VETERAN BONE CRUSHER GOES MARCHING ON

"Strangler" Defeats Dr. Sarpolis Before Large Crowd

PORTLAND, Ore., Feb. 13, (AP)—Ed (Strangler) Lewis, former world's heavyweight champion wrestler, goes marching on. Last night at the auditorium he defeated Dr. Karl Sarpolis, Cleveland medic, before the largest and wildest crowd of wrestling fans that ever witnessed a match in Portland. It was the second time Lewis had turned the trick on Sarpolis, who, as in his former match, showed up well against the former champion so far as wrestling ability was concerned, but was greatly handicapped by the strategy displayed by the veteran. Lewis surprised the big crowd and Sarpolis by clamping a toe twister on the doctor before the match had been underway a minute, and 3 minutes and 40 seconds from the call of time, Sarpolis pounded the mat. Sarpolis came back strong and went right after Lewis, using a little of everything and took the second fall in 17 minutes, 30 seconds with a combination flying tackle butts and his specialty, flying body scissors. Lewis asked an additional five minutes after the rest period was over. After 10 minutes of lively wrestling in the third session with the advantage seemingly in Sarpolis' favor, Lewis suddenly clamped on his famous headlock, from which the Ohio man was unable to free himself and after being slammed to the canvas three times, Lewis pinned him down. Sarpolis was groggy and had to be helped from the ring. Lewis weighed 233 1-2 pounds, Sarpolis, 212.

In a rough and tumble 45-minute preliminary, Bob Kruse and Andy Brown wrestled to a draw, neither taking a fall.

Perry First In KR Tri-Cushion Billiard Tourney

The most extraordinary upset of form in both directions was displayed in the play-off for tie for fourth place in the three-cushion billiard tournament at the Klamath Recreation last night.

Bayless, a 30 player, defeated Brandon, a 35 man, in 48 innings by the unheard-of score of 30 to 1. Brandon shot 24 frames before making his one point, while Bayless scored in his first and second, a 3 in two others, and 2 each in three others; he scored zero in 36 frames.

Brandon scored 26 points in the game he shot with Bayless in the regular scheduled match of the tournament, coming within two points of winning the match.

Smith Second

Claud Smith won the play-off for the tie for second place by defeating R. E. Howard 20 to 21 in 64 innings. Claud started the match with a 5 run in the second inning, made 3 in each of two others, and a 2 in three others. Howard scored a 3 in each of two frames and had three frames of 2 each. Jim Perry wins first prize, Claud Smith second, R. E. Howard third, D. W. Bayless fourth and Claud Smith also wins the special prize for the highest run in any one inning.

Form New League

The Klamath Billiard league was organized at the Klamath Recreation last evening. The league is to be composed of eight players, and is to meet every Monday night for play in the following manner:

Contestants to be chosen by lot, losers to drop out, winners of each match to play each other, until one winner survives, he to be declared the winner for the evening's play. All matches to be three-cushion play, ten points to the game. Those who have already entered are: R. E. Howard, Claud Smith, D. W. Bayless and Chas. Weber. It is expected that Jim Perry, winner of the tournament just completed, will enter, as well as others who showed their wares in the contest. It is hoped to have at least eight players ready to start the league next Monday evening.

Beef and Brawn Not Always Asset

By AL DEMAREE

If Primo Canera, the giant Italian heavyweight and the latest "big Bertha" of the ring, hasn't a thorough fighting spirit and native ferocity, his size amounts to nothing at all, a detriment if anything.

Go down the history of boxing since the days of John Heehan and see what the giants amounted to. There were dozens of them like Ed Dunkhorst, the "human freight car," Carl Morris, Peter Maher, the "Dublin Giant," and even recently Wayne (Big) Munn, the wrestler, who is just as big as Carnera. Of all the lot only Jess Willard won the heavyweight title, and that because he received a lucky break.

Many comparatively small men were constant menaces to the mammoths.

Jack Dillon, the Giant Killer; Joe Walcot, Kid McCoy, Bob Fitzsimmons, Stanley Ketchel, Harry Greb, Mike Gibbons, Les Darcey, could probably lick almost any of these mammoths like Primo, the "man mountain."

PELICANS TRIM EAGLES' FIVE

Sessler Brothers and McCulloch Star; Is Fast Game

The Pelicans won their 16th game last night on the Pelican courts from the Klamath Eagles by a score of 47 to 29.

Walter Peterson, Pelican forward, and McCulloch, Eagles' forward, were second with 12 each. Robinson of the Eagles and Beck of the Pelicans went out on fouls. McCulloch of the Eagles was fouled eight times.

Sesslers Stars

The twin Sesslers played a bang up game of ball and when the going got hard warmed up to real form. They passed and shot a wicked ball and were in there fighting all the time. Peterson got hot in the third quarter and was all over the floor checking, passing and sinking them from any position. In the first half he had trouble finding the hoop but once located, kept sinking them.

Little Louis Anderson played a hard fast game at the guard position, as did Herman Wakeman. Louie, on a held ball, would go up to take it away from the Eagles' tallest man. He sunk them in from the side lines in the first half, one, two, three, for six counters in succession. Herman Wakeman played a hard game and is working nicely in the guard position.

McCulloch "Hot"

McCulloch sunk all eight tries for goal to get eight of his 12 points and played a hard game. He is fast and a hard man to guard, and was the Eagles' big star. Robinson and Kirshner played good fast ball as did Kendall and Olson. Huntley Walsh and DeSpain were in there at times fighting hard. The Eagles made three substitutions, and the Pelicans made one.

This has been the hardest and most exciting game of the season and was attended by a large crowd compared to the previous games.

Tonight the Pelicans play the Chiloquin team on the Pelican court.

Red Wenner kept score. Percy Thornton and Glover were the timekeepers. Mert Folts handled the game. He called a very close game at all times which makes for better basketball and more interest in the game. Folts is a member of the State Officials' association and experienced in the handling of games.

The Pelicans to date have played 16 games, winning them all to run up a total of 983 points to their opponents' 376. In one game they ran the score up to 123, a record for southern Oregon.

Bearcats Trounce E. O. Normal Quint

LA GRANDE, Ore., Feb. 13, (AP)—Willamette university's basketball quintet defeated Eastern Oregon Normal 63 to 27 here last night. With 12 minutes to play, and the score 26 to 20 in the visitors' favor, the Bearcats went on a scoring spree. Cardinal, Scales and Adams converted almost every try. High scorers were: Cardinal 24, Scales 18, Adams 13, and Price for the Normal 13.

STELLA WALSH MAKES RECORD IN 220 SPRINT

Cleveland Girl Lowers Former Mark By Two Seconds

PHILADELPHIA, Feb. 13, (AP)—Men and women track athletes had new indoor marks to shoot at today in the 45-yard sprint for men and the 220-yard sprint for women.

Miss Stella Walsh, fleet-footed Cleveland girl, shattered the world's record in winning the international 220 in 26 4-5 seconds at the annual games of the Meadowbrook club in the arena last night, while Chester Bowman, Newark, A. C., hung up a new figure of five seconds flat in the 45-yard sprint.

Bowman's performance will not stand as a world's record, for the 45-yard distance is not recognized in international competition. The best previous record was 5 1-10 seconds, made by Percy Williams, of Canada, in 1929.

Record Will Stand

Miss Walsh's feat not only erased the old indoor record of 28 4-5 seconds jointly established by Ellen Brough, of California and Catherine Donvan, Newark, N. J., in 1929, but also equalled the outdoor mark for the distance made by Miss Brough last year.

The Cleveland girl was about 15 yards ahead of Dallas Creamer, Canadian star, when she breasted the tape. Oliver Kreuger, of Tennessee, was third and Mabel Gilliland, New York, fourth.

Sets New 60-Yard Mark

Her time was 5 4-5 seconds. No record is listed for this distance, but the fast time is shown by the fact that the woman's 40-yard record is 5 1-5 seconds. Last Saturday in New York Miss Walsh cut the 60-yard record to 6 seconds flat.

Jack Elder, Notre Dame flash, forced Bowman to the limit in the 45-yard sprint and the finish was so close that it was difficult for the judges to determine the winner. Richard Quinn, University of Maryland, finished third.

Raymond Conger, of the Illinois A. C., won the John W. Overton memorial mile. His time was 4:20.

Staters Leave For Final Road Trip of Season

OREGON STATE COLLEGE, Corvallis, Feb. 13—Oregon State college basketball team, at present holding third place in the northern division conference standings, will leave here today on the final road trip of the season. The Orangemen will take on University of Idaho at Moscow Friday and Saturday, then jump across the state line to Pullman where they have an engagement with Washington State college Monday and Tuesday.

Hot Games Expected

Oregon State split a two-game series with Idaho earlier in the season at Corvallis. The coming game should be a real close contest. The two games with Washington State also promise to be thrillers as the Washington State Cougars took two games from Oregon State last month by close scores.

Finish With Oregon

The Orangemen will return to Corvallis February 20 and have one day of rest before the final game of the season with University of Oregon here the following Saturday.

Players who will accompany Coach Slats Gill on the trip are Rod Ballard, Kelly Callahan, Ken Fagans and Swan Merrill, forwards; Bob Drager, Buck Grayson, Tom Duffy and Jim Torson, guards; Cotton Whitlock and Mose Lyman, centers.

SWIN MEET POSTPONED

OREGON STATE COLLEGE, Corvallis, Feb. 13—The varsity and freshman swimming meets which were scheduled with University of Oregon teams at Eugene Saturday have been postponed until February 22.

Sutton Reenters Balkline Tourney

CHICAGO, Feb. 13, (AP)—The shaving off of his famous goatee and flowing mustache has convinced the officials of the National Billiard association that George Butler Sutton should have a chance to regain his place among leaders in the 18.2 balkline game.

Sutton, who is 66 years old, was 18.2 champion more than 20 years ago. He has been offered a test match of 900 points with Percy N. Collins of Chicago, the date of which will be set if the veteran agrees. Sutton raised the goatee and mustache years ago because he appeared too young. Now he has removed them to appear younger.
