LOS ANGELES HOLDING LEAD BY HALF GAME

Ducks and Stars Fight For Second Place

(By the Associated Press)

The plucky Los Angeles Angels, who fought their way to the top of the Pacific coast league through a maze of difficulties in the second half of the 1929 season, clung desperately to a half game lead over the rest of the pack today.

However, the other clubs, clear down to the Mission Reds of San Francisco were close on the heels of the fleet-footed, hard hitting Angels. The Hollywood Stars and the Portland Ducks were fighting in a tie for second place, and only half a game behind them stood the San Francisco Seals, with the Reds straggling half a game back.

Los Angeles won from the Seattle Indians yesterday on the latter's home grounds by a 2 to 1 score. Walsh allowed the Indians to bunch three hits for one tally in the second inning, but blanked the Redskins from then on in a game replete with thrills. Walsh stopped threatened rallies in both the eighth and ninth when the Seattle team nearly tied the score.

The Portland Ducks made it 12 straight wins by doubling San Francisco 5 to 2. Wallace Walters, whose regular post is at third base, hurried for Portland while Jack Knight, ex-Duck man, held his former team mates to two runs until the fifth when an explosive rally culminating in Walters' double brought in five more.

WALLA WALLAN GETS NOD OVER ABERDEEN BOY

HOQUIAM, Wash., Aug. 24. (AP)—Tommy Gardner, Walla Walla, Pacific northwest bantamweight, was given a decision here last night over Joe Calder, Aberdeen, Philippi, at the end of a slashing 6-round main event. The first four rounds were even but Gardner took the last two.

Both boxers put up a good fight, Calder giving Gardner a tough battle at times.

Jimmy Dalton of Portland and Tiger Jensen of Aberdeen, middleweights, fought a 6-round draw in the semi-final.

A bad beating was given Young Delaney of Walla Walla by Sammy Feldman of Aberdeen, 127 pounds, in a 4-round match.

AFTER NEW RECORD
CHICAGO, Aug. 24. (AP)—The airplane "Chicago-We Will" which took off at 11:31 a. m. (C. E. T.) yesterday on an endurance flight to seek the world's record, now held by the "St. Louis Robin" was soaring over the Sky Harbor airport early today with every indication that all was well with the pilots, C. E. Steele and Russell Moorman. They made two previous attempts but landed each time after less than four hours of flying. Wilson Herren, who accompanied the other two on the previous flights, lost the flip of a coin and yesterday was left on the ground.

MRS. REED WINNER
PORTLAND, Aug. 24. (AP)—Mrs. Kenneth S. Reed, Waverly Country club champion yesterday defeated Mrs. B. E. Eva, Oregon State champion, 5 and 4 in the final 36-hole match of the Oregon Women's Golf association at the Portland Golf club. Mrs. Reed overcame a three-hole advantage to win. At the end of the morning round she was one up on the title holder and was never threatened during the afternoon round.

TILDEN WINS TROPHY
NEWPORT, R. I., Aug. 24. (AP)—William T. "Big Bill" Tilden, defeated George M. Lott, Jr., of Chicago, third ranking American tennis star, in the final match of the 13th Newport Casino invitation tennis tournament here today. The scores were 6-3, 6-4, 5-7, 6-3. The victory gave Tilden permanent possession of the Cushman trophy as a result of previous wins in 1928 and 1927.

Takes Big Divots As Game Improves

By AL DEMAREE
(Former Pitcher N. Y. Giants)

Bob MacDonald tells me of an old Scotch caddie who had been following a duffer all day who asked him what club to use on every shot.

He finally lost patience and when the duffer asked him once too often—"What will I do now, caddie?" He answered: "Take the five fifteen back to Edinburgh, Sir."

Harold Johnson, pro at Sunset Ridge, Ill., said he was once putting out on a blind green, when he noticed a ball come over the hill and trickle into the cup.

Thinking some member had made a "hole in one" he yelled congratulations to him.

"Hooway," shouted the member as he saw his ball in the cup. "I've made a five!"

SPOKANE SCENE OF BAD BLAZE

SPOKANE, Wash., Aug. 24. (AP)—A mass of glowing embers covering damages estimated variously from \$350,000 to \$500,000, was all that remained today of a dozen dwelling houses, an apartment building, a sanitarium and the storage and fuel yard of the McGoldrick Lumber company.

The fire started early last night in a lumber pile and soon was whipped into a conflagration of a gale-like wind.

Every piece of fire fighting equipment, but five, held for emergency blazes in other parts of the city, together with a pumper from Coeur D'Alene, Idaho, manned by firemen from both shifts, fought the blaze for six hours before it was brought under control.

Industrial property, including factories and warehouses, worth several million dollars were menaced.

Three firemen were treated in hospitals for injuries. Captain N. Wallace, overcome twice by flames, was in a critical condition. The other two suffered only minor hurts.

Twenty patients in the Payne Sanitarium, razed soon after the fire started, were taken from their beds just as the first tongue of flame was licking the sides of the building. Children in an orphanage were taken to safety, but a shift in the wind saved the building. The mother of a 12 year old child, frantic when she thought the lad was still in the apartment house, rushed into the flaming building after him and was carried to safety by a policeman and two bystanders. The boy was not in the building.

The flames leaped several hundred feet high, attracting thousands of pedestrians and automobilists, not only from the city but surrounding towns, causing great traffic jams.

The cause of the fire had not been determined today.

Athletics Continue Losing Streak with Four in Row

BY WILLIAM J. CHIPMAN
Associated Press Sports Writer

The Cubs approached the end of their final eastern invasion yesterday by blasting another victory from the Phillies, this time with an artistic home run barrage in the park which really gave birth to the modern four-base epidemic. Hack Wilson's thirty-third, with two on in the sixth; Roger Hornsby's twenty-eighth, with one on in the seventh; and Zach Taylor's first, with the bases empty in the eighth, enabled the Cubs to win by 4 to 1—and incidentally add half a game to their lead, in case any one still feels it necessary to measure the margin of the clan McCarthy.

Wilson's drive not only smashed a scoreless tie and gave the Cubs their ultimate winning edge, but also lifted the stocky Chicago outfielder into a tie with Babe Ruth and Chuck Klein for the interleague home run leadership.

Bob Smith hurled the Braves to a 5 to 3 victory over the Cardinals at Boston yesterday despite a home run by his pitching rival, Jess Haines, moisture in the box office again caused the Giants and the Robins to decide upon a day of idleness followed by one of double action for one price.

Having run a losing streak to three straight games, a season's record for their club, the Athletics added another to their string yesterday just to prove there was no fluke about it. Hal McKain, young Chicago right-hander, came to the front with a five-hit game as the White Sox pounded old Jack Quinn just hard enough to win by 5 to 1. The A's were shut out until the ninth.

In losing to the Browns by 5 to 0 at St. Louis, the Yankees created a record for the season. George Blaeholder allowed only three hits until the ninth when two infield 2-ratches swelled the Huggman's total to five. Herb Penneck was the victim of a bad break in the fourth when the only error either side committed, a wide throw by Lazzeri, paved the way for four runs.

RUTH ELDER TO WED CAMP, JR.

WICHITA, Kas., Aug. 24. (AP)—"Yes, it's true," Ruth Elder, Atlantic filer and movie star, told the Associated Press today when informed of a report that she was engaged to marry Walter Camp, Jr., son of the late football mentor.

Miss Elder is waiting the hope-off for Kansas City, in the National women's air derby Santa Monica to Cleveland, scheduled for 9 o'clock this morning.

Miss Elder said she "had expected to hear something about this this morning."

Declaring she was "not prepared to announce when the marriage would take place," she said: "Mr. Camp is on his way to New York now. I will go there from Cleveland to meet him at the conclusion of the derby."

"I wish you would say this for me: three of our purported announcements that I was engaged recently were absolutely without foundation."

"This time it is the real thing."

Camp, who is president of Inspiration Pictures, Inc., Los Angeles is enroute to New York to make arrangements for the wedding.

So long as your fire insurance falls short of full coverage, you are uninsured to the extent of the difference between the amount of your policy and the value of your property.

And every increase in the worth of your holdings adds just that much to your under-insurance.

Why not let the insurance company carry all the risk and relieve you of all the responsibility and concern?

We will be glad to assist you in getting full coverage on the most economical basis.
