BAUMES LAW BLAMED FOR PRISON BREAK

Governor Roosevelt Thinks Law is Wrong.

ALBANY, N. Y., July 31. (AP)—Mandatory life sentences for felons convicted for the fourth time were blamed today by state officials for savage rioting in Clinton and Auburn prisons, started almost a week apart.

Both Governor Roosevelt and Raymond F. C. Kleb, commissioner of corrections, brought up the theory that the workings of the Baumes law resulted in a feeling of bitterness on the part of prisoners causing them to flare up into open mutiny.

Touching on the Baumes law, the governor said: "They may be all right as a deterrent to crime, but all wrong as to the prisoners sentenced under them. The sentencing of persons for long terms for crimes against property and not against persons has a tendency to make an individual feel bitter than if he were sentenced for a crime against persons."

The Board reserves the right to reject any or all bids.

Bids will be opened at the office of the District in the Fremont School at 7:30 p. m. Monday, August 5th, 1929.

YOUTH ADMITS HAVING ROBBED BUSINESS HOUSE

Gilbert Loran, 15, has confessed to robbing a pool room at Pelican City of approximately \$100, according to officers, and then he went with them to the scene of the crime and took the money from an old tobacco can which was hidden in the pool room.

He told officers that Saturday night he climbed onto the roof of the building, entered through a window and took the money which he hid in the tobacco can in the pool room.

Sheriff Lloyd Low took Loran into custody and he is held in the county jail.

DAIRY CUTOFF SHORTENS TRIP TO LAKEVIEW

LAKEVIEW, Ore., July 31 (Special)—While the road between Klamath Falls and Lakeview is in very good condition much of the way, the new cutoff when completed will not only shorten the route by about eight miles but will provide a better highway for traffic.

The cutoff leaves the present highway at Dairy and reenters it again beyond Bonanza cutting off that thriving little city from the main through travel.

Good roads prevail around Lakeview indicating that the Lake County commissioners are not only good managers but capable road builders as well.

REFRIGERATION IN APARTMENTS

Food storage has always been a problem to people living in apartments and owners as well as tenants have found that individual electric refrigeration is the ideal solution to this problem.

"Many of the new buildings are equipped with electric refrigerators at the time they are constructed," stated Mr. K. G. Klahn, local sales manager of General Electric refrigerators.

"In the case of old buildings the individual unit that gives a complete refrigeration service solves the installation problem as it can be set up anywhere and plugged into the nearest electric outlet.

Some owners offer electric refrigeration to the tenants at a slight increase in the rent. In this case it is a simple matter to install individual refrigerators in only those apartments where the tenants have indicated a willingness to pay for it. Then, too, it has an advantage over the multiple system, which has a central compressor piping refrigeration to all apartments, as the individual unit is independent and can be shut down for defrosting or servicing without affecting refrigeration in the other apartments."

The first cargo of furs was sent from Canada to England in 1676.

AT THE THEATRES

AT THE PINE TREE
Opening today is one of the best known of the many stage successes ever transferred to the screen — "Alias Jimmy Valentine." This is a new talking version of the famous story and play originally written by O. Henry.

William Haines very ably handles the part of Jimmy Valentine, the reformed crook, and Lionel Barrymore deftly portrays the detective who hounds the boy in his new life. The dramatic high light of the play where Valentine has to admit his identity to save a human life is full of tense interest and suspense.

Pretty Lolla Hyams as the sweetheart and Tully Marshall as Jimmy's pal both distinguish themselves. For an enjoyable evening, be sure and see "Alias Jimmy Valentine."

AT THE PELICAN
A stirring tale of the prize ring and oil fields, "The Shakedown," with James Murray and Barbara Kent in the leading roles, will open at the Pelican theatre today.

The picture has for its theme the age-old case of unscrupulous prize fight promoters of faked fights started for the express intention of collecting money bet on the local "white hope."

Directed under the direction of William Wyler from an original screen story by Charles A. Logue, "The Shakedown" gives a vivid and authentic account of some of the evil machinations employed by "ring racketeers."

Supporting James Murray and Barbara Kent are George Kotsanos, Wheeler Oakman, Jack Hanlon and Harry Gribbon. Kotsanos portrays the role of a top-notch, though beetle-browed light-heavyweight, while Oakman is seen as the unscrupulous manager. Jack Hanlon, a nine-year-old screen sensation, appears as the street wail salvaged by Murray. Harry Gribbon, as usual, is cast in a comedy character role.

AT THE ORPHEUS
A compact, sparkling comedy drama which secures its maximum effect by reason of a fine
