## CHICAGO CUBS RUNNING OFF WITH PENNANT

Philadelphia Athletics Playing Fast Ball. Pirates Lose.

By HERBERT W. BARKER  
Associated Press Sports Writer  
Unless something speedily turns up to stop them, the Chicago Cubs soon will be making a runaway of the National League race just as Connie Mack's Philadelphia Athletics have in the American.

The Cubs stretched their advantage over the field in John Heydler's circuit to four and one-half games yesterday by trouncing the Boston Braves, 4-0, while the helpless Pirates of Pittsburgh were losing to the Phillies, 13-5.

The Cub's victory, their ninth in a row, was due almost entirely to some excellent pitching by that erratic right hander, Sheriff Blake. This native of Ansted, W. Va., allowed the Braves exactly five hits and never was in serious difficulty. He was a trifle wild giving five bases on balls, but four double plays behind him served to stop the Braves every time they threatened.

Of the nine hits the Cubs got off Bruce Cunningham, six went to Hershby, Wilson and Stephenson who scored all four Chicago runs in the bargain.

Six Pirate pitchers failed to halt the slugging Phils at Pittsburgh. It took three pitchers to halt the Phils in the third inning when they scored seven runs and five more tallies in the seventh and one more in the eighth made the Cincinnati cause hopeless for the day.

Church lken hit his 32nd homer of the year, Hurst his 21st and Pinkey Whitney not only cranked out a homer but two triples and a double as well. All told the Phils collected 18 hits.

Big Fred Fitzsimmons further demonstrated that he is no "con-sult" to Red Batsmen, the burly New York giant right hander shutting out Cincinnati, 3 to 0. It was the fourth successive shut-out Fitzsimmons has scored against the Reds. They have failed to score against him in 36 consecutive innings.

The St. Louis Cardinals ended a three-game losing streak by beating Brooklyn, 10 to 9 in 11 innings. Seven pitchers trotted to the mound during the day and gave no fewer than 33 hits among which were home runs by Hendrick, Orsatti and Sherdel.

The American League situation remained unchanged as the Yankees and Athletics both won. The A's traveled ten fanins to down Detroit, 5 to 4. George Uhle gave only four hits up to the ninth but the A's tallied three times in this session to tie the score and won out on Simon's single in the tenth. Lefty Grove left the game for a pinch hitter in the ninth and Earnshaw was credited with the victory.

Herb Pennock pitched the Yanks to a 7-3 victory over the Chicago White Sox. Alphonse Thomas yielding 14 hits among which, strange to relate, was not one home run. Pennock kept the Sox' 10 hits well scattered.

Fifteen solid drives gave Cleveland an easy 11-4 triumph over the Boston Red Sox, Morgan getting two singles, a double and a triple.

A three run rally in the eighth gave the Washington Senators a see-saw battle with St. Louis, 11 to 9.

In the present run of college ball players below the calibre of the athletes who graduated into the big leagues from the campus 15 and 20 years ago? Baseball scouts seem to think so. They say the gap between the college is far greater than it was two decades ago.

The eastern colleges no longer turn out the ball players they did in the early days, with the exception of Holy Cross, which keeps feeding an endless chain of players to the majors.

Most of the college ball players today come from the south, Southwest and far west, with probably Alabama leading in this industry.

However, it is an open question and I will leave it with the fans to decide. Is the present crop of college ball players inferior to the old crop?

## GOLDMAN LOOKS FOR TONY TO TAKE BIG FIGHT

"Canzoneri Will be Like a Squirrel in a Cage," Kane Says.

CHICAGO, July 31. (AP)—Neither Eddie Kane, manager of Sammy Mandell, nor Sammy Goldman, Tony Canzoneri's pilot, is a bit worried over the outcome of Friday night's lightweight championship battle—at least not out loud.

"Canzoneri will be like a squirrel in a cage Friday night," Kane said yesterday. "He will make a lot of motions, but won't get anywhere."

Goldman agrees that Tony will make a lot of motions, but expects them to accomplish the downfall of the champions.

"Mandell has never been crowded the way Tony will crowd him, and we figure that that style of fight will win. There will be a new lightweight champion after the fight," Goldman said.

## BOBBY JONES IN POLITICS

ATLANTA, Ga., July 31. (AP)—For congress: Bobby Jones. The name of the national open and amateur golf king, was but forward today by a delegation of Canton, Georgia citizens, headed by state Senator H. G. Vanderver, who suggested he would be a serious contender for the Georgia fifth district seat left vacant by the death of Representative Leslie J. Steele. They stressed his ability as a lawyer and fame as a golfer.

Bobby was graduated by the Atlanta law school two years ago and entered partnership with his father, R. P. Jones. Canton county is the home of the golfer's grandfather, Robert Tyre Jones, Sr., a merchant.

## Bozo' Shupe MURDERED IN CHICAGO FIGHT

CHICAGO, July 31. (AP)—James "Bozo" Shupe died this morning from a bullet wound received in a shooting affray last night in which two other men were wounded. Physicians at Bridwell hospital expected momentarily the death of Thomas McNichols, 37, believed to have been one of the participants in the shooting. They said he could not live more than a few hours.

The other wounded man is George Higgins, 29, a friend of Shupe. His condition was serious.

Police saw in the shooting, which took place in the West Madison street "badlands" a possible renewal of the beer wars, since Shupe, a former convict, was known, they said, to be engaged in the beer trade.

Shupe had served time for burglary and was the brother of Tommy Shupe, now in prison for taking part in the \$50,000 International Harvester company payroll robbery several years ago. McNichols is a municipal court bail and the son of a former alderman. Higgins is known to police as a minor gangster, gambler, and owner of the cigar store in front of which the shooting took place.

Police Sergeant Frank Murrin saw part of the gun battle. Shupe, he said, fired several times from in front of Higgins' store at a man in the middle of the street who returned the fire. Murrin pushed Shupe into a protected stairway and started after the other gunman. He escaped, however.

Views of the world's largest air liner, able to carry 100 passengers and necessitating a crew of 13 men, which recently made a successful test flight at Friedrichshafen, Germany, are pictured here. The craft weighs 37 tons, has a wing spread of 157.44 feet, and a cruising speed of 118 miles an hour. Above, four of the 12 motors which propel the tri-motored liner are pictured. Each motor can develop 500 horsepower. Below is a view of the hull.

## ANGELS TAKE GAME FROM MISSION REDS

(By The Associated Press)

Pacific coast league hurlers suffered adversities in yesterday's renewal of series play. In almost every case in the three games played, poor control, wildness and excessive walking were the important factors in the scoring. The San Francisco and Hollywood clubs were the only ones to take the day off, those teams traveling to Los Angeles, where they open today.

The Los Angeles Angels defeated the San Francisco Mission Reds at Recreation park here, 5 to 1. Merton Nelson walked 12 of the boys from the south.

Portland opened the series with an easy victory over the Seattle Indians at Portland. Kallio was exceedingly wild, giving three walks in the second inning, all of which resulted in tallies. Lamanski relieved Kallio in the seventh and retired the side after the latter had allowed two more passes to first. "Fat" Walters, large Portland first baser had a field day with two hits, two runs, seven fielding chances, and three stolen bases.

The Sacramento Senators won from the Oakland club 4 to 3, making their fourth straight after a losing streak of 13 consecutive games. The teams played in Oakland.

## ROSENBLUM BEATS DILLON

PORTLAND, Ore., July 31. (AP)—Maxie Rosenbloom, new York, light heavyweight contender was too fast and carried too many gloves for Harry Dillon, Winnipeg, in the main event of last night's boxing card at the Portland auditorium. After the first few rounds Dillon was on the receiving end. No great damage was done during the battle. The six-round semi-windup between Friezo McGale, Seattle and Jimmy Dolan, Los Angeles at 145 pounds was a good bout with McGale apparently having an edge, but the decision went to Dolan. Eddie Graham, Portland, who substituted for Joe Calder, Spokane, who was to have fought Roy Cross, lost a

four round decision to Cross. Bobby Dugger was awarded a decision over Indian Britt, Umatilla, four rounds. Johnny Hanson, Portland, won a four round decision over Sammy Goldstein, Vancouver, Barracks. With the exception of the main event the decision of the judges and referee in the other bouts received a very unsatisfactory reception from the crowd.

## These Chaps Might Be Aesthetic Dancers, But Are Shot Putters

Dramatic athletic action, characterized by all the grace of dancers holding forth in an aesthetic festival on the lawn, is shown in these pictures from the recent meet between the Princeton-Cornell and Oxford-Cambridge joint track teams at Travers Island, New York. To the left is L. H. Levy of Cornell, winner of the shot put event with a mark of 41 feet 2 1/2 inches. Next is R. M. N. Tiedall of Cambridge performing his act with all the grace of Pavlova herself. Next in line is J. F. Anderson of Cornell, and if you didn't know he was one dandy shot putter you might think he was a radi ator-cap representation of the winged something or other. At the right is Caleb F. Gates of Oxford, former Princeton star, in an instant of classical posture.

**GROWING like Jack's beanstalk!**

"Let's be fair about this matter of deciding which is the best cigarette," said OLD GOLD to Mr. American Smoker last January.

"That sounds reasonable," replied Mr. S. "What do you want me to do?"

"Well," continued O. G., "why don't you smoke me and the other three leading brands with paper masks covering our names, so you can't tell us apart? And leave it to your taste to say which one it likes best?"

And Mr. American Smoker did . . . with the following results.

In February, the nation gave OLD GOLD a rousing sales boost over January. In March, April, May and June this brisk upward sales swing continued unabated, with June racing ahead to nearly double the sales of January.

OLD GOLD wins in these tests because it is a better cigarette. Blended by skilled blenders from Nature's choicest queen-leaf tobaccos, its finer quality just naturally proclaims itself in any reliable comparison of cigarettes.
