Earl Kent Leaves

Earl Kent has left for Olympia, Wash., where he will remain until after Thanksgiving, visiting relatives and friends.

IN FOR TROUBLE SURE AS HE ATE

"For five years before I got Sargon I hardly ate a meal without suffering afterwards from indigestion. I was always taking laxatives for constipation, but instead of correcting the trouble

BENJAMIN G. BOYLE

they seemed to make my stomach trouble worse. Neuritis in my shoulders pained me terribly at times and I couldn't find any relief. My kidneys got me up frequently at night.

"Nothing reached my case until I got Sargon. I could just feel this medicine strengthening my whole system. My appetite came back and I now eat anything I want without the least indigestion. Every neuritis pain has disappeared. My kidneys never bother me now and the Sargon pills overcame my constipation. I sleep good and get up mornings feeling fine. I couldn't ask a medicine to do more than Sargon did for me."

Benjamin G. Boyle, 420 Killingsworth Ave., Portland, Oregon.

Magill Drug Co., agents—Adv.

Arriving Today

Mrs. Grace Magruder, state organizer for the P. E. O. Sisterhood, will arrive in the city today from her home at Portland to pay an official visit to Chapter U. Members of the chapter will honor Mrs. Magruder with a noon luncheon at the home of Mrs. A. J. Coiler today, and this evening will hold a regular meeting at the R. C. Groesbeck home on North Ninth when Mrs. Magruder will talk to the chapter.

Chicken Dinner

The Ladies' Aid in Langell Valley will hold a chicken dinner and bazaar Friday afternoon and evening, November 22, at the community hall. The ladies will start serving dinner at 6 o'clock and will continue throughout the evening. Proceeds will be used for the work which Archdeacon J. Henry Thomas of the St. Paul's Episcopal church is carrying on in the valley.

Motorist To Crescent

Mr. and Mrs. Frank Evans, Mr. and Mrs. Sydney Evans and son, Percy Lou, motored to Crescent, Sunday, where they were guests of Mr. and Mrs. Fred Clogston and family. Upon their return Sunday evening they were accompanied by Miss Sarah Clogston, who will be a guest at the Evans home until after Thanksgiving.

Mrs. Winters Ill

Mrs. C. I. Reckard is still in Portland with her sister, Mrs. H. J. Winters who continues seriously ill in a Portland hospital, according to word received here. Mrs. Reckard submitted to an operation for removal of a gallstone last week.

Correction of Error

The Wednesday Club will meet tonight, Tuesday, at the home of May King Conradi, 228 North Seventh street, instead of Wednesday night as was previously announced. Members of the club will spend the evening sewing.

Housewives Given Hints on Ranges

Miss Best called on the housewives of Klamath Falls on Monday, demonstrating and explaining the Hot Point electrical fixtures and any point upon which the housewife might be in doubt. Miss Best will be in the city on Thursday, and continue this work. She is also showing the new color, which is a speed surface unit for Hot Point ranges. The new color is said to be 29 per cent faster and 14 per cent more efficient than any other electrical surface unit on the market.

Miss Best is being assisted in this work by Mrs. Rodina Owens, home economics graduate of the Oregon State college. Mrs. Owens is a recent staff addition to the local Copco office and will continue with this work. She includes all electrical appliances in her work and is building up an extensive home service field in this territory. Malin housewives will be given this service on Tuesday and Chiloquin homes on Wednesday, according to plans made this morning.

On the modern piano it is possible to strike 88 different notes. Yet scientists have found 11,000 different tones which can be told apart.

Knights Prepare For Big Meeting Here Next Sunday

Degrees will be conferred on members of the Knights of Columbus on Sunday, November 24, according to an announcement made by Frank Sexton today.

Frank Loneragan of Portland will be here at that time in an official capacity, and will assist in conferring the degrees. The following program has been announced and will continue throughout Sunday:

8:00 a.m.—Mass at the new Sacred Heart church for all Knights of Columbus members and candidates.

9:15 a.m.—Breakfast for all candidates at the Owl cafe.

11:00 a.m.—First degree will be conferred on candidates at the Moose hall. All are requested to be there promptly.

1:00 p.m.—Second degree at the Moose hall.

2:00 p.m.—Third degree, with Frank Loneragan of Portland in charge. This constitutes the Portland and Medford divisions. The first and second degrees constitute the Klamath Knights of Columbus order.

6:00 p.m.—Banquet at the Willard hotel for all Knights of Columbus, their families and friends. Bishop Joseph F. McGrath of Baker will be honor guest at this occasion. Reservations must be made not later than Thursday, and may be phoned to P. J. Lester, master at the Great Northern office on Seventh street. A large attendance is planned for, and those wishing to attend are urged to get reservations in early. Bishop McGrath will speak, and also a number of the other visitors. All Knights of Columbus who are not candidates for the first degree are expected to attend the dedication of the new Catholic church at 10:30.

Aero-Dynamics Is Started In School

Gordon Williams has started an aero-dynamics class for those interested in airplanes in K. U. H. S.; there are about twenty boys now enrolled.

The class is held after school on Thursdays in the manual training room. The meetings will be held at this time until Mr. Jackson is persuaded that such a class is needed. Then it will meet during activity periods. The purpose of this class is to build and model airplanes and study the principles of aerodynamics. The material is ordered through the school. The boys have designed and constructed several models that fly quite well.

The officers of the class are as follows: President, Gordon Williams; Vice-president, Max Rae; Secretary-treasurer, Jack McGeoghegan; Sergeant at Arms, Morton Yaden.

MENJOU HAS APPENDICITIS

PARIS, Nov. 19 (AP)—Adolphe Menjou, American film star, underwent an operation for appendicitis today at the American hospital. Dr. Charles Above, who operated, said it was entirely successful, and that the patient's condition was good.

No More Neuritis

In Arms, Neck, Legs or Thighs If you want to get rid of the agonizing pains of neuritis, neuralgia, sciatica or rheumatism, just apply Tysmol to the affected parts and see how quickly all misery will cease.

Tysmol is a powerfully penetrating absorbent, soothing and healing in its action, which goes in through the pores and quickly reaches the burning, aching nerves. Those stubborn pains in the back of the neck, about the shoulder blade, face or head, in the forearm and fingers, or extending down the thigh to the toe tips, will soon disappear. Cramping of the muscles will stop and you will no longer be bothered with soreness, swelling, stiffness, numbness or tenderness of the joints and ligaments. Tysmol is not an ordinary liniment or salve, but a scientific new emollient that is entirely different from anything you have ever used. Don't suffer any longer. Get a supply of Tysmol at any good drug store. Always on hand at Star Drug Co.—Adv.

If Heart Action's Poor, A Hearty Laugh Will Help

The Oregon State Board of Health, in co-operation with the United States Public Health Service, has released a bulletin proving the fact that there is nothing as good as a laugh. Ha! Ha!

"The uncomfortable feeling about the heart may, in some cases, be controlled to a great extent by the mind," says the bulletin. "Probably one of the most favorable influences exerted on the heart when there is considerable depression, is that produced by laughter. Attendance at the theatre and the enjoyment of good hearty laughter have brought relief more than in any other way. It is very probable that this is due to the fact that the up and down movement of the diaphragm in laughter causes direct massage of the heart, and therefore stimulates its activity. The diaphragm action is particularly on the thin-walled right heart, which lies along the diaphragm. It is in this part of the organ, however, that the cycle movement of the heart begins, and therefore it is not surprising that direct stimulation this way regularizes the action of the heart."

"Perhaps the accessory effect of laughter on the lungs has something to do with the favorable action on the heart. The jerky movements of the diaphragm in the midst of hearty laughter, consequent upon the interrupted laryngeal sounds which accompany laughter, cause the air within the lungs to be confined at a rather higher pressure than usual, and this acts directly upon the heart, pressing it and probably stimulating its activity. Perhaps, also, the increased oxygenation of the blood due to laughter has something to do with the favorable influence that is noted."

"This experience would seem to indicate that one of the most important principles for a patient suffering from discomfort of over-consciousness of heart action is to insist on laughter. The patients are very likely to be rather disposed to depression, and they are more afraid that laughter may cause their heart to stop beating. It has just the opposite effect, and once it has been decided that the heart condition is functional, the laugh should be encouraged to as great extent as possible."
