Head and Shoulders Above Any Sale You Ever Saw!!

BALDWIN'S are broadcasting a message of savings so important you dare not ignore this appeal to your sense of economy. Klamath Falls' largest Hardware and Implement store unloads to affect an inventory adjustment in every department, and some lines are being closed out to replace with new lines. Such under-pricing of quality merchandise is hard to believe, but it is a fact—as we are leaders in our line in Klamath Falls, so now we are leaders in low prices and big savings for the community that has made us a great store.
