## PELICANS NAB HARD BATTLE FROM CAVEMEN

### After Slow Opening Locals Play Real Football

Aided by the great playing of Guido Robustelli, the Klamath High Pelicans came from behind to defeat Grants Pass, 19 to 12, Saturday afternoon on the Cave-men's field.

It was a thrilling and well-played game, with Klamath Falls finishing a brilliant offensive after a slow start.

In the first quarter the game was played in the Pelican territory, and a few minutes after the start, Holloway of Grants Pass took the ball over for a touch-down. Try for point was missed.

In the second quarter, Klamath's offensive began to function, and with Guido and Grov making long runs through the line and around the ends, a touch-down was pushed over with Guido carrying the gigskin. The try for a point was unsuccessful, and the half ended with the score tied at 6-6.

The Pelicans lost no time in the second half, and Guido soon went over for his second touch-down after the ball had been advanced on a series of long runs. On this march twice Guido took the ball for long gains, one of 25 yards and the other for 20.

Grants Pass' second touch-down was scored on the prettiest play of the game. Two lateral passes followed by a long forward pass resulted in a touchdown with Gillette running half the length of the field to score. They again missed the try for point.

The Pelican's last touchdown was scored in the fourth quarter, Hall, Grov and Robustelli alternated in taking the ball, and with the Pelican line opening big holes, the versatile Guido soon made another touchdown. Whitney converted with a drop kick.

Before the game about 50 telegrams were received from business men of Klamath Falls urging the boys to win, and this helped spur them on to victory.

The lineup:  
K. H. — G. P. —  
Smith — Harmon

## COOPER COMES FOR PORTLAND GOLF TOURNEY

PORTLAND, Ore., Oct. 28. (A P.)—The first on the nationally known golf professionals, due in Portland this week for the Oregon open championship which starts Thursday at Columbia country club unpacked his clubs here yesterday and today Harry Cooper, sometimes known as light horse Charlie, Buffalo, N. Y., was hitting his stride on practice rounds.

Cooper first caught the spotlight a few years ago when he won the Los Angeles \$10,000 open. At that time he was just one of the many golf professionals and came to Los Angeles from a club in Texas.

The best performance of yesterday's practice rounds was turned in by Nell Christian, Waverley country club professional and Pacific Northwest open champion. Christian toured Columbia in 70, two under par, which was considered real golf considering the champion-amateur and present holder of ship condition of the course.

Dr. O. F. Willing, Waverley the Oregon open title, tried his skill over Columbia and shot a 73.

## Rockne Rates Big Pullman Dividend

THIS OUGHTA READ—JOIN THE NOTRE DAME FOOT BALL TEAM AND SEE THE WORLD.

SO LONG, FOLKS—SEE YOU NEXT WEEK.

By AL DEMAREE (Former Pitcher N. Y. Giants) A young fellow with an adventurous and roving spirit doesn't have to join the Marines to see the world any more. All he has to do is make good on some college football team, particularly Notre Dame.

Rockne's team will spend most of their time in Mr. Pullman's portable boarding house, using upper and lower berths. There have been intercollegiate games before, but their 1929 football schedule must have been gotten up by the railroads.

Rockne expects to have a strong team but he admits that he will need from thirty to thirty-five first string players to get by. Any team has a tough schedule that has to scrimmage against the Navy, Wisconsin, Georgia Tech, Southern California, Army and Northwestern.

## BAKER OUT OF FOOTBALL FOR REST OF YEAR

PORTLAND, Oct. 28. (AP)—Reverberations were echoing up and down the state today as a result of the suspension of Baker high school from the Oregon State high school athletic association for the rest of the 1929 football season. Baker was suspended for alleged disregard of the "principles of good sportsmanship," and for alleged failure to "take ordinary precautions in the enforcement of eligibility rules." La Grande and Corvallis filed the protest.

It was whispered around here today that other high schools of the state might feel the weight of protest. But while the decision to bar Baker created great discussion, the state high school athletic board had no information that charges might be filed against any other school.

## STRONG SEMIS LINED UP FOR MEDFORD BOUT

McComber, Miske and Others to Appear November 4

According to word from Medford, "Tex" Bickelstaff is surely living up to his reputation for giving the fans their money's worth. In the coming bout at Medford on November 4, Tex has spared no expense in lining up a strong card to support the main event go between Gene O'Grady and K. O. White.

In the semi-final, two classy lightweight boxers, the Bend sensation, Billy Breedlove, and Teddy Miske of Southern California face each other. This Miske is being trained and managed by Bobbie Ross, a veteran boxer, who has met the best boys of his weight in his time. Miske is in the employ of the Templar Motors as a mechanic, and hopes to perform in Klamath Falls to show the fans here that he has championship ability. He has had 25 fights, losing on four decisions. The fans at Medford will see a great scrap when these two youngsters hook up.

K. O. McCumber, the pride of Dairy, has moved up to the special event class, when he faces the hard-hitting Spud Murphy of Northern Oregon.

Jack Breedlove, a boy who has boxed a double main event here, and always pleases, takes on Jack Bass, the slugger from Idaho.

The curtain raiser should be a wow. Young Sharkey and Sammy Bass. This bout has been brewing for the past month.

This looks like a big time card, good enough for any big city, and Tex should have a big house, not only of Medford fans, but admirers of fistiana from Klamath Falls as well.

## Battle Front Shifts South To Trojan-Bear Conflict

By RUSSEL J. NEWLAND Associated Press Sports Writer SAN FRANCISCO, Oct. 28. (A P.)—Football's main battle front shifts to the south next Saturday where southern California's Trojans and California's Bears, remaining undefeated eleven of the Pacific Coast conference, will fight it out for gridiron supremacy.

## Trojans Lead

Conquerors of Stanford, 7-0, last week and winner of four conference games, southern California can practically clinch the championship with a victory over California's Bears. The true strength of the Bears, however, has not yet been revealed. In their one conference test, they trounced Washington State, 14-0, and last week showed to advantage with a 21-19 triumph over the powerful Olympic club squad.

In non-conference encounters, Stanford meets California Tech and Washington takes on college of Puget Sound.

## ATTORNEY HANGS SELF

PORTLAND, Ore., Oct. 28. (A P.)—Financial worries were attributed as the motive for the suicide here of George W. Gearhart, 45, Portland attorney, who hanged himself to a rafter in the attic of his home.

## Snappy Action Marks Big Games

Bound for a touchdown was Harold Rose, Grinnell fullback (top picture), who bowled over four Marquette tacklers to dash across the goal line. Grinnell won, 9 to 7. In the center Jack Elder, Notre Dame's sprinting halfback, caught a forward pass from Carideo, quarter, to give the Irish a touchdown against the Navy at Baltimore. Notre Dame was the victor, 14 to 7. Below, a forward pass from Beryl Pollett, halfback, to Chalmers, end, for a 10-yard gain, failed to help New York University in her contest with Fordham. The latter team won, 26 to 0, in a great upset.

## HUDKINS AND WALKER MATCH FINISH FIGHT

One or Other Due For Decline After Tomorrow

LOS ANGELES, Oct. 28. (A P.)—With the rigorous training grind left behind, Mickey Walker, the champion, and Ace Hudkins, the contender, today marked time as they waited impatiently for the sound of the gong tomorrow night which will send them into the ten round battle for the middleweight title of the world.

The fight, to all intents and purposes, probably will mark the decline of the vanquished and the rise of the victor.

Both scrappers, the type who are willing to take two to put across a punch, seem to have read the signs of the times, if their month long training is evidence.

After the climaxing session yesterday, when the Nebraska wildcat clawed and pawed three opponents in characteristic fashion for four rounds, he had plenty to say about the impending battle. For once he took the ballyhoo from his brother-managers Clyde and Art.

"It's going to be a great fight until the sixth," said Ace. "After that I'll walk through to the finish."

"I won't say I'll knock him out," came the Wildcat's reply to the question, "but I will say I'll beat Mickey as far as from here to Chicago—and that's a long way."

This flurry of words out of his system, the Nebraskan tamed down a bit.

"And if I don't win I'm through—see? I'll never lace on a glove again. Why, if I can't whip Mickey, where'll I go? I could make lots of money, but I've got money. Put me down as saying that if I lose I'm through—through."

The champion had no comments to make after his final four round episode at Soper's ranch. The boy bulldog from New Jersey was, compared with the Hudkins brothers, is a man of few words.

In his last drill he demonstrated among other things that his wind and speed have improved over a week ago.

Jack Doyle and his co-promoter from San Francisco, Ancell Hoffman, predict a record gate with over \$100,000 cash reported to be in the coffers already. The record of \$125,000 was set at the Godfrey-Paolino fight.

Promoter Doyle had announced that there will positively be no broadcast of the fight over radio.

## LIBRARY FINDS POPULAR FAVOR

Book circulation is steadily increasing at the Klamath County Library, according to Miss Mildred Oleson, Librarian. In September the high point of circulation for one day was 978 books. Country branches of the County Library are constantly enlarging their book circulations, especially the Chiloquin and Bonanza branches.

Every two weeks Miss Oleson goes with the book van to the Klamath Agency. About 60 books were circulated there last week. A huge mail order business is also carried on, serving the parts of the county which have no branches in their immediate vicinities.

During the second week of school, library instruction was given to over 500 students of the Union high school. Each class consisted of a lecture and practice in using the catalogue and finding books. At the end

of the period a quiz was given over the material covered.

Miss Margaret Nye, assistant librarian is continuing her story hours in the country districts. On Saturday Miss Nye told stories in Chiloquin and Fort Klamath.

Books are arriving steadily at the County Library, some that have recently been catalogued are:

- White, "Tune in the Tree"; Williamson, "The Pathway"; Plomer, "Paper Houses"; Tarkington, "Young Mrs. Greerley"; Rice, "The Butler"; Strachey, "Elizabeth and Essex"; Aldrich, "A Lantern in Her Hand"; Richardson, "Ultima Thule"; De la Roche, "White Oaks of Jalna"; Ertz, "The Galaxy"; Rhinehart, "This Strange Adventure"; Packett, "Henry the Eighth"; Bowers, "The Tragic Era"; Ellsbury, "On the Bottom"; Duffus, "Tomorrow Never Comes"; Remarque, "All Quiet On the Western Front"; Johnson, "Lion"; Zweig, "The Case of
