HARD FIGHTING DUCKS STOPPED BY ANGEL CREW

March Towards Pennant Stopped By Hard Slugging.

(By the Associated Press) With the series for the week evenly divided at one game each, Portland and Los Angeles today were waging a crucial battle for the Pacific coast league lead. Meanwhile, the southerners held the luck of the Ducklings by interrupting their string of 16 consecutive victories, and thus advancing to within a single game of the league leadership now held by the northern club.

The Angels yesterday won from the Portland team 8 to 3 on the latter's playground. It seemed that Portland's pitching crew finally succumbed to the heavy slugging from the south. Red Roberts hurled good ball for the Angels, but Fullerton of the Ducks was hard hit, and in five innings allowed a three-run lead. Chesterfield, who relieved Fullerton, was nicked for four runs and four hits in the seventh, and Casarola let the visitors add another in the ninth.

San Francisco fans saw the Mission Reds defeat the Oakland Oaks 5 to 4 at Recreation park. It was a lucky seventh inning for the home team which walloped out two hits to make both count for runs. The Oaks barked only one run and a single hit in the same inning.

Kalilo kept San Francisco's nine hits scattered while his Indian team mates at Seattle were bunching safeties in the first, third, and eighth innings to win the second baseball game of the series by a 4 to 2 score. San Francisco's tallies came in the fifth and sixth when Crossett and Jolley hit homers.

GEORGES BUYS NEW PROBOSCIS

HOLLYWOOD, Cal., Aug. 29. (AP)—Although Georges Carpentier of France, former boxer of renown, has been a member of the film colony here virtually since he retired from the ring, he doesn't believe his friends will recognize him today. The reason: He has a new nose.

A plastic surgeon removed the bandages last night. In explaining his reasons for wanting a new model proboscis, Carpentier said, "When some 200 prize ring opponents work on your beak—why the old beak is bound to deteriorate to a point of disadvantage in the pictures." He said he traded part of an ear in on a Grecian profile.

PADDOCK ENGAGED CLEVELAND, Aug. 29. (AP) Charlie Paddock, sprinter, and Miss Madeline Luberty of New York, today announced their intentions to marry "some time soon." They met in Honolulu in 1922 when Paddock was running in an athletic meet. She is 21, and lives with her parents in New York.

Shires Emulates Masters of Quid

By AL DEMAREE (Former Pitcher N. Y. Giants) Arthur Shires, who has dubbed himself "The Great Shires," is trying to emulate some of the great "clowns" of the past, and is making a good job of it.

"Babe Ruth is good, too," is his slogan. Besides being a real clown, Shires is a worthy modern exponent of the tobacco chewing athlete who used to be very numerous in the old days.

Frank Bowerman, the old Giant catcher, was the champion "eating tobacco" ball player of them all, I believe. The sight of a freshly laundered white uniform seemed to infuriate Bowerman, and brought forth all his artistic manipulation of the weed. Any athlete within ten feet of him on the bench was sprayed from head to foot with the juice of Bowerman's gigantic quid.

PELICANS PLAY LAKEVIEW NEXT

On account of the Klamath county fair this week end, the game announced between the Pelicans and the McCloud baseball team for Sunday afternoon has been called off. The Pelicans will rest this week end and prepare for an invasion of Lakeview next week end, where they are scheduled to play three games, one on Saturday, September 7 and two on Sunday, the 8th.

Manager Jimmie Mann has arranged a schedule which will extend through September and will give baseball followers of this part of the state some hot games. On September the Pelicans meet Medford again. Medford promises to reverse the standing of the two teams for at that time there will be a quartet of American league players fishing on the Rogue and the Medford management is positive these men will be in their line-up. This suits the Pelicans for they want all the hot opposition they can get. It has not been definitely settled whether the game will be played at Medford or Klamath Falls.

On the 21st the Pelicans will travel to Fort Bidwell, California for a double header with the champions of the north California league. The Pelican manager is trying to arrange a three-game series with the Bend champions, and there is still the McCloud game to dispose of. An offer from Burns to play a three-game series there during the Round-Up was rejected in favor of the Lakeview trip, the boys feeling that Burns was a little too distant for a profitable trip.

The following lineup will play the schedule: Lant, third base; Fuller, shortstop; Smith, second base; Williams, center field; Peterson, first base; Mann, catcher; H. Means, left field; Ellis, right field; Beck and Al Means, pitchers.

POLO GROUNDS WILL BE FILLED

NEW YORK, Aug. 29. (AP) If anything is lacking to make tonight's battle at the Polo grounds between Kid Chocolate of Cuba and Al Singer of the Bronx a great attraction, the fans have not found it. With the promise before them of two natural fighters meeting in the year's "natural" of fights, they have been waiting no time in getting to the box offices for seats as close as possible to the center of action.

The early estimates were that about 50,000 of the fight faithful would pay something in the neighborhood of \$200,000 for the privilege of witnessing the battle between the clever Cuban and the New York slugger. The prospect of a last minute rush tonight unless bad weather comes along to change the matter has kept the figures rising steadily. The streak of brown lightning from Cuba is not expected to weigh more than 124 pounds while Singer from his training camp under the limit set of 123 3/4 pounds.

The battle is scheduled to go 12 rounds, starting at 10 p. m., eastern daylight time.

Pirates Prove to Be Very Much Alive Against Cubs

(By WILLIAM J. CHIPMAN) (Associated Press Sports Writer) The demise of the Pirates was prematurely announced, according to no less an authority than Joseph V. McCarthy himself. The keeper of the Cubs takes oath that the Buccaneers not only were alive as recently as yesterday afternoon, but also were raiding the country in and about Forbes field where it was unsafe for peaceable folk to go about their business.

The Bruin band tripped into Pittsburgh yesterday faced by the purely routine task of going through with five games of ball against a foe already fallen. The surprise of the invaders knew no bounds when the home defenders took not one decision but two in the dual skirmish which marked the opening of this happy party. While this double dent put into Bruin lines can hardly be said to have restored the Pirates to the dignity of contenders, the fact remains that the Cubs themselves are headed nowhere in the general direction of a 21-game lead which seemed not improbable just 24 hours ago. The men of McCarthy still lead by 1 1/2 games and rate as coming champions, but the mathematical certainty is at least a bit further away.

Playing their first game under the management of Jewel Eas, successor to Donie Bush, the Pirates lapped Perce Malone for 14 hits and 10 runs in seven innings to win by 10 to 3 after Kiki Cuyler's home had given the Cubs a 3 to 1 lead over Burtleigh Grimes in the third. Nine of the runs were earned.

The Cubs dashed into a lead of 6 to 3 in the seventh round of the nightcap in Rogers Hornsby's 30th home run, and order seemed to be restored. In the home half, however, the Pirates assaulted Ken Penner, the Hoosier recruit, for three runs, and continued the bombardment in the eighth for two more to win by 7 to 6.

Connie Mack righted the fortunes of the Athletics once more, but he had to call upon Bob Grove to clinch a 9 to 7 decision over the Yankees at the stadium on the Harlem. Walberg and Quinn had been roughly used and Eddie Rommel had been removed for a pinch batsman after one good inning. Grove got nothing but the exercise as the game was won by a five-run rally in the seventh before he entered it, forcing the credit upon Rommel. After several brilliant if losing

games, Roy Sherid was hammered into a state of helplessness and three succeeding Yankee pitchers fared little better. Babe Ruth returned after a lay-off of part of one game, and hammered out his 36th home run, increasing his lead. Gehrig hit his 28th and Lyn Lary his fourth. The victory gave the American league leaders an even division of the two engagements in New York, and restored their margin to 1 1/2 games.

The Senators rallied at the end to defeat the Red Sox by 7 to 4 in the second final game of the short series in Washington. Walter Johnson's men took both. The four remaining American league clubs were idle.

EXPECT RECORD CHICAGO, Aug. 29. (AP)—The "Chicago-We Will" endurance flight record seekers dived along through the murk of early day with 13 hours of continuous flying to their credit. That was at 6:31 o'clock this morning. The fliers dropped a note last night congratulating the Graf Zeppelin for its record flight and adding, "but we expect to make one ourselves pretty soon."

LABOR FAVORS HIGHWAYS AND TEXTBOOK BILL

TILLAMOOK, Aug. 29. (AP)—The Oregon State Federation of Labor, in annual session here, today recommended the early passage of the Roosevelt highway and received telegrams from labor organizations at Medford, Salem and Astoria urging the next convention be held in those cities.

A resolution pertaining to the Roosevelt highway was drawn up and will be presented to the state highway commission.

Support of the income tax bill which will be on the ballot in 1930 was recommended in an motion endorsing a single tax pro-duction aroused a storm of opposition on the floor.

The federation voted to urge congress to restrict immigration from the Philippine islands to

this country and also decided to ask congress to restrict immigration from Mexico. Other plans lauded by resolutions were: Free textbook bill, amendment to the child labor laws, increase in salary of the state labor commissioner, improved wage collection laws and restriction of the policy of issuing injunctions in restraint of labor union activities.
