Goes to Town Alone First Time in Months

MRS. ALICE BRADLEY

"I don't know what there is in Sargon, but it's the most wonderful medicine I ever took in my life! Today is the first time I've been able to come down town alone in six months and it is due to the wonderful strengthening effects of this remarkable medicine!"

For months my nerves were upset and I was so rundown that I was unable to do any housework, and hardly able to get out of the house. I was so weak I spent most of my time in bed. My appetite was poor, the highest foods disagreed with me and I suffered continually with chronic constipation. I am on my fourth bottle of Sargon, my appetite is splendid, my digestion is perfect, I'm strong and energetic, my nerves are strengthened and my housework is really a pleasure. Sargon Pills have rid me of constipation for the first time in years."—Mrs. Alice Bradley, 855 Capp St., San Francisco. Magill Drug Co., agents.—Adv.
