

G. O'GRADY OUT OF ELKS CARD; BREAKS 3 RIBS

All-Star Card Will be Line up if Enough Interest is Aroused.

Gene O'Grady, sensational light heavyweight who upset the pugilistic dope bucket by administering a beating to K. O. White, will not fight for several months. Battering body blows in the ninth round of Tuesday night's fight cracked three of O'Grady's ribs. He did not realize the seriousness of the injuries until the following day.

By his astounding victory over the tough negro, O'Grady soared to the pinnacle of pugilistic popularity in Klamath. He received the greatest ovation that a fighter has ever received in a Klamath ring and as a result of his showing, was given the chance to appear as a headline attraction on the Elks' "super" fight card later this month.

Unfortunately, however, the big farm lad from Rogue River valley, will be unable to fight on the Elks' card and Joe Bickerstaff, matchmaker, is now in Portland, lining up headline attractions.

Experienced observers say that what O'Grady needs to bring him to the peak of the fight game is about six months of arduous training in a gymnasium under expert direction.

The Elks card which is yet to be announced, gives promise of being the best fight card ever staged in Klamath Falls. If present plans materialize there will be three bouts headed by boys who have fought main events in all of the coast cities and the other three will be of semi-windup standard.

As in all big fight cards, the principal matter to be discussed is the cash. The card could be staged at the Pelican theatre where, if sufficient interest were aroused, a \$6000 house could be packed in.

HELEN SCORES BRILLIANT WIN

Famous American Girl Wins British Singles Championship.

WIMBLEDON, Eng., July 5. (AP)—Miss Helen Wills reasserted her supremacy over the world's women tennis players today by defeating Miss Helen Jacobs, fellow-Californian, in the final of the British women's singles championship by scores of 6-1, 6-2.

Many had thought that "Helen the Second" might be able to extend the queen of the courts, but the match was all Miss Wills. The victory climaxed a series of phenomenal straight set triumphs over the best women players of Europe and the United States and gave Miss Wills the prized Wimbledon coronet for the third straight year. A few days previously she won the French championship, also in repetition of a triumph achieved last year.

The great American woman player never won a championship more majestically than on this occasion. She defeated Miss Jacobs with the same ease with which she disposed of five other opponents on her way to the final. Queen Helen wears the Wimbledon crown again without having lost a set and has dropped only 15 games in her six matches in this tournament.

Present A's Equal to Former Machine

CONNIE MACK—THIS 1929 MACHINE IS JUST AS GOOD AS MY OLD 1913 MODEL.

By AL DEMAREE
Former Pitcher New York Giants
Cornelius McMillan, other-wise Connie Mack, seems to have finally gathered together a baseball machine comparable to his famous old gang of 1905-'09-'11 and '13.

Grove, Wahlberg, Rommell, Quinn and Earnshaw do not suffer from comparison even when stacked up against Plank, Bender, Coombs and Bush.

Cochrane is probably superior to either Lapp or Schang, especially on the offensive.
Fox, Bishop, Holey and Dykes are probably not as great as McInnis, Collins, Barry and Baker, but still are great enough to cause anguish among the opposition for several years.

Simmons, Haas and Miller hold their own with Stunk, Oldring and Murphy.
I would like to hear the fan's opinion as to the relative strength of the old Athletics and the 1929 machine. Drop me a line and I'll give the fan's ideas some publicity.

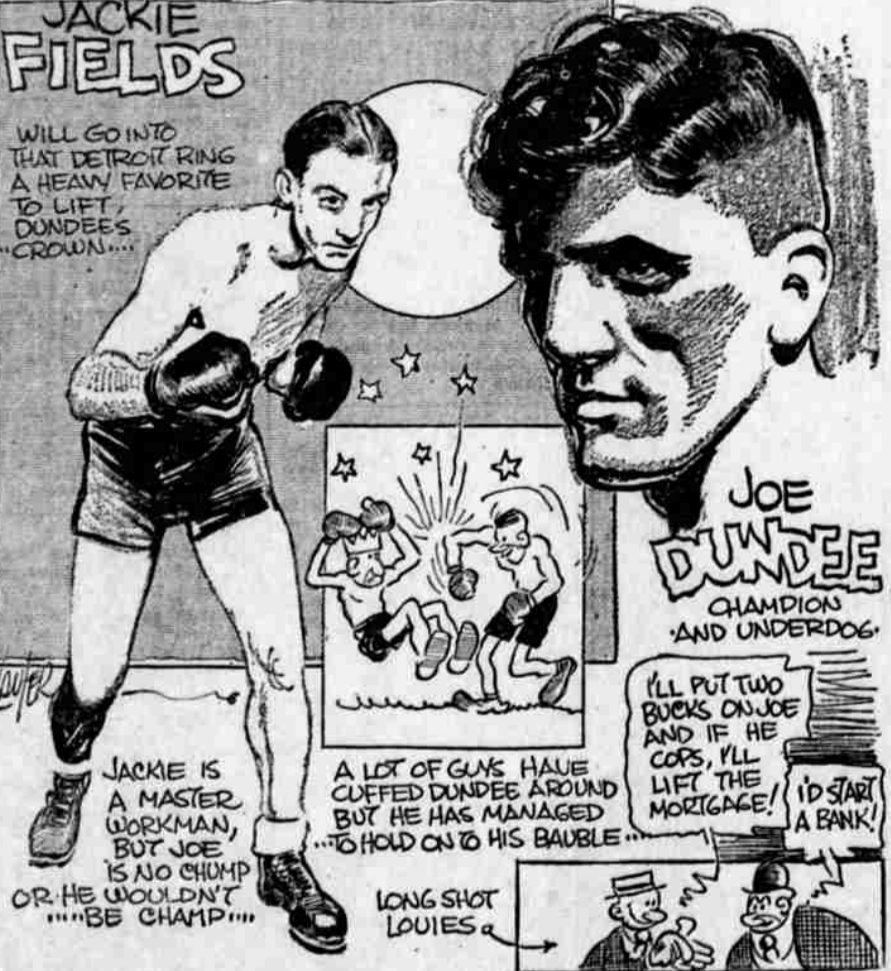

DIRIGIBLE TO START FLIGHT AROUND WORLD

BERLIN, July 5.—(AP)—Dr. Eckener, commander of the dirigible Graf Zeppelin, said here today that when the big airship takes off for America probably on August 10, the voyage would be regarded as the first lap of a flight around the world.
Preparations have been made for landings at Lakehurst, N. J. in California and in Tokyo.

JACKIE FIELDS
WILL GO INTO THAT DETROIT RING A HEAVY FAVORITE TO LIFT DUNDEE'S CROWN...

A LOT OF GUYS HAVE CUFFED DUNDEE AROUND BUT HE HAS MANAGED TO HOLD ON TO HIS BAUBLE!

JOE DUNDEE CHAMPION AND UNDERDOG

I'LL PUT TWO BUCKS ON JOE AND IF HE COPS, I'LL LIFT THE MORTGAGE! I'D START A BANK!

Seldom, if ever in the history of boxing, has a champion been such an underdog in the betting as will be Joe Dundee, waterweight titleholder, when he steps into Floyd Fitzsimon's Detroit ring with the challenger, Jackie Fields.

The consensus of ring followers is that the Baltimore Italian has only a Chinaman's chance in keeping Fields out of the throne room, and many expect Jackie to stop Joe in a few rounds.

Dundee, who lifted the championship from Pete Latzo in 1927, has slipped badly during the last year, while Fields has come up steadily through the featherweight, lightweight and waterweight ranks, and today is regarded the cleverest man at his weight.

As early as a year after winning the title, the Baltimore Italian showed signs of slipping. When Young Jack Thompson, Chicago's leading water,

PIRATES TAKE LEAD; A'S WIN TWO GAMES

Yankees Also Win Twin Bill on Fourth of July.

By WILLIAM J. CHIPMAN, Associated Press Sports Writer
If the Pirates nose out the Cubs by a margin of one thin game at the end of the National League pennant race on next October 6, the Fourth of July will go down in Chicago baseball annals as a sort of black Thursday. With the current leadership hanging upon almost every pitched ball, the Bruins entered into an agreement with the Cincinnati Reds to halt the morning game at 12:30 p. m. The Reds won, of course, and the Cubs dropped out of first place as the Pirates swept two more decisions from the crumpling Cardinals.

The morning game at Chicago yesterday came to its abrupt close at the end of the eighth with the Reds in front by 9 to 5. It was topped off by a Cincinnati triple play just as it seemed that the Cubs were heading for a certain tie and a possible victory. After the men of Hendrichs had taken the lead with a single run in the first half of the eighth, singles by Gonzales and Malone put Cubs on first and third with McMillan coming up.

Fast Play
Pittenger seized McMillan's grounder, tagged Malone on the baseline and hurled the ball to Kelly, doubling McMillan. Senor Gonzales, never a gazelle, became the third victim as Kelly's quick throw to Gooch met the Chicago catcher at the plate.

A crowd of 15,000 witnessed the morning game in the rain, but 25,000 braved the weather to see the afternoon contest. With Fred Blake's good pitching (after an unsteady first round) backed by hard hitting, the Cubs rewarded their followers with a 10 to 5 victory in the afternoon but McCarthy's lead of half a game had been crushed under the weight of two Pittsburgh victories.

Pirates Take Two
Henry Meine pitched the Pirates to an 8 to 4 triumph over the Cardinals in the morning and Remy Kremer repeated the performance in the afternoon, 8 to 2. Successive home runs by Comorsky and Sheely, Comorsky's with the bases filled, removed all tension from the afternoon engagement in the seventh, and left the league champions casting about for a comfortable berth in the second division.

The Phillies outpunched the Brooklyn Hock by 14 to 12 in a wild first game yesterday, but the home forces rallied behind the curving of Johnny Morrison to romp off with the second by 5 to 3.

Outfielder of Cubs Attacks Pete Donohue

Leon "Hack" Wilson, the Cubs' pudgy outfielder yesterday added two to his list of fistie squabbles.

After being banished from the field during the afternoon game with Cincinnati for attacking Ray Kolp in the Reds' dugout, Wilson sent his fist crashing twice into Pitcher Pete Donohue's face when the two teams met at the union station last night to entrain for the east.

"You're quite a scrapper, aren't you?" Donohue was reported to have said to Wilson. "If you want any more, come into our car."

Wilson's fist shot out twice and Donohue fell to the floor, striking his head. While the Reds gathered about Donohue and helped him to his feet, the Cubs hustled Wilson aboard the train.

Railroad officials diplomatically avoided what might have been an all-night battle by sending the two teams on different sections of the same train.

The afternoon fight occurred when Wilson took offense at a remark by Kolp, who was sitting in the Reds' dugout. Wilson, who had just reached first base on a single, strode over to the dugout and struck Kolp. Several blows were struck before players, umpires, and police could pry the fighters apart. Wilson and Kolp were immediately ordered off the field.

Wilson, one of the leading home run hitters of the National League, last year clambered into the grandstand and attacked a fan who had been razzing him. The damage at that time was slight, the fan believing that discretion was the better part of valor.

A national program yesterday by dividing a doubleheader with the Braves, whom they had hoped to defeat twice. The Bostonese snatched the opener by 4 to 3 in a ninth round rally, but Larry Benton won the night-cap by 8 to 0.

Athletics Win Both
Events in the American League on the holiday moved along pretty much according to schedule. The Athletics defeated the Red Sox by 3 to 1 in the morning and 8 to 1 in the afternoon. Bob Grove chose the morning engagement for his thirteenth victory.

The Yankees won from Washington 8 to 4 and 14 to 4 in a double-header, maintaining their position nine and one half games behind the Mackmen and three points in front of the Browns, who also are nine and one-half contests removed from first place. The Brownies trimmed the Tigers 12 to 6 as a warmup for their series against the Yankees to decide possession of second place for the time being.

The White Sox won the opener from Cleveland by 9 to 2, but the Indians turned the tables in the second game, 12 to 5.

M. ROSENBLUM GETS NOD OVER JOE ANDERSON

New Yorker's Flashing Speed Enabled Him to Win Decision.

PORTLAND, July 5. (AP)—Over 3,000 boxing fans witnessed Portland's open air boxing card at Portland baseball park yesterday afternoon. In the main event, Maxie Rosenbloom of New York gained the unanimous decision of judges and referee over Joe Anderson, Covington, Ky., at the end of their fast and spectacular 10-round event.

Anderson suffered a bleeding nose in the first round which continued to bleed throughout the battle, but in spite of losing the decision, Anderson gave a good account of himself. Rosenbloom's flashing speed and ability to throw boxing gloves from any range or angle aided him greatly in his victory. Rosenbloom had a six and a half pound advantage in weight.

Willie Feldman, New York, took an easy 10-round decision over Red Uhan, Oakland. They are middleweights.

Ritchie King, Los Angeles and Matt Calo went six fast rounds to a draw.

SEALS LEADING COAST LEAGUE

Win Four Consecutive Games; Portland Drops Two.

(By The Associated Press)
The San Francisco Seals advanced yesterday a couple of miles ahead of the pack in the Pacific coast league's Fourth of July double-header. The champions of last year's season now lead the league four victories for the first week of the second half of the season.

Eighteen home runs were pounded out during the day in all eight clashes. The figure sets a record for the season. Pinelli of the Seals cracked out three of them, while Suhr of the Seals and Berger of Los Angeles each scored two.

The Seals defeated the Seattle Indians at Recreation park, 9 to 5 in the morning tray, and 22 to 10 in the afternoon. Forty-six runs were the total for the day in those two battles alone, caus-

ing the fans to marvel at this strange brand of baseball.

The Mission Reds and the Oaks broke even in the double a. Emeryville across the bay. The Reds took the morning game 1 to 3 while the Oaklanders capped the afternoon affair 5 to 4 by pouncing on Ernie Nevers for four runs in the eighth inning.

Los Angeles defeated Portland in the southern camp 13 to 5 in the morning and later 9 to 2. The Angels hit hard in the first game, stacking up 8 runs and coasting to victory. The seven- inning night cap found Edward Baecht pitching shutout ball after the first inning. The Ducks tallied twice in the opening frame, but they lost their lead in the second when the Angels turned four hits into four runs.

Sacramento and Hollywood battled to a sandhill in the morning battle at Stockton. The game being called in the tenth inning with a 6-all tie due to passing of the time limit. Frank Shellenbach shut out the Solons in the second battle at Sacramento 3 to 0.

Perhaps city people would seem as good as small-town people if they had to guard against as many inquisitive eyes.

TWO CASTING RECORDS SET

LIMA, O., July 5. (AP)—New world's records for casting were established here yesterday at the annual convention of the Ohio Association of Angling Clubs.

Karl Kinnar of Geneva, Ohio, broke two records. In the five-eighths ounce distance plug he made a single cast of 278 feet. The former world record was 258. In the one-half ounce distance his cast was 316 feet and the former record 306.

Al Foss of Cleveland set up a new record of 263 feet for the quarter ounce plug. This was a single cast.

FACTS about... RIVERSIDES

Study these points! ...they are your protection in knowing the Quality of tires you buy

The Whole Story Is This...

MOST well-known tire manufacturers in America sell at least three different qualities of tires.

So does Montgomery Ward & Co. Most well-known tire manufacturers in America charge three different prices for the three different qualities of tires.

So does Montgomery Ward & Co. Most manufacturers or dealers do not admit that they sell three different qualities of tires.

But Montgomery Ward & Co. does! Our Super Service RIVERSIDE, unconditionally guaranteed for 30,000 miles, is our VERY BEST or Super Quality, and, in our opinion, the finest tire ever built. Compare it with any super quality tire made no matter how high the price.

Our Standard RIVERSIDE, guaranteed for 16,000 miles, is our FIRST QUALITY tire, and is equal in quality of materials, workmanship, appearance and service to other first quality tires made by leading manufacturers. It should never be compared with any "second line" brand — no matter what name the tire bears.

Our WARDWEAR tire, guaranteed for 10,000 miles, is our SECOND QUALITY tire, and equals any other

second quality tire. It sells at an extremely low price and is only to be compared with low-priced "second-line" tires produced by leading manufacturers — regardless of any claims to the contrary.

Montgomery Ward & Co. believes in "calling a spade a spade" and letting the purchaser know exactly what we are selling him. It is distinctly against our policy to create the impression that our WARDWEAR quality is to be compared with first quality tires of leading manufacturers.

Common sense should tell you that when any company produces three different articles to sell at three different prices, there must be a difference in the quality.

All RIVERSIDE and WARDWEAR tires are made by manufacturers who are noted for the excellence of their products. Ward's economical distribution methods create short-cuts and economies which are directly reflected in the prices of our tires and, regardless of whether you purchase RIVERSIDES or WARDWEARS, we guarantee that you will save money as compared with the prices charged by others for the same identical qualities. In addition, at Ward's you pay for Guaranteed Mileage, which in itself is a definite measure of value.
