CHICAGO CUBS REGAIN FIRST PLACE TODAY

"Hackenschmidt" Crushed New York Giants With Big Bat.

By EDWARD J. NEIL
Associated Press Sports Writer
The Chicago Cubs, hard fighting crew, are back in first place in the National League today, prodded there by the doughiest fighter of them all, Burly Hack Wilson.

For it was "Hackenschmidt," with an architectural style that resembled a quarter section of a fortress wall, who crushed the New York Giants with his big bat yesterday after even the elements had seemed to contrive to keep intact a slender one point margin of the leading Pirates.

The scene was set nicely for the graceful ascent of the Cubs into first place when things began to happen that called for sterner, brusquer methods. For the second straight day, the malevolent Brooklyn Robins, going nowhere in particular but mighty pugnacious about it, swarmed all over the Pirates and beat them 6 to 4.

Everything was peaceful at Wrigley Field. With Guy Bush, ace of the Cub staff going nicely, the Cubs ran up a lead of 4-0 on the Giants by the time the sixth inning rolled around. Rogers Hornsby hit one homer off Jack Scott, his 20th of the season, and Hack got another his 24th. Everything was under perfect control from a Cub standpoint.

After a wild sixth inning with an attendant thunder and rain storm, the Giants were leading by a 7 to 4 score. But John McGraw's discarded chickens have a habit of coming home to roost—right on his neck—at such times as these. It was the master mind who sent Hack Wilson to Toledo in 1925 after three poor seasons with the Giants. Hack waited until the seventh when Heitschke and Hornsby singled and then smashed his second homer of the day into the center field bleachers. These three runs evened things. A walk, sacrifice, and McMillan's single gave the boys from the Pineapple orchard an 8-7 victory and first place by half a game.

The rampaging Robins, roughly espousing the Chicago cause, bunched their hits of Heinie Melnik—tion of Eeene Meente—while Bill Clark held the Pirates in check. Babe Herman weighed in with two vital triples. Lloyd Waner fizzled his chance to be a hero by flying out with three on and two out in the ninth.

The remainder of the national League battle was interesting but inconclusive. While the situation along the American League sector remained unchanged with the New York Yankees and Philadelphia Athletics winning the day's jousts.

The A's kept their ten game lead intact by downing Cleveland 5-3, behind big George Barnshaw's sterling hurling and the Yanks crept up from behind to edge out Detroit 7-5. George Uhle threw against Herbinpenock, the Yank southpaw and both were hit hard. Jimmy Fox landed his 29th homer from the A's and Bill Dickey, Yankee kid catcher, hit a homer and three singles.

Bill McKonchie came back to the St. Louis Yards from the Rochester farm to reap his reward for managing the Red Birds into a pennant last year and started off nicely. The Card downed the Phillies 6-4 when Wallie Roetger, right fielder, hit a homer with the bases full in the sixth and Jimmy Wilson got another with Roetger aboard in the eighth.

The Boston teams struck blows for the home folks both home and afield. The Braves bested Cincinnati 5-3 and the Red Sox took the St. Louis Americans 9 to 7. Bob Burke won a pitching battle with Alphonse Thomas as Washington edged out the Chicago Americans, 3 to 2.

THE TEMPERAMENTAL PITCHER
HEY! WAKE UP! THREE OUT—YA GOTTA GO OUT AND PITCH!
SOME PITCHERS ACTUALLY WENT TO SLEEP ON THE BENCH
THE PNEUMATIC HURLER

AND ALL THIS... (Former Pitcher N. Y. Giants)

No doubt the National Open and the World's Series put about the same kind of a nervous strain on a man.

After Bobby Jones made his last stroke in the British Open one year, he became violently ill, from suppressed nervousness. Many pitchers of nervous temperament are not told they are going to pitch in an important game until time to warm up. Otherwise they would fret all night and lose sleep.

Other pitchers are entirely phlegmatic. I was with a club once when a left-hander who was working the game went to sleep during a 13th inning rally which was winning the game for him!
Bill Stumpf, the shortstop, went to sleep during a big rally of the Yanks, in the days when Frank Chance was their manager. Chance batted for the pitcher during this rally, and when Stumpf's turn to bat came, he was sound asleep, so Chance batted for him, too!
"Big Moose" Ed Walsh, on the other hand, always was calm and confident. "Gimme that ball," he would say. "I'll stop 'em."
And generally he did, too.

RECORD CROWD WILL WITNESS FIGHT TONIGHT

Italian Champion Not Favored. Fields in Good Condition.

DETROIT, July 25. (AP)—With a gate of more than \$160,000 assured for the first 15 round championship fight in Michigan under the new boxing law, Floyd Fitzsimmon's chief worry today was the weather which threatened to dampen the ardor of 32,000 fight fans who purchased tickets for the Joe Dundee-Jackie Fields welterweight championship battle at the Michigan State Fair Grounds tonight.

Dundee, the Italian champion from Baltimore, has now shown any considerable fighting ability since he gained the title two years ago, and consequently will enter the ring tonight strongly suspected of being about to lose his crown. Fields, who is five years younger and carries considerably less ring experience, has come up rapidly and has plenty of betting support. Field's supporters expect him to knock out the champion. Dundee has been down several times, but never out.

Elmer (Slim) McClelland, Detroit referee, will be the third man in the ring.
Handlers of both fighters have announced that their boys are in perfect condition, and would offer no alibis regardless of the outcome. Fields indicated that he did not intend to let the prestige of the champion impress him. "I mean to come out of the ring the new welterweight champion," he declared. "I'm going to box and punch Dundee off his feet."
Dundee also expressed confidence as to the outcome of the fight. "I am in the best shape I have been in years," he asserted. "I hope to make my best fight in defending my title against Fields."

THAT'S TOO BAD
CLEVELAND, July 25.—Miss Helen Filbin, 22, is a business woman, but she doesn't know her directions so well. She had a stand on the west side of Ridge Road, the city limits of Cleveland, where she was selling fireworks. Their sale in Cleveland is illegal. On driving from her home to her stand, however, she had to travel on the east side of the road, within the city limits. Police caught her with \$300 worth of fireworks.

SONNENBERG RETAINED THE CHAMPIONSHIP

Ten Thousand Fans Saw Match in Los Angeles.

LOS ANGELES, July 25. (AP)—Gridiron tactics which won for him the world's heavyweight wrestling championship, enabled Gus Sonnenberg to retain that title today, the result of two straight falls over Joe Malcewicz of Utica, N. Y., before 10,000 fans last night.

A terrific body slam, which climaxed 42 minutes 22 seconds of rough and ready grappling paved the way for victory for the former Dartmouth football star. The second and deciding fall followed after 11 minutes 42 seconds of wrestling.

The Utica Panther found himself no match for the college boy, who alternated his flying tackle and headlocks with telling effect, wearing Malcewicz down to the point of submission. Both falls resulted directly from the terrific tactics made by Sonnenberg, followed by body slams. The Olympic auditorium was packed, with paid admissions amounting to more than \$30,000.

SHIP WRECKED ON AVATANAK ISLAND TODAY

SEATTLE, July 25. (AP)—The oceanic and oriental steamship Golden Forest with a crew of 35 was piled up on Avatanak Island today one of the Aleutians lying between the Bering sea and the Pacific ocean, after being driven ashore yesterday in a westerly wind.

The coast guard cutter Haida was reported steaming to the aid of the vessel yesterday, but reports of her arrival was lacking here. Radio advices said the crew was believed safe. The wreck occurred when the vessel was hastening to meet the Haida to obtain medical aid for the second officer, ill with blood poisoning.

MONTANA HOLDS "HORSE SWIM"

WOLF POINT, Mont., July 25. (UP)—Movement of a band of 3,000 range horses across the Missouri river for shipment to a packing plant will mark the greatest "horse swim" ever conducted in this state.

The great band of horses will swim the river, preparatory to being loaded into railroad cars and shipped to the final destination of the range horse—a packing plant.

Two thousand of the horses will come from the ranch of George H. Young. The others have been gathered from various sections south of the Missouri. With the removal of 3,000 horses, the passing of the old familiar range animal in this section of Montana will be brought nearer. And it will only be a short time until the sight of a cayuse silhouetted against the horizon in the Montana range country will be rare.

In 1794 free schools were established in Maryland. The funds for their support were raised by duties double rates being imposed upon non-residents.

Georgia, in 1770, passed a law making teaching slaves either to read or write an offense punishable with a fine of \$500 for each offense.

CAPTAIN KIEB FATALLY HURT AT ALLENTOWN

ALLENTOWN, Pa., July 25. (AP)—Captain Kieb, widely known life saving instructor, and field representative of the American Red Cross, was fatally wounded here today while demonstrating to local police the method of getting away from a man holding a pistol to one's back. The revolver being used in the demonstration, thought to

Patrolman Warren Ander was holding the revolver. Kieb told him to pull the trigger as he executed the maneuver he was demonstrating, and the bullet penetrated Kieb's spine at the small of the back.

Kieb fell to the floor but did not lose consciousness, and directed the ambulance men who took him to a hospital where he died an hour after his arrival.

Captain Kieb was here to give a life saving demonstration before the local Kiwanis club.

COLTON, Calif., July 25. (UP) Fred Fisher, 51-year-old farmer, was taken to Riverside county jail tonight after a partner with whom he had quarreled reported finding a piece of firewood stuffed with gunpowder in the stove at his home.

Harry Bedma reported that his hired man had noticed replacements in the wood when he went to light a fire in the bedroom home. Bedma said that he and Fisher had been in the sugar beet business and that when they quarreled a year ago Fisher threatened his life.

This so aggravated Lahr that he started an argument with the official that ended with his arrest.

MILWAUKEE, July 25. (UP) Albert Lahr was fined \$10 here recently on a disorderly conduct charge and it all began when Lahr kissed his own wife while they were at a public dance.

Thinking the couple were unmarried a deputy sheriff called Lahr and his wife from the dance floor for a reprimand. When he learned they were married he admitted the legality of their act but still insisted that "it looks bad."
