BABE PASSES FIVE CENTURY HOMERUN MARK

Yanks Gain Two Games By Clouts From Bambino.

By WILLIAM J. CHIPMAN
Associated Press Sports Writer

The reported cracking of the Athletic pitching staff seems to be gathering confirmation in the west but the crash will have to assume a louder tone before it becomes audible to the Yankees across a chasm of ten and one-half games. The leaders and their pursuers both broke even over the week end as the Cubs picked up one and one-half games on the Pirates by winning twice while the Buccaneers were dropping the old game in three.

The week-end in the American League was notable chiefly for Mose Grove's third failure within a week to spear that elusive eighteenth victory and for Babe Ruth's 499th and 500th home runs of his Major league career.

Ruth lapped his 499th on Saturday to put the finishing touch on a 4 to 2 Yankee victory, and pounded Willis Hudlin for his 500th in the second inning yesterday when the Indians eventually won by six to five. Lou Gehrig also got his twenty-seventh of the season at Cleveland yesterday.

Ruth's sabbath drive placed him in a tie with Hack Wilson of the Cubs and Melott of the Giants for second place in the interleague home run derby and left only three behind Chuck Klein of the Phillies, who has thirty three.

George Earnshaw undertook the task of taming the Tigers yesterday but in the ninth he served a home run ball to Red Hargrave with two batters on base.

Hargrave's drive sliced the margin of the Mackmen to one thin run, and brought old Jack Quina to the box. Three slugs and an error tied the score at 3 to 3, and Ossie Orvell emerged from the bullpen. Ossie got by until Johnson hit a homer within the park in the seventh to win for the home boys by 3 to 2.

The Red Sox and the White Sox divided two games at Chicago over the week-end, the victors winning on Saturday by 10 to 7 and the home team by 3 to 3 yesterday. Al Thomas permitted only five hits in the sabbath game, one a homer by Jack Rothrock.

Washington cleaned up two games over the Browns, winning by 4 to 3 on Saturday and by 7 to 5 yesterday.

The National League week-end was marked by the fall of the late Christy Mathewson's life-time winning record of 373 games. Grover Cleveland Alexander held the Phillies to two hits in the last four rounds of the eleven-inning second game on Saturday, and got credit for the 11 to 9 victory as the 37th of his 19-year career. The champion Cards tied the game for Alex with one in the ninth and won with two more in the eleventh.

The Cubs won two hard-fought games in Boston, by 4 to 1 on Saturday and by 3 to 1 yesterday. The Pirates the while were dividing a Saturday bargain with the Robins at Ebbets field and absorbing a 5 to 3 tap on the chin yesterday.

Sheriff Blake and Charley Root turned in some fancy pitching for Joe McCarthy at Braves field in the two club victories.

With pitching such as they are receiving in Boston, the Cubs can do with less hitting but this fact is making no impression upon Rogers Hornsby, among others. The Rajah got a single, a double and his twenty-fifth homer yesterday to boost his average to .365.

Red Lucas trimmed the Giants by 7 to 2 on Saturday, but no-hit Carl Hubbell returned the compliment to the legs on the sabbath. The score was 6 to 1.

Baseball Becomes Business Machine

By Al Demaree
(Former Pitcher N. Y. Giants)

"It's just a question of time," said Babe Ruth to me the other day, "when the 'powers to be' get baseball so thoroughly systematized and efficient, that most of the real sport and competition will be squeezed out."

"There are really only two great sportsmen of the old school now at the head of ball clubs and they are Wm. Wrigley, Jr., of the Chicago Cubs and Judge Fuchs of the Boston Braves."

"The time is coming in the near future when salaries in the majors will be graded like in Henry Ford's plants — \$20,000 will be top price for big stars and salaries will be graded on down to \$5,000."

"Any time a sport becomes big business, most of the sentiment and romance must disappear."

FIRST COLUMN TEAMS RUNNING CLOSE CONTEST

Stars Only Half Game Behind Seals and Reds.

By The Associated Press

The hard fighting Mission Reds demonstrated yesterday their determination to make a fight of it for the Pacific Coast League's second half season honors, by soundly thrashing the San Francisco Seals at Recreation park in both games of a double header, and thus tying the standings at the top of the league, 27 out of 43 for both.

In the morning game the Reds won, 11-6, and in the afternoon by 7 to 4. They cleaned up on the series, 4 games out of 7. Reuther lasted only one inning, walking Suhr, while Donovan and Jolley hit homers.

came back in the afternoon after losing a 1 to 0 game in the morning, to win, 15 to 5, in a free hitting game featured with seven home runs. Johnny Veres, Oaks third sacker, hit two of them, giving him six four-baggers for the series.

Portland and Sacramento battled to a tie for the series at

three-all in the capital city. The two clubs played to a 7-7 deadlock in the morning session, and the Ducks won the afternoon game, 6 to 4. In the first contest, the Sacramento club overcame a four run lead, in the afternoon game, Keating and Chesterfield were chased in mid-way and Cano and Fullerton

took up the battle which went ten innings. Hollywood took both ends of a double header from Los Angeles by the scores of 7 to 3, and 2 to 1. The double victory put the stars within half a game of the league leading Missions and Seals. Frank Shellenback held the Angels to six in the

opener. He helped to win his own game by clouting out two home runs and a single. In the second game, Chadbourne and Greene, umpires, were showered with bottles.

If the cells of the lungs were spread out flat they would form a surface of 480 square feet.

Klamath Falls' New Residential View SUB-DIVISION

68 Beautiful Oversize Homesites

Klamath Falls' first and only restricted subdivision. Build your home where you will be protected from the encroachment of business and factory buildings, where property values will increase because they are protected from these undesirable features, where you can be assured of quiet and clean surroundings, where there can be no apartments or tenement houses to shut out your light and obstruct your view.

Klamath Falls is known far and wide as the fastest growing town in the State of Oregon. Ninety per cent of the millionaires of Portland and other fast growing cities have made the foundation for their fortunes on real estate. Money properly invested in real estate now will make you independent in your old age. Rent receipts are worthless, but they cost you lots of money. Everyone knows the landlord grows rich and independent; be your own landlord, pay rent to yourself. Don't say in years to come: "I once had a chance to buy that beautiful homesite, but let it slip by."—that only reveals to your associates that your judgment was not good, but have them say, "That man owns a beautiful home in a restricted district."

Choice Homesites \$1,200. to \$2,000.

During a period of twenty-five years from and after the first day of July, 1929, no structure other than single detached residences or dwelling houses and garages or outbuildings necessary with such house, shall be constructed on such lot or lots. Buildings on each lot to cost not less than \$7,000 shall be allowed thereon, nor shall any portion of any such buildings, except the porches thereon, be within ten feet of the front property line of any lot, and no building, except garage, to be closer than five feet to any side line of said lots, nor shall said premises or any building thereon be used or occupied other than for residential purposes, nor shall the same, or any part thereof, be in any manner used or occu-

piated by Chinese, Japanese, or Negroes, except that persons of said races may be employed for servants by residents. Nor shall any other buildings be placed on said premises, nor shall any building or any part thereof on said premises be erected, maintained or used for flats, apartments, stables, stores or for business or manufacturing purposes, nor shall any livestock other than household pets, be kept on said premises. These restrictions are part of a form plan and are intended to apply to and be for the benefit and protection of all the owners of said tract. These restrictions may be enforced against any one or more of such owners, by any other owner or owners of land within said tract.

Drive out Esplanade to Melrose and look over this beautiful subdivision with its winding streets. Each homesite laid out to obtain the best view and remember that view property in all coast cities is selling for three and four times the price of similar property that has no view, yet we are selling you this property at less per square foot than you can buy property in your best district. You can buy this property through your own realtor or purchase it direct from our representative, W. D. Horton, who is now permanently located in Klamath Falls. We will make you any reasonable terms and the price will include water, sewer, lights and macadam streets.
