We Need  
**EXTRA HELP**

Of course we prefer experienced help, but if you know you can handle hardware apply at the store at once—do not phone. We still needed more help when this ad went to press.

#### No Goods Sold to Dealers

We reserve the right to limit quantities because we cannot replace this merchandise. And—this sale is for the Public and not for Dealers' supply. No Dealers will be supplied, so do not ask.

#### A Young Army of Extra Help

We have left no stone unturned to handle the immense crowds that will be in attendance.

#### Please Carry Small Packages

Because of the tremendous business to be transacted it is necessary to ask your indulgence on deliveries. Our delivery system will be quickly swamped.

#### See Our Show Windows

Our show windows are now ready for your inspection. Even our large windows are not nearly adequate to show all the Big Bargains.

**The Circulars Are Being Distributed to  
Every Home in Klamath County  
and Surrounding Country**

Read every item, check off what you need and bring along the circular for a shopping list

#### This Sale Is Store-Wide

Not an article has been missed in putting on the tickets with the sale prices. The original tag has been left on so you can see the actual amount that you save.

#### Mammoth Savings Throughout

Even this Big Opening advertising cannot begin to tell all the story about the Store-Wide Cut Prices. Be sure to keep your eye out for the Price Tickets throughout the store. This ad is only an inkling of the savings to be had.

#### Be Indulgent—Be Patient—Be Happy

We will do all in our power to serve you as quickly as possible.
