PHILADELPHIA NOW HAS LEAD OF TEN GAMES

Mackmen Fall on Red Sox for Two Victories Yesterday.

By WILLIAM J. CHIPMAN
Associated Press Sports Writer

Through a full in the battle General McGillicuddy refused to quit fighting. With the Yankees idling in a Washington rain yesterday. The Athletics fell upon the helpless Red Sox for two victories, 7 to 1 and 8 to 2, increasing their lead over the champions to ten full games. It often has been pointed out that an advantage for one contender over another in the games was a column of dubious value unless matched by a substantial margin in the lost column, but the fact remains that the Mackmen have reached the magic lead of ten games for the first time since 1914.

Teams have been known to fall short of a pennant after topping the field by ten contests, but such instances are rare. There are perhaps no more than two such cases in the history of organized baseball, which dates back to 1876.

Bob Grove registered his twelfth victory of the season in the first half of the Philadelphia double-header, while Young Bill Shores, Nephew right hander turned in his first full game of the year in the second. Grove allowed just six hits and Shores eight.

WIMLEDON, England, June 26 (AP)—Wilmer Allison won the first victory for the United States in the third round of the British men's tennis championships when he defeated J. D. P. Wheatley, England, 6-1, 6-1, 6-1.

Miss Elizabeth Ryan won her second round match in the women's play when she defeated Mrs. John Hill, Great Britain, 6-0, 6-2.

"Big Bill" Tilden defeated D. P. Brennan, German Davis Cup player 6-0, 6-0, 6-0.

Tilden, in a joyous mood, seemed about to win 18 straight games from the ranking German player until he lost the second and third games of the third set. He slowed up his pace then and the count then went to deuce and six all. Bill then finished the match with two flashing games.

Miss Helen Jacobs, the California girl, struck another blow for the United States by defeating Miss L. Post, England, 6-3, 6-0.

HOPE REGEDES FOR AVIATORS

Four Members of Spanish Plane are Believed Lost.

MADRID, June 26, (AP)—Hope fast was wanting today that Major Ramon Franco and his three companions would ever be found alive. Belief grew that their plane, a Dornier Walh 18, crashed or made a forced landing somewhere between Spain and the Azores and had been unable to survive the tempestuousness of the Atlantic.

Spain, Italy, England and Portugal mobilized sea and air forces nevertheless to scan the seas for traces of the missing aviators, who left Alcazars Friday afternoon for New York intending to stop enroute at the Azores for refueling.

There was some feeling in Spain Major Franco may have overstepped the Azores, either intentionally or unwittingly, and have come down much further along his route to New York. His statement to friends prior to departure that he would 'sur-

prise them tended to support this theory.

GIBRALTAR, June 26, (AP)—Captain Pirie of the British steamer Gredon, interviewed here today said that reports he had sighted a derelict airplane 120 miles from the Azores, were untrue.

The captain said two apprentices had reported to him that the engines of an airplane were heard working normally at 2 a. m. ship time of 3:37 a. m. Greenwich meridian time, Saturday morning, (10:37 Eastern standard time Friday night) the point was about 90 miles from the Azores in latitude 34.32 North and longitude 23.03 West.

The machine had no lights and the weather at that time was showery and very dark.

The position gave by the captain would place the plane Southeast of the Azores, whereas most of the searching thus far carried out for the missing Spanish fliers had been "Northeast of the Azores."

National Open First Winners Were English

Johnny Farrell, national open champion defends his title tomorrow at the Winged Foot, N. Y. Country club.

While the financial reward does not compare with that of many other tournaments in the United States, the prestige assures the holder of big monetary returns.

The trophy has been played for for 31 years. In the early years foreign-born players were usually successful. Horace Havins was the first winner in 1895 at Newport.

In 1909 Harry Vardon and J. H. Taylor, the two famous Englishmen finished first and second.

Willie Anderson won three straight, 1902 to 1905, which is the record.

In 1911 John McDermott, scored the first win for a native-born American in 1911 and 1912. Francis Ouimet, 17-year-old Boston amateur made golfing history in 1913 by defeating Vardon and Ted Ray.

Hagon won in 1919 and Ted Ray in 1920.

Bobby Jones has cut a big figure in six of the last seven years. He was one stroke behind Sarazen in 1922, won in '23; second in '24; lost play-off in '25 and won in '26. Last year he lost 36-hole play-off against Johnny Farrell.

VARIED MENU

LONDON. — Animals in Regents' park menagerie not only are supplied with food without working for it, but get plenty of it. The menu includes everything from hay to dried flies. The vegetable course contains 144 tons of hay, and 34 tons of potatoes. Other courses are 3 tons of grapes, 187,000 bananas, 15,000 oranges, 111 pounds of honey, 26,000 eggs and 10,000 gallons of milk. Of course, that's one year's supply.

The other night when Grocer Tompkins got home from the store his wife met him in the hall.

Uzcudun In Training

There's more than one way of getting in shape for a heavy-weight fight. Paolino Uzcudun, Basque brawler, and Max Schmeling, German champion, seem to be using different training methods in preparing for their battle in New York June 27. Uzcudun is shown upper right practicing his right jab against a punching bag in his training camp at Hoosick Falls, N. Y. Below he exhibits his two best arguments for a claim to the heavyweight title. Meanwhile Schmeling, upper left, emulates Gene Tunney, retired champion, by reading in his quarters at Lakewood, N. J.

RITCHIE KING DEFEATS BURKE

Cleghorn and K. O. White Fight Ten Rounds to Draw.

PORTLAND, Ore., June 26, (AP)—Fast bouts featured last night's boxing card at the Municipal auditorium. In the main event Ritchie King, Los Angeles won a 10-round decision over Billy Burke, San Francisco. No great damage was done, but King took the lead at the start putting Burke down for a one-two count with left and right to his chin ten seconds after the fight began.

In the other ten-round affair, K. O. White, Chicago negro, and Walter Cleghorn, Eskimo Indian from Seattle, went ten hard rounds to a draw.

Jack Kenworth, Salem, won the plaudits of the crowd for his game battle against Joe Sletoff, Seattle, even though he lost the decision. A majority thought Kenworth entitled to a draw at least.

Mike Griffo, Seattle, and Johnny Hanson, Portland, electrified the house with their fast slugging fourth round draw.

Flammie Petrie Portland, knocked Young Pirpe, Pendleton, unconscious with a right uppercut to the chin in the second round of the curtain raiser.

FIDEL BEATEN BY E. MASTRO

Former Champion Outpointed in Sizzling Ten Round Bout.

LOS ANGELES, June 26, (AP)—Earl Mastro, Chicago youngster, has added proof to his claims that he should be ranked as one of the most promising contenders for featherweight crown in the form of a victory over Fidel Lababra, former fly-weight champion, here last night.

Revengeing himself for the defeat at the hands of Lababra here nearly a year ago Mastro scored a brilliant decision over his more rugged rival in ten sizzling rounds. Some ringriders

thought Lababra held the Chicagoan to a draw, but the majority favored Mastro in at least five rounds.

The fight was a hammer and tongs affair, from the opening bell, with the midgots setting a terrific pace. As they went in to the tenth the decision was still hanging fire, but Mastro staged a whirlwind, two-fisted attack that gave him victory.
