FREAK DINNER

LONDON.—The recent dinner held by Charles Stone, the financier, was one of the most amazing held here. It was a circus dinner, the table at which the guests sat being in the form of a circus ring. The ceiling was hidden by a tent top and the courses were announced by a ring master. Admission was through a turnstile, and dinner was served by 50 waiters dressed as clowns.

PAIN IN YOUR SHOULDER?

Use Tysmol for Relief

Knife-like jabs of pain in the vicinity of the shoulder blade are generally due to neuritis, brought on by exposure to draughts or sudden changes of weather. In some cases there is stiffness or soreness in the muscles, making it difficult to raise the arm.

The safest and easiest way to relieve such an attack is to apply a small quantity of Tysmol over the affected area. This soothing, healing preparation is quickly absorbed through the pores and carried to the throbbing, aching peripheral nerves. The pains usually stop at once, and in a very short time the last trace of soreness should disappear.

Tysmol is absolutely harmless—free from dope. Recommended for all forms of nerve strain, whether caused by neuritis, neuralgia, sciatica or rheumatism. Sold by leading druggists. Always on hand at Star Drug Co.

AT THE VOX

William Holowell Magee, writer of mystery thrillers, wages \$5,000 with his friend Bentley that he can produce a complete novel in 24 hours if given a place of absolute quiet in which to work. Bentley suggests Baldpate Inn, a summer resort closed for the winter, and Magee prepares to catch the next train.

Before they leave the club, Bentley introduces Magee to Mary Norton, a newspaper writer visiting New York. Magee begs that the wager be postponed so he can show Mary New York, but Bentley refuses.

At midnight Magee reaches the inn. The Only Key in existence to Baldpate is turned over to him by the caretaker, who then departs. But is it the Only Key? Watch the papers daily for thrills, surprises and mystery.
