CLEGHORN AND BENNETT OPEN BOXING SEASON

A great card is being arranged for the fans by "Tex" Bickerstaff, matchmaker for the Klamath Falls boxing commission. To open the fall boxing show, "Tex" has matched Cleghorn and Bennett, two of the cleverest middleweights on the coast.

These two milt artists are the type of fighters that have the fans standing on their feet when they start mixing, as both boys show their best when they are trading punches. Both are heavy hitters, and a KO can be looked forward to.

Cleghorn is well known all over the coast, having met the best middleweights in the country. He is in great shape, having gone through a strenuous series of training, and tipping the scales at 151, three pounds above his best fighting weight. His manager, Ernie Olson, is slowly having him get down to 155, and predicts the fall fans will see a fighting Indian who has one thought in mind—to put Bennett to sleep in five or six rounds.

This Bennett is about the toughest boy of his weight around San Francisco. Of Italian birth, he is loved by all in the Italian quarters. He is the type of a fighter that fans love to see in action. A slugger with a fighting heart, only 23 years old, he has been boxing four years. In the last six bouts he had KOed three opponents and won the other three by decisions. When he hits the canvas in a bout that is where he shows his fighting heart by getting up and carrying the scrap to his opponent. Tim McGrath, nationally known trainer, is managing Bennett, and says the local fans will see some "boy" when his protegee faces Cleghorn Friday evening.

Eddie Graham, the speed ball king of Portland, arrived today and Tex is scouting for a worthy opponent for this clever chap. Eddie stole the show in Portland three weeks ago when he beat young Feldman in a great bout.

18-Hole Match Tough for Bobby

By AL DEMAREE (Former Pitcher N. Y. Giants)

Bobby Jones and a hundred odd opponents get under way Monday at Pebble Beach, Calif., for the National Amateur championship.

If Jones does not repeat this year it will be because of his attitude toward 18-hole matches. He has a great fear of the shorter route, even against unknown players, and it sometimes hurts his game. He has had a number of narrow escapes in the short matches in the past, and if he is put out this year it will be in one of the early rounds when his inferiority complex toward 18 hole matches is working.

Bill Melhorn developed a fear of short holes for a while that cost him several tournaments.

COAST HIGHWAY UP TO DOUGLAS

PORTLAND, Ore., Aug. 31. (AP)—The highway commission late yesterday notified Douglas county that if that county is disposed to participate in the cost of construction of the eight miles of the Oregon Coast highway in that county, the commission is prepared to proceed with the project.

Douglas county commissioners said at a meeting of the commission yesterday, had shown no disposition to cooperate in the construction of the highway while Clatsop, Tillamook, Lincoln, Coos, Curry and Lane counties have all contributed.

Douglas Strip Unfinished.

The unfinished gap in the highway, commissioners said, lies in Douglas and Lane counties with about three miles in Lincoln. It was said the work has progressed to a point where most of the grading will cost about \$100,000 per mile.

The commission announced it would receive bids at the September meeting for one and one-half miles of work south of Glenada on the Coast highway.

Clatsop county indicated it was willing to acquire a right of way for a new highway between Oregon City and the Multnomah county line, and the commission declared it had secured federal aid, representing 61 per cent of the cost for such a road.

Columbia county made application for a market road from Rainier to Aplary which was allowed by the commission. The road will cost about \$200,000.

The Stiuslaw road, another big project which has caught the attention of the commission, was thoroughly discussed in this project and the county has acquired the right-of-way, but the Southern Pacific legal department wants the highway commission to provide a bond since the rail road must move its tracks.

Included in new projects advertised for September were widening and resurfacing of the Pacific highway from 16 to 26 feet from Medford to Phoenix and the grading of the Horse Ridge section of the Central Oregon highway east of Bend. Road work aggregating \$632,330 was awarded while contracts totaling \$59,583 were held up temporarily pending approval of federal aid or investigation of material to be used.

Resolutions were received from McMinnville and Astoria asking the commission to issue \$1,000,000 of road bonds a year for three years for use on the Oregon coast highway. The resolution was filled without comment.

Contract Awarded.

Klamath county-Dairy-Bly Mountain-Bonanza section, 21.1 miles surfacing, Joslin and McAllister, \$114,505, awarded.

PORTLAND WINS SLUGGING BOUT AND HOLDS TOP

Angels Work Hard to Up-set Lead of Ducks.

(By the Associated Press)

The Portland Ducks, foremost contenders these last few weeks for the second half pennant of the 1929 season, once more claimed the Pacific Coast League lead today, with a one game margin over the second place Los Angeles Angels, their rivals this week.

The battle the Ducks won yesterday from the Angels was a slugger match from start to finish. Portland batted 17 hits and won by a score of 12 to 7. The Angels' 11 five hurlers, and the Ducks two. The northern team smashed out a 6 to 1 lead in the first inning off Barfoot and Piltz, battering out two more in the second, but the Angels pared down the lead to three by the sixth inning.

Hollywood hit Sacramento's pitchers hard, but the Senators came back stronger and won a 10 to 9 victory. It was a free for all slugfest at Wrigley Field, Los Angeles.

San Francisco's Seals took a 7 to 4 win from the Indians at Seattle, with Curt Davis doing the mounding honors in the final frame after the great Mails had failed to stop the northwesterners with a seven-run lead. Mails' first trouble came in the eighth inning, when he was hit for four tallies. Skipper Williams yanked him when the first two Indians up in the ninth binged to get on base.

Oakland nosed out the Missions in a tight game at Recreation Park, 3 to 0. The Oaks reached Reuther for tallies in the sixth and seventh frames, although the veteran left hander was stingy with his hits. He allowed six hits, one a home run by Fenton.

Bruins' Lead Threatened by Pirates' Heavy Attack

(By WILLIAM J. CHIPMAN) (Associated Press Sports Writer)

The Cubs almost certainly will become champions of the National League within the next month, but they never can be champions of the Pirates of 1929. The Pirates attended to this small detail in person at Forbes field yesterday when they took Mr. Guy Bush and the Bruins by the convincing score of 15 to 9 for the 12th Pittsburgh victory over Chicago this season and the fourth in three days. The Cubs have won only eight games from the Buccaneers, with two more to go, one today in Pittsburgh and one on the final day of the season in Chicago.

Burling Grimes was groomed to meet Sheriff Fred Blake this afternoon in the final game of the current series which the Cubs looked upon so lightly. Four straight Pittsburgh victories have reduced the Chicago lead only from 14 1/2 games to ten and one-half, but another success for the arms of Dreyfuss today would give Joe McCarthy good reason to worry. It seems impossible that such a lead could be blown, but the moral effect of a fifth straight reverse upon the Cubs might leave them easy prey for succeeding foes.

The melee at Forbes field yesterday marked the fourth defeat of the season for Guy Bush, for whom the Pirates impudently refused to show any respect whatsoever.

Unawed by Bush's 1 victory, the cruel Corsairs assured him as early as the fourth inning that he would have to wait for his 19th. By that time Bush had been driven to cover by a barrage of ten hits and eight earned runs, and Art Nehg had come out to absorb the rest of the beating, which totaled 21 safeties.

Carl Hubbell got a bad break when a tumble by Travis Jackson in the tenth inning at Ebbets field caused him to drop a 3 to 1 decision to Dazzy Vance and the Robbies, but then, the Giants were fortunate in a way that the tenth inning was played at all. They got only four hits off the dazzer, but one of these was a drive by Fred Leach to the top of the right field wall.

Chuck Klein's 31th home run sent him into the National league lead over Hack Wilson and Mel-

KEATING GETS WRIGLEY CASH

TORONTO, Ont., Aug. 31. (A.P.)—Conqueror of Lake Ontario's ice waters and of 237 rivals as well, Edward F. Keating of New York, was satisfied today for he had evened an old score with Ernest Vierkoetter, German biker now living in Toronto.

Victory in the fourth annual Wrigley 15-mile swimming marathon here yesterday netted Keating a cash award of \$25,000 but he seemed to take more satisfaction out of the fact that he had forced Vierkoetter to be content with second place and \$5,000.

There has been bad feeling between Keating and Vierkoetter ever since 1927 when the German charged Keating had been "towed" by his escorting boat in the Lake George swim that year.

Keating's first question as he clambered out of the water at the end of yesterday's 15-mile grind was: "Where is Vierkoetter?"

Assured that the German was far behind, Keating smiled. Later he expressed the hope that Vierkoetter would "apologize for what he said about the Lake George swim."

WOMAN DROWNS; HUSBAND HURT

COLORADO SPRINGS, Aug. 31. (AP)—Mrs. Bertha F. Emery, was drowned and her husband seriously injured early today when the Ute Pass club dam, 18 miles west of here, went out.

All of the buildings in the Colorado cabin settlement, near the dam were destroyed when a wall of water from the dam swept down the valley and spread out over the territory.

MERRILL FARM YIELDS HEAVY

MERRILL, Aug. 31. (Special)

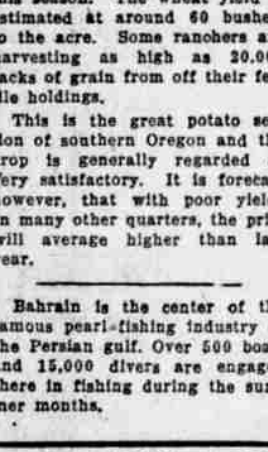

Both grain crops and potatoes are good in this section again this season. The wheat yield is estimated at around 60 bushels to the acre. Some ranchers are harvesting as high as 20,000 sacks of grain from off their fertile holdings.

This is the great potato section of southern Oregon and the crop is generally regarded as very satisfactory. It is forecast however, that with poor yields in many other quarters, the price will average higher than last year.

Bahrain is the center of the famous pearl-fishing industry of the Persian gulf. Over 500 boats and 15,000 divers are engaged there in fishing during the summer months.

County Fair Grounds
Under Auspices of K. G. Club

Shooting starts at 10 o'clock Saturday, Sunday and Monday mornings. Open to all. Game hunters especially invited to try their skill.

Special events, 100 birds, Sunday and Monday for the championship of the county. Winner will be given a beautiful sterling silver cup.

The Situation: A ball is played down the fairway, and in slicing off to the edge of the rough accidentally hits a workman or spectator then rolls out on to the fairway, giving the player a good lie. Does the player play the ball from its lie or must he drop it at a point where it hit the person?

The Rule is: If any agency outside of a match stops or deflects a ball in motion, the ball shall be played from where it lies.
