## MOSS PLAYED FAST GAME FOR THE NATIONALS

Crippled Pirates Lost Another Game to Boston Braves.

(By HERBERT W. BARKER) (Associated Press Sports Writer) Ray Moss, right handed pitcher for the Brooklyn Nationals finally has completed a major league apprenticeship begun in the spring of 1923.

Moss' 10 to 2 triumph over the Cincinnati Reds yesterday marked the first complete victorious game he ever has pitched in the majors, and, incidentally, it was only the second game he ever started and finished.

He gave the Reds only eight scattered satellites while the Robins were pounding Red Lucas and Rube Ehrhardt for 17, four of them by the illustrious Babe Herman. The Robins pounded Lucas for four runs in the first inning and tallied four more before he went to the showers in the sixth.

Chief interest in the National league struggle centered in Chicago where the Cubs, by trouncing the Phillies, 12 to 10, increased their lead over Pittsburgh to three and a half games. Hack Wilson's 25th homer with Heathcote on base in the eighth was the decisive blow of the game. Previously Hornsby had cracked out his 22nd homer and Heathcote also had hit for the circuit. Don Hurst's 19th and 20th homers of the year kept the Phils in the running.

The crippled Pirates lost another game to the Boston Braves, 10 to 9. Trailing by 9-7 at the end of the eighth the Braves assaulted Henry Meine and Fred Russell for four runs and the old ball game. L. Waner's homer with one on had given the Pirates a lead in the eighth. Rabbitt Maranville showed no signs of old age in cracking out five hits in as many times at bat.

The New York Giants crashed out 17 hits off the delivery of various and sundry pitchers to swamp the St. Louis Cardinals, 11 to 2. Given a big lead, Larry Benton coasted in to an easy victory. Mel Ott hit his 28th homer and Bill Terry his 8th. Action in the American league was confined to the Chicago White Sox's 5 to 6 triumph over the Philadelphia Athletics, thereby reducing the white elephants lead over the idle New York Yankees to nine and one-half games. The Sox cuffed George Barnaby around for six runs in 5 1-3 innings and then tallied two more off old Jack Quinn in the ninth. A four-run Athletic rally in the ninth fell short of tying the score by two runs. Urban Faber held the A's to three hits in five innings but had to retire because of the intense heat. Ted Lyons finished up.

## FATHER ARRIVES FOR BIG BATTLE

Mother Refuses to See Fight; Father Always Attends.

CHICAGO, July 30. (AP) — "Pa" Consoneri will lead a special cheering section at ringside when his son Tony tackles Sammy Mandell for the lightweight championship at the Chicago stadium Friday night.

The New York butcher and farmer landed in his son's camp at the Garden of Allah yesterday and said Mayors Jimmy Walker of New York and Arthur O'Keefe of New Orleans and other notables will help him cheer Tony.

"I have never missed seeing my son fight an important engagement," the elder Consoneri said. "He looks to be in perfect shape and if Mandell catches his right once or twice he will lose his title."

Tony's mother, however, refuses to see him fight. Nor will she listen to the radio account of it.

## MISSION REDS AND ANGELES FIGHT IT OUT

(By the Associated Press) Decisive battles for supremacy in the final half of the 1924 Pacific coast league season seemed to be approaching today, as the eight league clubs took up new positions for resumption of series play.

Los Angeles was to be the scene this week of what was expected to be the most important series, that of the San Francisco Seals and the Hollywood Stars. The Seals led the league with 21 victories out of 29 games, and the stars hold second place with 13 won and nine lost. Both teams last week made strong showings against their respective opponents, and their clash was expected to be a warm one.

This week the Mission Reds and the Los Angeles Angels were scheduled to fight it out at Recreation park, and it was predicted the Reds would have to hustle to make a good showing. Although the Reds had figured on mopping up Portland and Seattle on its last northern trip. They did not fare so well as had been expected. However, they did win both series, even though by the margin of only one game each time.

The Sacramento club will play this week in Oakland, and Seattle will play in Portland.

## Coast League Laggaards Resort To Sales

The Coast League is drawing patronage this season—only where the teams are up in the percentage column. And, to meet the cut in revenue, some of the teams out of the first division have been compelled to jettison some good players. The tail-end Seattle club sold Pitchers Jim Edwards (upper left) to Oakland, and "Hap" Collard to a Texas club. Sacramento made free agents of Pitcher "Doc" Crandall (upper center), who has signed with the Angels, and Catcher Hank Severide (lower center), now with Hollywood, to trim the payroll. Portland disposed of Pitcher Jack Knight (upper right) and Outfielder Art Jahn, also good players, to the San Francisco Seals.

## YELLOWSTONE CUT-OFF WILL BE COMPLETED

In pursuance of its policy of carrying out the highway program of 1917 which was approved by the people of the state of Oregon, the state highway commission of Oregon has begun a survey of a stretch east of Burns on the central Oregon highway running to Harper where it will connect with the highway already completed to Vale and Ontario.

This of course is the first preliminary step and is undertaken for the purpose of definitely establishing a location of the highway so that the actual construction can be begun without delay whenever the funds will permit. A road camp has been established at Juntura so that the surveyors may work both east and west of this point and the work is already under way. This follows as the next step after the completion of the central Oregon highway from Bend to Burns which is being constructed this summer.

When this stretch of road on the central Oregon highway east of Burns, which is the chosen route of the Yellowstone cut-off connecting Burns with Ontario, is completed, it will leave only the small gap between Burns and Lakeview to be built before the Yellowstone cut-off highway will become a reality and the work of development of the country can be begun in earnest.

While up to the present time the Yellowstone Cut-Off association has not been encouraging travel over the route, there are adventurous people who have been using it, and they are as loud in their praise of the possibilities of the route as they are sincere in their petitions for an early construction of a real highway which will make possible this short-cut into and from northern California across Oregon and Idaho. Just as soon as it is possible to do so, the association will engage actively in putting into motion its plans for bringing in tourists so that the communities along the route will begin to benefit materially in a financial way.

## SERIOUS FIRE AT ST. HELENS

ST. HELENS, Ore., July 30. (AP) — This town today undertook the task of reckoning its loss in the most serious fire it had had in the last decade. Damage roughly estimated at \$100,000 resulted last night when flames destroyed a mill, a shipyard and a wharf. After battling through the night, land and water forces today had reduced the flames to scattered, smoldering brands.

The fire was said by investigators to have started in the Swift lumber mill from sparks from the sawdust burner. The Swift plant was destroyed with a loss of \$30,000.

The McCormick shipyards, beyond a slough, from the mill, suffered a loss of \$50,000 when the flames leaped the water and burned it to the ground.

## Gama Wants Match with Sonnenberg

By AL DEMARKE (Former Pitcher New York Giants.)

There is at present two world's wrestling champions. One claimant is Gus Sonnenberg, the American wrestler, who recently defeated "Strangler" Lewis for the second time, and the other is Gama of India, who recently threw Stanislaus Zyzsko in ten seconds at Patiala, India.

Gama, being over 50 years of age, is near the end of his career, while Sonnenberg is still young. All of which means these two will have to meet soon or not at all.

Gama was in his prime during the heyday of Hackenschmidt and Frank Gotch but never met either. He threw Dr. Roiter, the American wrestler, in five and nine minutes, respectively, in those days.

What a match Gama and Sonnenberg would make! The old world's and new world's champions.

I believe, however, that if conditions of the match were made equally favorable to both, Gama would win, regardless of his advanced age.

Twenty-five years ago today, Lou Dillon, the great racing mare, was scheduled to try for a record at the big Detroit harness races.

## SWEETS TAKEN TO BOY SCOUTS

Boy Scouts attending the summer camp at Lake of the Woods received an unusual treat this past week when they were presented with a six-pound box of delicious candies from Mrs. Wright's Homemade Candy shop.

A canteen is established at the camp where a limited amount of sweets may be purchased by each scout, but the delicious chocolates and other candies were an unexpected treat and were passed out to the boys, who sent back word that it was "great stuff."
