LIONS GAIN ON ESKIMOS WITH BUCK DEFEAT

Win Torrid Game at Portland Last Night, 2-0.

PORTLAND, Dec. 13, (AP)—The Vancouver Lions, last year's Pacific coast hockey league champions, today stood within two points of the league leading Seattle Eskimos by reason of a 2 to 0 victory over the Portland Buckaroos at the coliseum here last night, in a game that was considerably more one-sided than the score indicates.

Seattle claims the league leadership with 12 points, while Vancouver has 10.

Goalers' Work Stellar

Only the stellar work of Andy Aitkenhead, Buck Goalie and Jack Pratt, big defense man, saved the locals from an ignominious defeat. Aitkenhead's work in the net was brilliant, to say the least, and Pratt shattered many threatening charges before the Lion forwards reached scoring territory. During one period, the first, the game assumed all the aspects of a real hockey contest, but after that it was somewhat of a rout.

Vancouver's two counters came in the third and final period, within a few minutes after the opening, and resulted from a brother act composed of Joe and Frank Jerwa. Joe took the puck five minutes after the third session opened, rushed it down the ice and slipped it into the net from a difficult angle. Less than two minutes later Frank Jerwa repeated, only his shot was from a more difficult angle, and it was virtually impossible for Aitkenhead to stop the last one, the puck sailing into the top corner of the net.

Earl "Army" Armstrong got into serious trouble in the second period. He made the mistake, after arguing with Referee Mickey Ion over a minor penalty, and a $10 fine, of hurling his stick at the master of ceremonies. Ion promptly sent him out for the rest of the game. The trouble started when Armstrong and Jerwa decided they should settle a private war in their own fashion.

Enemies On Ice; Friends In Box

By AL DEMAREE
(Former Pitcher N. Y. Giants)

Ice hockey, that famous game of cutting figures—all over your opponents' anatomies, is now in full away. It is probably the fastest game in the world and this fact alone leads to many fights and jams on the ice, and the belligerents being shunted off to the penalty pen by the referee.

The desire to win in this great Canadian game is so strong and the personal feelings of the players are so thoroughly aroused, that screens are often placed in the players' box to keep the players apart.

However, the fans are often disappointed when they beat it to the penalty box, looking for bloodshed after a mixup on the ice. Some apparently enraged players have been known to ask their opponents out to dinner and solicitously inquire about the health of their families.

St. Helens Men Lost In Timber

ST. HELENS, Ore., Dec. 13, (AP)—A searching party was beating the underbrush near La Center, Wash., today for E. G. Scarberg, and R. H. Dehn, St. Helens' business men, who are believed to have become lost in the woods Sunday while inspecting a mining claim.

Dehn's automobile was found deserted near Cahyon Creek. They left here Sunday and have not been heard from since.

Friends started the search.

50 OUT FOR BASKETBALL

"Dutch" French, K. U. H. S. coach, discussed basketball at a boys' assembly held yesterday. He made the announcement that the first game would be with Medford, January 4. The game was originally scheduled for January 24, but at the Medford coach's request it was advanced two weeks.

Fifty boys turned out for basketball, Mr. French said, but because of the impossibility of handling such a large squad, he has cut it down to 20 men. There is only one letterman back this year, and only two men who played on the second team last year.

Hubert Totton's orchestra played three selections at the opening of the program. The musicians who compose this orchestra are high school students. Two solos were sung by Jimmie McClusky. Before adjourning the assembly Jimmie Hawkins announced that similar assemblies would be held during the coming semester.

Trafton Unmoved By Art's Prowess

CHICAGO, Dec. 13, (AP)—George Trafton, center of the Chicago Bears, who will make his professional fistic bow against Charles Arthur Shires at White City Monday night, apparently is quite unawed by the reputation as a knockout established by the great one.

Trafton plans to take the Shires bout along with all other routine business, and will take his final workout Sunday afternoon by playing center for the Bears against Bennie Friedan's New York Giants.

The fact that Shires knocked over Dan Daly of Cleveland, in less than a round last Monday night, according to Trafton, has not caused him to forget that Friedman, Tony Plansky and the rest of the Giants, are tough, and require his immediate attention more than does the impending engagement with Shires.

PELICANS TO PLAY TUESDAY

Wednesday, December 18, the Pelicans will play their first important game with the Ashland town team. The game will start at 8 p. m., with Frank Hall refereeing.

The Ashland boys feel that they have a good team. They make claims of having the best fighting team in the whole state of Oregon. Their guards represent the two best boys in their division in the fight racket. Willie Feldman, the best boy to show in Klamath Falls and one of the best in the world, will hold down a guard position as will Gene O'Grady, Ashland light-heavy.

These boys are real basket ball material as well as being near the top in their division. Feldman has fought several fights in Klamath Falls and has proven to be one of the best drawing cards to show here. The house is always a sell-out when Gene Fights.

Ayres and Iverson are the Ashland forwards, and Reid their center. Ayres has been an all-coast forward and is a good man on the floor. Last year he studied at Monmouth and was considered the best man in the conference. Ivorson was a North Dakota state all-star forward last year. He is a big, fast man. Reid is a tall, slender man who can get off the floor. He will jump center against Walt Peterson, Pelican center.

Much interest is centered about this game and a sell-out is expected. Many fight fans from the city will be out to see their favorite fighter in action. Lee Hall, Pelican scrapper, will uphold the Pelicans' fight honors. He plays a good game on the floor as well as a good fight in the ring.

The Pelican team will consist of Peterson, the best center in Oregon; Steve Beck, forward, who went to the national tournament twice; Louie Anderson, a Pelican favorite and forward; Sessler, a Washington forward; Walter Wakeman, the hardest fighting guard in southern Oregon and George Benson, a shrewd guard. Dewey, Dingler and Hall will substitute.

Tuesday night the Kiwanis team plays the Pelican five and the following Friday Chiloquin comes to Pelican for a game.

FIRE DESTROYS GRAIN

MINNEAPOLIS, Dec. 13, (AP)—Fire following an explosion of undetermined cause, destroyed a large grain elevator and approximately 300,000 bushels of wheat owned by the Sterling Grain company last night. Nearly all of the city's fire apparatus was called to prevent spread of the flames to adjoining grain bins.

The loss may total $500,000, fireman estimated.

Idol of Two Campuses Has State Reformatory Record

COLUMBIA, Mo., Dec. 13, (AP)—Police all over Missouri today sought Louis Lee Derry, former idol of two college campuses., University of Missouri backfield ace, president of the Junior class—and an ex-convict.

Robbed Frat House

Derry, who is 25 years old, was accused yesterday of stealing clothing and jewelry from a fraternity house. Friends of the youth promised he would appear yesterday afternoon, and Sheriff Clyde Ballew accepted their assurance. Derry had not been found today, however.

The youth played football two years at the University of Arkansas and one year here.

Served 18 Months

His record, revealed after the warrant was issued yesterday, showed he had served 18 months in the Kansas reformatory on a plea of guilty to thefts at a fraternity house of the University of Arkansas.

Derry was recently restored to good standing after being placed on probation for possession of liquor, his university record in the registrar's office shows.

Awarded Letter

Derry received his varsity football letter at the annual banquet Wednesday night, a few hours after a deputy sheriff has raided his room and seized clothing, jewelry and a traveling bag, which another student identified as his property, stolen last May. Prosecuting Attorney Franklin E. Regan, who swore to the warrant yesterday, was present when Derry was awarded his "M." Derry was seen about Columbia during yesterday.

McLarnin And Goldstein Match Rouses Interest

NEW YORK, Dec. 13, (AP)—Some 20,000 customers will pay close to $100,000 for the privilege of watching Jimmy McLarnin and Ruby Goldstein punch each other around for ten rounds or less at Madison Square Garden tonight.

The bout, a "natural," if ever there was one, brings together two of the heaviest punchers in the welterweight division, and some of the most spectacular milling of the season is in prospect. It remains to be seen, however, whether the boys will perform as well as the general public expects them.

Goldstein appeared headed for the lightweight title a year or so ago, but knockouts by Sid Terris and Ace Hudkins sapped his confidence, and came within an ace of sending him to the fistic scrap heap. A fast and brilliant boxer, with dynamite in either fist, Goldstein has won 55 of his 66 bouts by knockouts. Granted confidence in himself, the Ghetto welterweight might be a champion.

McLarnin is 9 to 5 favorite among the betting fraternity.

Andy Callahan, Boston lightweight, meets Louis (Kid) Kaplan of Meridian, Conn., former world's featherweight champion, in the ten round semi-final. Canada Lee, one of the best negro welterweights in the east, tackles Andy Divodi of New York in the first ten.

Sixty per cent of the homes in Kansas are served by power lines. The other 40 per cent are largely in the rural districts.
