

Fairhaven Heights

FACTS REGARDING FAIRHAVEN

Fairhaven Heights is located on the Klamath Falls-Ashland-California Highway, on the west side of Klamath Falls—a rich and beautiful spot.

This ideal site is located at the entrance of the Weyerhaeuser lumber mills—plants of enormous size, which will in themselves call for a small city in their immediate surroundings.

Of the available sites Fairhaven Heights is judged the finest to be had in Klamath Falls, and this pre-opening sale offers location to prospective buyers for either investment or home purposes at prices that are remarkably low.
