BANTAM TITLE REMAINS WITH SAM MANDELL

Challenger Threatens in First Two Rounds of Battle.

By PAUL R. MICKELSON
Associated Press Sports Writer
CHICAGO, Aug. 3. (AP).—Tony Canoneri, the chubby one, has gone the way of all featherweights who become too ambitious and Jimmy Mandell, master ringman and boxer, is still the lightweight champion of the world.

Attempting to achieve what Johnny Kilbane, Johnny Dundee and many other featherweight champions failed to do, the New York Italian gamely challenged the Rockford slick for his heavier crown in the Chicago stadium last night, but received nothing but a heat boxing lesson, the decision going to Mandell after 13 stirring rounds.

Mandell won mainly by speed and boxing ability, after losing the first two rounds because of Tony's rushes and right hand attacks that caught him off guard. The champion calmly cuffed his rival with his long left and choppy rights to pile up a decisive margin.

Tony had a chance only in those first two rounds, but he couldn't follow it up.

Mandell's accurate left hand, called the best in the business, fired sharply and true to the challenger's face and at the final going Tony's face was well puffed up.

Sweeping overhand rights rocked the champion several times in those first two rounds. Sammy fought a very cautious fight against the ambitious contender.

The third was the turning point and in that session the real Mandell went to work.

Dave Barry, central figure in the much disputed "fourteen count" of the Dempsey-Taney fight in Chicago, was referee and cast his vote for Canoneri. Judges Ed Klein and Phil Collins agreed on Mandell as winner. Collins was third man in the ring when Mandell won the lightweight championship from Rocky Kansas here on July 4, 1926.

More than 24,000 witnessed the fight. An unofficial statement of receipts placed the gross receipts at \$165,000. Of this Mandell receives 40 per cent and Canoneri receives 30 per cent.

The champion was far from satisfied with his performance even though he won, while the challenger said he thought he had won.

If Mandell carries out his announced intentions, he will next attempt to get a match with Jackie Fields for the welterweight title. He outpointed Fields before he won the welterweight title and is confident he can repeat.

Baseball Coach Has Thankless Job

BY AL DEBARBERE
(Former Pitcher New York Giants)

The job of being a coach is about the most thankless job on a ball club. Besides being a companion for the manager, the coach usually has the job of "checking up" on the boys.

If the boys are making a lot of wise cracks on the bench while the manager is on the coaching lines, sometimes a coach is posted in the dugout to report the recalcitrant players to the boss.

"Bugs" Raymond used to have a special "keeper," a job assigned to one of the coaches, but often he would slip a dummy into the bed, and then climb out the fire escape to carry on his customary escapades.

Bert Shotton got over the more reprehensible tasks of the coach about as well as anybody I know of. "It's part of my job," he told the players, "to check up on you, and report you if you are out. I'm telling you in advance so you won't make me do it."

Ball players don't like to be seen with the manager, and for that reason the coach usually has to pal around with him. The reason players don't run around with the manager is because they aren't want it said that they are "attin' in the manager's lap."

Fifteen years ago today, Christy Mathewson went to the Cincinnati Y. M. C. A. to play checkers, but the champions of the club refused to risk their laurels by playing "Big Six."

Seals Strengthen Lead in Pacific Coast Pennant Race

(By the Associated Press)
Away to a flying start toward honors of the final half of the Pacific coast league season, the San Francisco Seals yesterday bettered their lead over the second place Hollywood stars by defeating that aggregation at Los Angeles. The Seals lead the league with 23 games won out of 22. The Stars have won 21 out of 23.

A 4 to 3 advantage held by the Stars until the eighth inning was shattered by the mighty swats of Smead Jolley and "Red" Wingo, who put over a couple of homers.

The Los Angeles Angels paraded five pitchers at Recreation Field, but despite their efforts

the Missons won 9 to 5. The Reds pounded the Angels for a total of fourteen hits.

Roy Chesterfield, with his fast overhand shot completely baffled the Seattle Indians, his team mates on the home lot at Portland helping to carry off a 12 to 1 victory. But for Falk's Texas leaguer back of short when two outs had been called, Chesterfield might have had a shutout. Sixteen hits were the lot of the Ducks, while the Redskins were satisfied with ten.

Sacramento's Senators defeated the Oakland Oaks 8 to 4 at Emeryville. The Senators packed the game away in both halves in the ninth frame when they pounded Pete Daglia for three runs.

BIG LEAGUES INDULGE IN SCORING FEST

Some of Friday Games Resemble Track Events.

The so-called ball games in the American league yesterday provided the customers with 33 runs on 47 hits and enabled the Philadelphia Athletics to stretch their lead over the New York Yankees to 11 1-2 games.

The A's outclassed the Detroit Tigers in a fray that lasted two hours and 34 minutes to win by 11 to 10. The Yanks played 2 hours and 25 minutes before dropping a 9-5 decision to the Cleveland Indians.

Detroit piled up a lead of 8-3 on the A's in the first two innings but Connie Mack's pennant-bound youngsters kept pegging away, tied up the score at 8-8 in the eighth when Owen Carroll forced in a run with a walk and won out in the same frame by scoring two more runs before Carroll could apply the brakes.

It was not Harry Heilmann's fault that the Tigers lost. He drove out two home runs and two singles in five turns at the bat.

Bib Falk's homer with two on in the ninth gave the Indians a thrilling victory over the Yanks. It was a see-saw battle with Pipiras and Heilmann of the Yanks and Shante of the Indians retiring under heavy gunfire.

Irving Hadley outpitched Alvin Crowder at Washington where the Senators downed the St. Louis Browns, again, 5-3.

A two-run rally in the tenth gave the Boston Red Sox a 3 to 2 decision over Chicago.

In the National league, the league leading Chicago Cubs, held idle by rain, gained another half game on Pittsburgh which was blanked 2-0 by the Phillies. The Pirates' defeat left them five and one-half games from the top. Lester Sweetland gave the Pirates 11 hits but they could not bunch them to advantage. Larry French gave the Phils six hits but three errors by Clarke, rookie Pirate shortstop, gave the Phils one run in the fifth and Don Hurst's homer in the ninth gave the Quakers another tally. Hurst's last six hits have been home runs.

The St. Louis Cardinals pounded Darry Vance for 18 hits and 13 runs in six innings and coasted in to a 14-7 verdict over Brooklyn. Ernie Orsatti, Cardinal outfielder, got four hits and Jim Bottomley hit his 24th homer of the year.

The Cincinnati Reds finally broke the spell Fred Fitzsimmons has woven around their bats this season and beat the New York Giants, 3-2. Fitzsimmons has pitched 35 consecutive scoreless innings against the Reds until they scored a run on him in the first inning yesterday. Two more unearned runs came across in the third and Fitz was forced to accept a defeat despite the fact that he allowed only four hits, all told. Pete Donohue kept the Giant's eight hits well scattered.

Oil Drill Passes To Marine Shale, Hole Is Reduced

Southern Oregon Oil company, drilling for oil three miles east of Bonanza, expects soon to enter the marine shales. The extremely hard formation encountered in June at 1,580 feet has finally been penetrated and drilling should now go much faster, R. H. Nix, president of the company, stated yesterday.

According to the drillers, the bit encountered much softer drilling on Thursday upon entering another strata of the red beds encountered previously. The size of the hole was reduced from 15 1/2 inches to 12 1/2 inches at 1,700 feet and officials state that the well should be down more than 2,000 feet by the end of the month.

According to J. E. Loreman, geologist for the company, they expect to have much better showings of oil from now on than in the past and possible commercial production somewhere between 2,700 and 3,000 feet.

Mr. Nix stated that the people of Klamath Falls have subscribed for stock in the company as liberally as could be expected, since no drive on stock sales had been made, and that \$15,000 additional, subscribed on the footage plan, would assure sufficient finances to put the test down 4,000 feet.

LONE GUNMAN DROPS CALLEN

PHILADELPHIA, Aug. 3. (AP)—"Big Arthur" Callen, 38,

who escaped gangsters bullets several times through the use of an armored automobile, was shot to death early today by a lone gunman at Parkside and Memorial avenues.

Six "dum dum" bullets were found in Callen's body. He was shot by a man, who pursued him along Memorial Avenue. After the shooting the killer walked to a parked automobile a short distance away and was whisked away by an accomplice.

Callen was identified by fingerprint experts from the detective bureau. Although arrested many times, Callen was never convicted, and always protested he was now "out of the racket."
