HOLLYWOOD HAS FIRMER GRASP ON COAST FLAG

Portland Drops Game to Seals, Going Back to Third.

(By the Associated Press)
Hollywood was further ahead of the Pacific Coast league park today, with pennant chances shining brightly for Oscar Vitt's boys. As a result of the second triumph this week of the southerners over the luckless Oakland Oaks.

The southern team defeated the Oaks at Emeryville yesterday by a score of 6 to 4. A ninth-inning rally at the expense of Jeffcoat brought victory to the Stars. Jeffcoat had replaced Lou McEvoy and immediately found himself in trouble. Shellenbach pitched for Hollywood, and shelled the Acorns with fast ones that gave them only nine hits.

San Francisco's Seals defeated the Portland Ducks, who ended the last series in the north in first place, but today occupied third. The game at Recreation park ended 12 to 11. It was a great day for Gusie Suhr, the famous Coast league slugger. He drove in six runs on five hits, two of them homers.

Los Angeles defeated a makeshift Seattle team at Wrigley field, Los Angeles, by a 9-to-4 score. Because most of the Indian regulars missed a train at Portland, Manager Ernie Johnson threw in a substitute lineup. Clyde Barfoot and George pitched nine innings of scoreless ball. However, the Indians broke the spell by scoring one in the sixth. Earl Webb and Ray Jacobs hit for the circuit for the southern team.

The Mission Reds and the Sacramento Senators struggled through an 11-inning contest in the California capital. It was a pitchers' battle that finally ended 4 to 3 in favor of the Mission. Herb McQuaid trimmed "Pudgy" Gould to take the margin with his mound work. Flynn was pulled out in the third by the Senators and after that Gould and McQuaid fought to a finish.

Even though the Cubs won only one of their games against the Cardinals at St. Louis yesterday, Joseph McCarthy advanced two notches nearer a mathematical stranglehold upon the National league championship. The Pirates were considered enough to permit the Reds to cavort off with a 5-to-4 decision in Cincinnati, leaving the Bruins in need of just 14 victories to win, even if the Buccaneers should sweep the rest of their schedule.

The Cubs missed a chance to score a double victory in St. Louis only through a six-run explosion personally engineered by young Kenneth Penner in the eighth inning of the first game. Penner had followed Bush and Neft into the box and was in possession of a 3-to-3 tie when the Cardinals came to bat in the eighth to pound out a 14-to-3 decision. The Cubs won the nightcap by 8 to 3.

The immediate decisions of the Phillies against fifth place were frustrated by the Robins, who made off with both decisions in a double-header at Baker bowl by scores of 4 to 3 and 9 to 7, the second a 10-inning slugfest.

Darry Vance outpointed Harry Smythe in the opener, giving the Asheville southpaw his first defeat after three straight victories. Smythe also finished the second game after it already had been lost. Don Hurst for the Phils and Val Pinedich for the Robins hit homers. The double triumph gave the Robins a lead of two and one-half games over the Phils for the top place in the second division.

Larry Benton's pass to George Sisler with the bases full of Braves in the 10th gave the Bostonians an 8-to-7 decision over the Giants at the Polo grounds after Melvin Ott's homer had tied the score in the ninth.

Ray Kolp rushed to the aid of Eppa Rixey in the Pirate game at Cincinnati and got credit for the victory. Rixey had not pitched the requisite number of innings—which is five in the National league—to win the game. Maine went the route for the Pirates, pitching fine ball after yielding five runs in the third.

The race for third place in the American league remained close, with Cleveland one and one-half games ahead of St. Louis. Wesley Ferrell pitched the Indians to a 7-to-2 victory over the Tigers, and Johnny Ogden brought the Browns home ahead of the White Sox by the same score. It was Ferrell's 17th victory.

The Red Sox closed their series at home against Washington with a 5-to-1 victory.

FISH PLANTINGS

Plantings of fish made by the state game commission during the last week were as follows: Rogue river, 45,000 steelhead; Butte creek, Jackson county, 50,000 steelhead; Big Lava lake, Deschutes county, 20,000 eastern brook; South Twin lake, Deschutes county, 10,000 eastern brook; Paulina lake, Deschutes county, 10,000 eastern brook; Seven Mile creek, Klamath county, 20,000 eastern brook. Cat fish taken from the Columbia slough to the number of 15,000 were shipped to Devil's lake in Lincoln county and 20,000 bass, crappies and cat fish were sent to Smith lake in Clatsop county. The department's "fish pullman" is now in central Oregon distributing fish from the Fall river hatchery. More than a million trout will be planted from this hatchery during this week and next.

DUNN OFFERS SILVER CUP

C. A. Dunn, director of the chamber of commerce and former football star at Oregon State college, has offered a silver trophy to the grammar school in Klamath Falls playing the best game of football this season.

The school retaining possession from year to year, three consecutive years in all, to claim the cup.

HOPE FOR NO DELAY

Game officials are hopeful that it will not be necessary to postpone the opening of deer hunting season from September 15, as was the case last year. In 1928 as a precautionary measure against the spread of forest fires Governor Patterson caused the opening date to be postponed for several days. It is believed that weather conditions will not make this procedure necessary this season. Oregon has so far suffered no great losses, this season, from forest fires.

WANT UNIFORM LIMIT

Authorities of 11 western states are in agreement on the proposal to make a uniform bag limit of 15 wild ducks, according to Harold Clifford, state game warden, who has returned from a convention of game officials held in San Francisco. During the last session of the legislature the law was changed so as to make it illegal to kill more than 15 ducks a day or 20 during a week. Game officials are of the opinion that there should be a uniformity of duck protective laws in all states of the Rocky mountains.

GOLDEN BEARS APPEAR READY FOR COMEBACK

BERKELEY, Calif., Sept. 5. (AP)—Back up at the top again after a football famine that saw them driven to the depths of defeat and disappointment, California's Golden Bears this season begin their gridiron tasks with early prospects of being powerful contenders for both coast conference and inter-sectional honors.

Little if any change in California's football fundamentals—a strong defensive system—is expected. For the past eight years the teams have been coached to kick and wait for the breaks. Those close to Coach C. M. "Nibs" Price, however, believe he will try this season to develop a faster and more thorough offense, chiefly because of the new rule which makes a

fumble dead when recovered by the defense.

A tough coast schedule is made considerably more difficult because of an inter-sectional game with Pennsylvania in mid-season. After meeting St. Mary's, Santa Clara and Washington State on successive week-ends, the Bears will journey to Philadelphia for a contest with the Quaker eleven, October 19. It will be the first time a coast football team has played a game on the Atlantic seaboard in mid-season.

Once upon a time a newspaper published a scathing denunciation of city council because the ladies were catching their skirts on loose nails in the sidewalks.
