

A POWERFUL STATEMENT

THE NEW YORK BARGAIN HOUSE MUST RAISE \$

10,000

Ladies and Gentlemen, we are about to lay our cards upon the table, FACE UP. Listen to this: Anticipating a huge fall business we bought heavy in Winter Merchandise, the elements have been against us and old man weather with his strong team of opponents have thrown us for a heavy loss. Our stocks are heavy, business has been slack, our creditors demand their money, and we are holding the sack. Consequently we are forced to move out \$10,000 worth of merchandise or go down in history as defeated. But we will not take defeat. We know we must slaughter prices to take in this money, so profits will get a right hook to the jaw and prices will be knocked down for the count. But you can rest assured that this sale is one of the most legitimate that has ever been inaugurated and we will stand back of every statement we make and prove to you that we will be tireless in our efforts to give you the greatest values in merchandise offered this season. HENCE THIS—

Startling! Gigantic! Outstanding! Beneficial;

BEN WECHSLER
Manager, Says:

This is not a sale to make money, we know that is impossible under the present conditions. This is a sale to RAISE money and to SAVE our business, and consequently it will be a sale that will SAVE you many dollars as well. This ad will cause much talk—some will say they feel sorry for me, others will say it's just too bad, etc. But in spite of my handicap I have decided to please you all. You have built this business and YOU shall reap the benefits. But I do not intend to let another concern take over my business. "I WILL NOT TAKE A DEFEAT" so come on my friends, the golden harvest is here for you to reap and I shall make myself known in every nook and corner of Klamath county with the quality of merchandise I am going to dispose of at such ridiculous prices. Yours to save my store.
