CAMPOLLO NEXT WORLD'S CHAMP THINKS HEENEY

South American Stopped Australian Veteran In Ninth.

NEW YORK, Aug. 16. (AP)—Take it from Tom Heenev, the "Honest Blacksmith" from New Zealand—the next heavyweight champion will be Victorio Campollo of the Argentine.

"Honest Tom" expressed his opinion of Campollo's worth last night after the six-foot, seven-inch South American had stopped him in the ninth round of a bruising and savage struggle as metropolitan fans have witnessed since the palmy days of Jack Dempsey.

"The greatest fighter I ever faced," was Heenev's comment. "No one ever hit me as hard as that giant did with those right hands. I think he'll be the next heavyweight champion."

For seven rounds the New Zealander and his giant opponent battled on even terms, the tide of apparent victory swinging quickly from one to the other. In the eighth, however, Heenev, weakened by the towering Campollo's heavy body punches, was a mark for the Argentine's right hand. One crushing right sent him to the floor for no count just before the round ended. In the ninth Campollo battered the New Zealander from pillar to post and finally felled him with a terrific right; gamely the New Zealander got up at seven but he was out on his feet and the referee stepped in between the fighters and led Tom to his corner, victim of a technical knockout.

SEE-SAW GAMES FEATURE COAST PENNANT RACE

Stars and Seals Making Struggle to Hold Top Rung.

(By the Associated Press) Hollywood clutched the half game lead of the Pacific coast league yesterday by defeating the San Francisco Seals who the day before had taken the leadership away from the Stars. The Mission Reds, who were defeated the day before by Los Angeles, turned the tables on that club and took third place.

The Hollywood team won 6 to 4, due mostly to the pitching of Johns, and to good work by various Hollywood batters. The Stars reached Walter Malls for four runs in the third inning and were never headed after that.

Defeat of the Angels by the Reds at Los Angeles came after the home team had won twice in a row and pulled the San Francisco boys away from a substantial hold near the top of the league. The score was 7 to 6, the game featuring an eighth inning rally. Earl Webb, Angel fly-chaser, flogged out a home run with two men on bases in the fourth inning.

Oakland and Sacramento battled at Stockton, the Senators taking a decision by 5 to 2. Eddie Bryan, Solon hurler, barely missed a shut out victory, holding the Oaks scoreless and with only two bingles until the ninth. Hal Stooeven, young Sacramento first baser, was the batting marvel of the day, bagging a homer, triple, single and a walk in four trips to the plate. The Oaks used three pitchers.

Portland hammered three Seattle pitchers for ten hits on the Indian playground, and defeated the Redskins 6 to 2. Harris, Portland, hit for the circuit in the second, and Kensey, Portland, homed in the fourth.

Base Stealing as ... Extinct as Dodo

By AL DEMAREE
(Former Pitcher N. Y. Giants)
"Kiki" Cuyler and Frankie Frisch are the two remaining representatives of a race of base runners that were fairly numerous a few years ago before the advent of the "lively ball."
The present era of extra base hitting has made base stealers almost as extinct as the dodo.
"What's the use of taking a chance of being thrown out trying to steal second base and scoring on a single when you can play safe and score from first base on a double," is now the slogan of managers and players.
"It's harder to hit a single nowadays than an extra base hit," says Babe Ruth. "They ought to put a premium or reward on singles, as they're tougher to get than doubles and triples."

Sixteen years ago today Walter Johnson won his twelfth consecutive game. Earlier in the year he won eleven games before beaten.

NEW AMATEUR GOLF CHAMPION IN WASHINGTON

SEATTLE, Wash., Aug. 16. (AP)—A new Washington state amateur golf champion will be crowned here tomorrow.

Chuck Hunter of Tacoma, the defending title, virtually a miserable 18-hole match against Ed Greenway of Seattle. The local contestant, a practically unknown golfer, played a steady near-par game to defeat Hunter 2 and 1.

Greenway was pitted against Harry Givan, young Seattle ace in the first match of the quarter finals this morning. The second match was between Denton Rossell of Mount Vernon and Alex Duncan, Seattle. Rossell was the only out of town player to survive yesterday's rounds. He defeated Steve O'Brien, Tacoma, and Howard Lang, Seattle, to reach the quarter finals.

Hugo Haakons and Bob Pinnell, both of Seattle, were matched in the third battle, while Bob Stein, former western amateur champion, and Johnny Shields, Seattle youth, clashed in the last game. Hunter in the first half of the draw and Stein in the other bracket had been favored to reach the final.

MRS. MCCORMICK TO PAY.

CHICAGO, Aug. 16. (AP)—The Herald and Examiner said today the "sources close to her" had revealed that Mrs. Ruth Hanna McCormick, Illinois congresswoman-at-large, had decided to oppose Senator Charles S. Deneen for the senatorial nomination in next April's republican primary election.

The news paper stated that Mrs. McCormick probably would announce her candidacy next Thursday at the republican day ceremonies at the state fair in Springfield.

ATHLETICS NET ADVANCE WHILE STANDING STILL

Peculiar Situation Develops Following Thursday Games.

(By WILLIAM J. CHIPMAN)
(Associated Press Sports Writer)

The Athletics apparently have developed the knack of advancing while standing still, but the Cubs have gone them one better by finding a way to gain ground while losing. The Mackmen margin was stretched to 14 games yesterday when the Yankees lost to Detroit as the leaders sat idle in Cleveland; the Cubs won and lost in a Brooklyn double-header, but the Pirates obligingly dropped a 2 to 1 decision at Braves field, tossing half a game into the lap of Joseph McCarthy. The Chicago lead now is eight and one-half engagements.

Real pitching duels were on tap yesterday at Braves field, Navin field and the home of the Browns. The most noteworthy mound performance was turned in at Detroit by Earl Whitehill, who limited the Yankees to two small hits to win by 3 to 0. The champions went hitless until the seventh when Bob Meusel spoiled Whitehill's afternoon by out-racing Westling's throw and getting credit for a single. Roy Sherid, Whitehill's pitching opponent, got a clean blow in the next round, and that was all. Sherid himself turned in a smart game, but he was not prepared to meet such extraordinary work as the Detroit southpaw flashed. Harry Rice placed the game beyond Sherid's reach in the very first inning with a home run.

George Blaeholder allowed the Boston Red Sox just three hits at St. Louis yesterday to win over Jack Russell 3 to 0 while Fred Marberry and Garland Braxton collaborated upon a four-hit performance which set the White Sox down 9 to 4 at Chicago.

Rain in Cleveland
Rain kept the Athletics and the Indians indoors in Cleveland. Guy Bush trimmed Brooklyn 9 to 5 to gain his 17 victory of the season, but Dazzy Vance evened things up by downing the Cubs 5 to 4 in the second half of the program.

Rogers Hornsby collected his 26 homer in the first game, and Kiki Cuyler hit for the circuit in the second.

Ed Brandt turned back the Pirates with two hits at Braves field to win 2 to 1 from Remy Kremer. Lloyd Waner collected both of the safeties of the Boston hurler. Brandt was scored upon solely because of his wildness, Comorosky smashing a sacrifice fly in the sixth after three men had been passed.

Frank O'Doul's 23 homer with two on base enabled the Phils to win from the Reds 5 to 4, and the Giants just outlasted the Cardinals, 9 to 7. Ott hit his 31 homer.

THE RULE IS!

By GEORGE SARGENT
Golf Professional

The Situation:
In a foursome, A through mistake, plays B's ball in the fairway. Is there any penalty?

The Rule Is:
Should you play your opponent's ball, your side loses the hole unless your opponent plays your ball, in which case all is fair. But the hole must be played out with the balls thus exchanged. In stroke competition you are disqualified if you play two consecutive strokes with the wrong ball. There is no penalty if you play one stroke with a ball not your own and then play your own ball.

PLANES TO BE EQUIPPED WITH TWO-WAY RADIO

CHICAGO, Aug. 16. (AP)—Following a successful two-way radio-telephone conversation test yesterday between an airplane and a ground station more than 1,100 miles apart, Universal Air Lines today announced all its planes soon would be equipped for two-way radio communication.

The rest, the longest in point of mileage held in this country, was between Paul Goldsborough, vice-president, sitting in his St. Louis office and one of the company's planes flying over New York City.
The plane's operator established contact by radio with the Bell telephone laboratory at Whippany, N. J., from where the call was relayed by land lines in regular manner.
