,000 a Shell Oil Service station located on Sixth and Commercial has been leased by Louis Mueller and Bert Hawkins of The Hub Tire shop, to be operated in conjunction with their business.

Modern throughout, the station will have a battery department, grease racks, vulcanizing room and all other conveniences for the motorist.

The Shell colors have been carried out in the station which opened for business today.

"MODEL HOME" CHANGES HANDS

Purchase of the "Model Home" in Hot Springs by Mr. and Mrs. Fred Arley, owners of the Klamath Variety store was announced yesterday by H. E. Roskamp, contractor and builder.

The home will be remembered by hundreds of Klamath Falls people who visited it during the open inspection several months ago. It was built by Mr. Roskamp on Earl street next to his attractive home.

Mr. and Mrs. Arley located in Klamath Falls several months ago, coming here from Iowa.

The kind of pressure easiest to yield to is that brought to bear on a man to get him to run for office.

The Acme of Photo Finishing Excellence:

Krystal Kote Prints on Velox

You'll find "Velox" on the back of our prints

Instead of—as some photo finishers do—looking for the lowest-priced working materials, we purchase the best, regardless of price. Here's a case in point:

Velox Paper costs US more. But we're glad to pay it. We want our photo finishing customers to have the best prints it is possible to produce. And—with Velox in the hands of our experts—they can't help but get them!

Excellent Enlargements from your Favorite Kodak Films

You'll be pleased with **Krystal Kote ENLARGEMENTS**

Enlarging enhances the beauty of any picture, and any GOOD picture can be made an EXCELLENT one in a of course—experts who know their business thoroughly, and who are able to do the work so efficiently and promptly that prices are no higher than for ORDINARY enlarging. Bring in one or two of your best negatives for enlarging TODAY!

Our Fourth Annual

Trade-in Sale

Tires at lowest prices ever

**Crude rubber prices are up 40%
Tire prices still at low level—
Now is the time to equip for the year**

We are making it possible for hundreds of car owners to take immediate advantage of this unusual opportunity.

During our Trade-in Sale we will make you special allowances on your old tires, no matter what make or how far they have gone. You can get started now on Generals at the lowest figure ever known.

Never before has Top-quality meant so much

With the price of crude rubber going steadily up, you will probably see a return engagement of the reclaimed rubber farce. General's policy of never tampering with quality, regardless of rubber prices, has won the confidence of car owners throughout the country. By equipping with Generals now, you have the positive assurance of lasting quality that will take you through season after season of uninterrupted mileage.

A Trade-in Offer that cannot be matched anywhere

Once or twice a year we can afford to make a special Trade-in Offer. This year we are making it more than special. We want the greatest number of car owners possible to learn first hand the advantages of General's Top-Quality. During this sale we are going the full limit in allowance and extra service to make hundreds of new friends for the General Tire.

Join the big swing to General

Trade in your old tires now and enjoy the quality that will carry you safely through the next high-priced tire period. Get the benefit now of the big initial saving plus the unequalled satisfaction of trouble-free, uninterrupted mileage year in and year out.

Special Bargains in Used Tires

The used tires go on sale as fast as we take them in. Many are only slightly worn and many are brand-new tires of standard makes. All sizes, all makes, all kinds go on sale. Select yours early.

COME EARLY—BRING YOUR CAR

GENERAL Dual-Balloon 8

Greater mileage at regular balloon low-pressure. It completely reverses the tendency of today toward high-pressure or moderate-pressure in tires.

It introduces a new permanency of non-skid... far beyond the point where you expect to run on smooth rubber. It does away with the necessity of running on tires that wear prematurely "bald."

In puncture freedom, too, it is far ahead. Even the remote chance of a puncture is reduced to the vanishing point.

Our Trade-in Sale includes the new Dual-Balloon 8 and the regular super-lins of 4-ply, 6-ply and 8-ply Generals.

Trade in now for General's Top-Quality that means season after season of trouble-free driving and the economy of the longest, safest and most comfortable mileage you have ever known.
