BRAVES WHIP WILDCATS

Klamath High County Team Loses Hoop Game 15-9

The Braves came down from Chiloquin last night and scored a victory against the Wildcats in a hoop game in the Klamath Union high school gym, 15 to 9. It was the first game lost by the Wildcats this season on a basketball floor, but notwithstanding they met, the game was fast and exciting.

During the first quarter the Wildcats held the Chiloquin players down to a score of 3 to 2, but in the second quarters Chiloquin scored 7 points and the local boys none. The score at the end of the third quarter was 14 to 7.

Allen, Wildcat center, scored five points, and Nichols, Chiloquin center, ran up seven points for his team.

Lineups:
 Chiloquin: Evans, Nelson, Nichols, Thompson, Kellner
 Wildcats: Crawford, Houston, Allen, Van Buskirk, Reckard
 Frank Hall, referee.

Minnesota Wants Coach Selected By End of Week

MINNESOTA, Jan. 20. (AP)—The University of Minnesota will have a new football coach before the end of the week.

This was indicated today as Dr. Lotus D. Coffman, president of the University, began looking over the list of likely candidates to succeed Dr. Clarence W. Spears, who on Saturday signed as head football coach at the University of Oregon.

Dr. Spears returned today to present his formal resignation as Gopher gridiron mentor, a post he had held for five years. He expressed himself as well pleased with his new job, which will pay a salary of \$11,500 annually.

No individual has yet been agreed upon as Spears' successor at Minnesota by Dr. Coffman, and the senate committee on inter-collegiate athletics, the ruling body of sports at the Gopher school, which is anxious to have one selected this week. Spring football practice begins February 1.

Three-Cushion Tourney Starts At K-R Tonight

What is considered the most scientific of all games will be demonstrated tonight at the Klamath Recreation parlors when the three cushion billiard tournament opens. The contestants have been handicapped so as to make the race as even as possible. T. A. Brandon, to win, must score 25 points before his opponent, A. E. Adams, scores 25. R. E. Howard must score 30 points to win over S. E. Norin at 25.

Tomorrow evening A. Perry and C. R. Smith should furnish the fans a lively exhibition, as both players are at 30, while D. W. Bayless at 30 points will have his hands full with A. T. Totten at 24. All games start at 8 o'clock, and the public is invited.

Woman Foot Racer Sets World Record

SYDNEY, Australia, Jan. 20. (AP)—Miss Clarice Kennedy set a new world record for women in an international track meet here today, running the 80 meter hurdles in 12 1-5 seconds.

Running from scratch in the first race of his antipodean tour, Leo Lermond, young American middle distance star, easily won a mile event in four minutes 25 seconds.

Giant Carnera To Box Friday Night

NEW YORK, Jan. 20. (AP)—Primo Carnera, whose 285 pounds are distributed over a frame 80 inches high, makes his American fight debut this week in a ten-round bout against Ric Boy Peterson of Minneapolis at Madison Square Garden Friday night. Carnera's inaugural appearance has stolen much of the general interest that otherwise might have been devoted to the weekly shows at Chicago, Philadelphia, Boston and Cleveland.

Two champions, Jackie Fields, king of the welterweights, and Bat Battalino, featherweight titleholder, swing into action during the week in non-titular bouts.

Wanner Under Knife

PITTSBURGH, Jan. 20. (AP)—Lloyd Wanner, Pittsburgh plate outfielder, had his appendix removed here today and was reported in good condition following the operation. Aside from slowing down during early spring training, the operation was not expected to interfere with Wanner's work.

"Tuffy" and Jack Are Good Pair

OTTO VON PORAT

Former Pitcher New York Giants

It looks like "Tuffy" Griffith and Jack Sharkey will head the boxing carnival at Miami, Florida, February 27. Von Porat looks like a good bet against either Victoria Campolo or Paulino Uscudun in the second "ten." I have no idea whether this is the contemplated program and am merely hazarding a guess.

"Tuffy" Griffith has been coming fast in his last two bouts and gave Johnny Risko, the "rubber man," a decisive trimming his last time out.

Tuffy told me an amusing incident in his Risko fight.

"Johnny socked me one in the early rounds right on the nose," said Tuffy, "and while we were in a clinch, I said 'That one was certainly a beaut you handed me, Johnny!'"

"There was nothing the matter with that one you landed on my bum ear in the second round either, Tuffy," he answered, trying to return the compliment.

Second Hunt For Gold Started In Lower California

AGUA CALIENTE, Lower California, Jan. 20. (AP)—On the historic ground where once Spanish conquistadors halted in their search for gold, more than a hundred of the country's picked golf exponents will renew this quest over the Agua Caliente course, urged on by an unprecedented purse of \$25,000.

Full Course Out

Yesterday these high-ranking professionals intermingled with a small scattering of prominent amateurs, swung around the new par 71 course for the first time, in an effort to solve its intricacies and peculiarities.

Few kept scores, preferring to meander over the untried fairway, testing them from all angles.

Most Difficult on Coast

In the opinion of these and other leaders, the course is the most difficult on the Pacific coast. Al Espinosa, veteran Chicagoan, said it was the most difficult layout he had struck in many a moon. He had a 74 to show for his efforts.

The mystery of just who will be able to best master the course during the four days of 72 hole medal play was left light in the grasp of the well-trapped fairways. With only four par three holes, it is certain that the tourney will develop into a hard driving contest, coupled with an expert putting touch.

Californians All But Swamp Rivals

DEL MONTE, Calif., Jan. 20. (AP)—Overcoming all Oregon opposition in a handy fashion, California piled up a score of 29 to 5 to win the interstate golf matches concluded here yesterday. The Californians won 12 to 2 at Pebble Beach. At Cypress Point the score was California 17, Oregon 3.

The match between Dr. Paul Hunter of the south, and Rudie Wilhelm, Portland, was the outstanding one of the play. Hunter was the star of the tournament, scoring a net 75, three over par on the Pebble Beach course, to add to his par 72 at Cypress Point. Wilhelm shot a 79 on Pebble Beach.

Wilhelm and Paul Murphy, Oregon captain, halved their match with Dr. Hunter and Edwin Eddy of California in yesterday's play.

Wanner Under Knife

PITTSBURGH, Jan. 20. (AP)—Lloyd Wanner, Pittsburgh plate outfielder, had his appendix removed here today and was reported in good condition following the operation. Aside from slowing down during early spring training, the operation was not expected to interfere with Wanner's work.

Still More Millions Treat Colds Direct

Round-About Method of "Dosing" Gives Way To Modern Vaporizing Salve

More and more people each year are giving up the slow, indirect way of treating colds by "dosing" with internal medicines, and are adopting the modern direct treatment—Vicks Vapor-Rub.

Vicks goes direct to the affected parts and checks the cold in two ways—its medicated vapors, released by the heat of the body, are inhaled direct to the inflamed air-passages; at the same time it acts direct through the skin like a poultice or plaster, "drawing out" tightness and soreness.

Vicks is especially appreciated by mothers because it is just rubbed on, and therefore, cannot upset children's delicate stomachs as "dosing" is so apt to do. Today the whole trend of medical practice is away from needless "dosing."

To keep pace with the ever-growing demand, the famous slogan, "17 Million Jars Used Yearly," was raised to "21 Million" a short time ago. This figure too has been outgrown, as there are now "Over 26 Million Jars Used Yearly"—a jar for every family in the United States.

We Repeat Spit is a horrid word, but it is worse on the end of your cigar

... the war against Spitting is a crusade of decency... join it. Smoke CERTIFIED CREMO!

The man who spits in public places is no worse an offender against public decency than the workman who rolls cigars with dirty fingers and tips the ends with spit.

Why punish the one and yet tolerate the filthy practice of the other? Smoke a cigar made in the most modern, spotless clean manner... Certified Cremo. Every tobacco leaf entering the clean, sunny Certified Cremo factories is scientifically treated by methods developed by the United States Government during the war. And its purity is safeguarded along every step of the way by amazing inventions that foil, wrap and tip the cigars without the possibility of spit!

Try a Certified Cremo—see how wonderfully good it is! Made of the choicest, tenderest leaves that the crop affords, we claim Certified Cremo's quality is tastier than that of any other cigar. Don't let its 5c price stand in your way. Certified Cremo is the kind of cigar your physician has in mind when he recommends a mild smoke in place of heavy brands.

Crush-proof... immaculate... foil-wrapped... Certified Cremo is the kind of cigar the late Vice-President Marshall undoubtedly had in mind when he said, "What this country needs is a good 5c cigar!"
