FIRE LOSS MODERATE

Valuation of property amounting to \$19,800 was at risk of loss by fire during the month of March, according to Chief Ambrose's report which will be handed into the mayor and city council tonight.

Insurance at risk amounted to \$13,600 with \$7,332 paid. The total fire loss was \$7,932, according to the report. Nine runs were made during the month.

BUILDING PERMITS GROW

Although the individual building permits issued for the first week in April were small, the total figure reached \$28,735.20 permits were issued, with Saturday being the largest day.

On Saturday the permits reached \$15,000 with the largest \$5,000. Most of those granted were for dwelling houses or garages with no industrial ones granted. This morning's total was \$3,200 with five permits issued.
