DUTCH CARTER IN SADDLE AT ROBINS' CAMP

Brother-in-Law Of New Chief Justice Made Fifth Director

NEW YORK, Feb. 8. (AP)—Peace and harmony, performance, ruled the Brooklyn National League club today with Walter F. (Dutch) Carter, famous Yale pitcher of 35 years ago, sitting in the driver's seat.

Holds Power Balance
Appointed by John A. Heydler, president of the National League, as fifth director of the Brooklyn club, Carter holds the balance of power since the other four directorships are evenly distributed among members of the so-called Robinson and McKeever factions whose long warfare was ended the other day by official decree of the National League.

The other members of the board are Frank B. York and S. W. McKeever, representing one faction, and Joseph Gillette and Harry Demott, representatives of the Ebbets heirs who have backed Wilbert F. Robinson in his battle against McKeever ever since Charles H. Ebbets, owner of the club, died in 1924.

Under the terms of the peace agreement, York was chosen as president for two years, succeeding Robinson while the latter was re-engaged as manager for two years. Robinson also resigned as a director and Gillette was empowered to appoint his successor on the board and chosen Demott. Mr. Heydler was authorized to appoint a fifth director and Carter's selection was announced yesterday.

Brother-in-Law of Hughes
Baseball men believed Mr. Heydler had made a wise choice in picking Carter as the fifth and "neutral" member of the board. A brother-in-law of Charles Evans Hughes, new chief justice of the United States, Carter is a member of the law firm which Mr. Hughes headed. He was generally recognized as one of the greatest pitchers Yale ever had but never has been connected with organized baseball. As a life-long resident of Brooklyn, however, he has kept in close touch with the game especially as it concerned the goddies.

Huskies Tighten Leadership Hold

MOSCOW, Ida., Feb. 8. (AP)—The leading University of Washington's basketball team increased its lead another game in the conference race here last night, when they defeated Idaho, 25 to 26, in a hotly contested game. The score stood 14 to 12 in the Huskies' favor at the half. With 12 minutes to go the Vandals were leading, 21 to 18, but the Huskies settled down and soon took a safe lead. Another game will be played here tonight.

SAY EIGHT BALL, IS THIS A FOUR AND A HALF CIGAR COURSE OR A NINE CIGAR COURSE?

THE BABE SMOKES AN ENTIRE CIGAR EVERY TWO HOLES—

By AL DENMAREK (Former Pitcher N. Y. Giants)
Babe Ruth, the most persistent and consistent home run hitter in the history of baseball, is without doubt the most inconsistent golfer in this or any other country.

I have played with the Babe when he would take a 95 on the first eighteen holes in the morning and then come back with a 76 in the afternoon over the same course. Or sometimes he would reverse this procedure and shoot his low round in the morning. It is usually some short hole calling for a nibbler or spade masher shot that causes his medal score to threaten the hundred mark.

CLEAN SWEEPS MARK FRIDAY'S ALLEY GAMES

Clean sweeps were the order in the Fraternal Bowling league last night at the Klamath Recreation. Elks No. 2 took all four points from Len Royce's Ourangoutangs. Elks No. 1 did likewise to the Red Men and the Moose suffered the same treatment at the hands of the American Legion boys.

Valente with his new ball seems to be cutting big capers. In the Booster league Wednesday night he totaled 600 and with the Legion boys last night he turned in a 611.

Those who bowled 200 or better were, Jester 211, Crosby 209, McMillan 229, Valente 220-214, Peterson 207, Wilson 202. But for consistent bowling, we take off our hats to Hayden, few 200 scores but always around the 570 total.

Three-Cushion Tourney Closes Tuesday Evening

The three-cushion billiard tournament at the Klamath Recreation comes to a close Tuesday evening, unless some ties develop which is not unlikely.

Perry has won 6 and lost none, Howard won 5 and lost 1, Smith has 4 wins and 2 defeats, Brandon, Bayless, Douglass and Norin each have won 3 and lost 4 and Adams won 1 and lost 5.

Howard by winning the last game from Brandon can tie Perry should Norin come through with a win, but should Howard lose and Smith defeat Douglass a tie would result between them for second place.

We started out to analyze this situation but there are so many possibilities that we advise the fans to come out and witness the finals and see for themselves.

The schedule for the final round is: Monday—Norin vs Perry, Brandon vs Howard, Tuesday—Smith vs Douglass, Adams vs Bayless.

The greatest lead-producing district in the United States is in south-east Missouri.

Olympia Manager Wants Walker and Lomski to Fight

CHICAGO, Feb. 8. (AP)—Scotty Montieh, matchmaker for the Olympia arena, Detroit, expressed hope today that he would be able to induce the national boxing association to approve the Mickey Walker-Lomski fight set for Detroit February 14.

The N. B. A. had refused to sanction the match on the ground that Walker's suspension in Illinois had not been lifted. Montieh conferred with Major General John V. Cline, chairman of the Illinois commission yesterday, and the latter urged that Montieh have Walker appeal to have his case reopened.

Walker was suspended after posting a \$1,000 forfeit to defend his title and having failed to do so within the time limit set by the N. B. A.

Webfoot Spurt In Second Half Upsets Staters

CORVALLIS, Ore., Feb. 8. (A. P.)—University of Oregon's basketball quintet, taking a big spurt in the second frame, defeated Oregon State, 24-27, here last night. It was 13-13 at half time. But Jean Eberhart, Oregon's lanky center, shortly after the second frame started, went on a scoring spree and soon ran the score up to 26 to 17. It was one of the fastest games of the season to date. Fouls were frequent. Both Eberhart and Horner of Oregon were put out on fouls. Seventeen were charged against Oregon and 15 against the Staters. Oregon made more of its free chances good, however, scoring 12 points by that route to the Orangemen's 9.

Eskimos Even Score

After Portland captured a 2 to 1 lead in the third period, Art Townsend, giant Seattle defense star, evened up the count two minutes before the end of the fray when he poked the puck past Goalie Aitkenhead while a wild scrimmage ensued in front of the net. Rowe complained that two Seattle players had interfered with his goal tender and that the puck should have been declared dead before Townsend scored. The Buckaroo boss changed his disappointed looking face into a big smile, however, when he learned that the second place Lions had lost to Victoria, putting the league leading Bucks one point farther ahead of Vancouver.

SEATTLE, Feb. 8. (AP)—

Seattle also gained another point by virtue of the tie, sending the Eskimos within three points of Vancouver and six points of first place.

PORTLAND BASKETBALL

PORTLAND, Ore., Feb. 8. (A. P.)—Lincoln and Commerce High basketball teams continue to lead the Portland interscholastic basketball league. White to Attempt Comeback in Ring

CHICAGO, Feb. 8. (AP)—Charlie White, 37 year old and six years retired from the prize ring, apparently is serious about making a comeback effort.

White, whose famous left hook came within seconds of winning him the world lightweight championship from Benny Leonard in 1920, has been granted a boxer's license by the Illinois State Athletic Commission and may make his return in a six round bout on Promoter Jack Dempsey's card at the Coliseum February 21.
