PIONEERS YESTERDAY

And Still in the Vanguard Today!

FORTY years ago Klamath Falls was little more than a name—Today the city blazing the pioneer's trail, passed through successive and successful stages of interesting and intense development until it has become a real factor in making this community known far outside its own environs.

THE Advertisers whose signatures appear below are steadfast in their definite policy of making this city one of the foremost in the State of Oregon. Klamath Falls, true to its ideal, will continue to reward its merchants with its patronage.
