CUBS LOOK FOR EASY BREAK IN PENNANT RACE

Need Only Eight Wins to Cinch Hold on Fi g

By The Associated Press
Joe McCarthy's Chicago Cubs set forth today in quest of eight more victories, all they need to clinch the 1929 National league pennant.

As the situation stood today the Cubs, by winning eight of their remaining games, would wind up with a record of 93 victories and 54 defeats. Pittsburgh, by winning all of its 21 remaining games would finish with 84 victories and 56 defeats, the difference being that two Chicago games with St. Louis have been washed permanently off the schedule. Every Pittsburgh defeat from now on of course, will make the Cubs' already easy task that much easier.

The two leaders each chalked up victories yesterday, the Cubs noosing out Boston, 4 to 3, and Pittsburgh outslugging Brooklyn, 9 to 7.

A four run rally in the seventh gave the Pirates their hard fought triumph over Brooklyn. Rosell, a recruit from Wichita, drove in the tying run in the seventh and later scored a run that added to the Pirates' advantage. Ervin Bramble went the route for Pittsburgh, although he was reached for 14 hits.

The New York giants took two from Cincinnati, 6 to 4 and 10 to 4, in 5 innings. The Giants concentrated their attack on Adolph Luque in the second inning of the first game for four runs and then added two more off Ken Ash in the ninth.

The Phils bunched hits to down St. Louis, 9 to 3. Sweetland had only one bad inning, the second, when the Cards scored all their runs.

Danny Mac Fadden outpitched Jack Ogden and the Boston Red Sox beat the St. Louis Browns, 6 to 3. The game was scheduled as the first part of a double header but rain forced postponement of the second game.

In the only other American league game of the day, young Ed Walsh gave Washington only six hits and Chicago beat the Senators, 6-4. A three run White Sox rally in the seventh sent Sam Jones to the showers.

LUCK IS WITH "OLD MASTERS"

FOREST HILLS, N. Y., Sept. 10. (AP)—Luck has been kind to Big Bill Tilden and his "Man Friday," Francis T. Hunter, thus far in their pursuit of the national men's singles tennis championship.

The "Old Masters" take the court today for their third round matches after three solid days of rest. While such members of the younger generation as George Lott and Fritz Mercur underwent hard tests of their championship mettle yesterday, Big Bill was among the spectators and Hunter also enjoyed temporarily a noncombattant's role.

Hornsby Added a Spark to Bruins

By AL DEMAREE
(Former Pitcher New York Giants)

Rogers Hornsby is a perfect example of what one ball player can do for a ball club.

The Chicago Cubs, who will surely win the National league pennant, are almost identically the same team that finished third last year. In fact they are weaker since Gabby Hartnett, their star catcher, hasn't been able to catch a game this year because of a bad arm. But the addition of Hornsby has changed the Cubs from a vacillating, in and out team into a great team that has mowed down the opposition like a juggernaut.

The addition or lack of one outstanding star player can make or break a ball club.

Babe Ruth showed that when he joined the New York Yankees. From a chronic second division aggregation they leaped into a winner.

DUCKS RETREAT BEFORE HEAVY SEAL BARRAGE

Portland Again Nose Dives Towards Cellar

(By the Associated Press)
Double victories by the first place Hollywood Stars and the second place San Francisco Mission Reds had served today to quicken the pace in the Pacific league pennant race. The Stars have been in first place the greater part of the last ten days, and the Mission Reds have been hot on their heels.

The Stars cleaned up in their two games against the Oakland Oaks at Emeryville ball park, winning in the morning 4 to 2, and in the gloaming 6 to 5. Roy Carlyle and Johnny Verges dropped a couple over the fence in the morning affair to gain the two runs for the actors. Russ Arlett and Ernie Lombardi, also of the Oaks, hit for the circuit in the afternoon. Joe Marty, pitching for the Stars, won a mound duel from Pete Daglia in the closer.

Red Killefer's Missions trampled over the Sacramento Senators first at Stockton 6 to 4, and later at Sacramento 13 to 4, thus making up for the double defeat of the Mission Reds the day before. The matinee debacle was one of the most crushing disasters hung on the Senators in several seasons. The grand climax came in the seventh frame when the Missions scored 11 runs on as many hits at the expense of Gould, Flynn and Cano. The Reds had already scored eight runs off Lefty Vinc and Gould.

The Seals beat Portland twice and took the nine-game series with six wins and three defeats. The Seals won the morning game 7 to 3, and repeated the process in the afternoon by the same score.

Seattle and Los Angeles split the Admission day honors at Los Angeles. The Indians took the opener 8 to 5, and the Angels nailed the nightcap 5 to 3. The second game was called at the end of four innings to allow Seattle to catch a train. The first game was a home run duel, Steinecke and Falk driving in five of their runs by the same method.

MOB MALTREATS THREE MEN IN CAROLINA TOWN

CHARLOTTE, N. C., Sept. 10. (AP)—Exhibiting marks on their bodies as proof that they had been spirited away last night from Gastonia and beaten by an anti-communist mob, three men returned to Charlotte this morning.

The men, Ben Wells, textile mill organizer; C. M. Lell and D. C. Saylor, Gastonia strikers, said they had been taken to a lonely spot eight miles from Concord, N. C., where they had been lashed and then left to find their way back to civilization.

They were seized, they said, by the mob which formed in Gastonia yesterday after the trial of the labor leaders and strikers, charged with the murder of Police Chief O. F. Aderholt, had been declared a mistrial when a juror became insane.

The mob not only made a demonstration in Gastonia but also visited Charlotte and Bessemer City, gathering near the home of

Tom P. Jimison, defense attorney, in Charlotte.

Steam Is Sold Like Electricity

Steam, like electricity, gas and water, is sold on a meter basis. Unlike other utility products, however, it is generally metered in the form of water after, rather than before, it has been used. Metering has been found to be the most equitable method of determining charges—both for the consumer and the company.
