GREAT NATURAL BOUT AROUSES FANS' INTEREST

Jackson and Langford Training Hard For Friday's Fight

A lot of interest is being shown by fans over the impending battle between Dave Jackson and Young Sam Langford. Plenty of bad blood exists between these two gladiators, as the "Dixie Flyer" has no friendly feeling for a negro. One of those "yo all" boys from "down thar," Dave has highbaited this colored boy until it is a match where both boys have more than just a victory at stake. Jackson says he will have this Langford, for he is going in there to fight, and if Sam will do his part of the fighting the fans are in for a real he-man battle.

Sam Training Hard

Sam is getting in great shape. He worked nine full rounds yesterday at top speed. In his four-round workout with Gus Eaton, a middleweight, he stood toe to toe with this colored flash, and finally, after receiving plenty of punishment, Gus called quits for the night. You will see a different Langford this Friday—one with a determination to stay it out with a boy who thinks he is far superior to him because of his color.

Dave, always in the pink, will start the hard grind of setting himself in better shape than ever before, as he realizes Sam is a tough nut, and won't be caught out of condition, for it would hurt his pride to be taken by this negro. One thing is certain. Bad blood exists here, and the fans are in for a real treat.

Past Semi Arranged

The semi six rounds is as nice a match as I ever made on paper. It is a main event, and if the boys live up to expectations, there will be action galore," said Tex Bickers, star of this morning. Shrimp McDonald, 47 victories to his credit, tangles with Benny Dyson, a boy who loves to fight. Evenly matched, they will make the fur fly every second they are in there. A large delegation of Lakeview fans will be on hand to root for the Shrimp.

Three fast preliminaries complete the card. Get your tickets now at the Waldorf, Mecca or Spar pool rooms.

Hooks and Jabs

Picture a southerner in the ring with a negro. Some fight! Don't miss it!

How this "Dixie Flyer" will like to shake Young Sam Langford's hand!

Sam will try to knock this "Yo all" boy in the creek.

Even money it doesn't go the limit—10 rounds.

The boys almost collided in the gym yesterday. Save it for Friday, boys.

Shrimp McDonald and Benny Dyson, 6 rounds—a sweet bout.

Shrimp, 19 years old, born in Lakeview, has won 47 fights, mostly by the kayo route.

Jimmy Mann, peppy catcher of the Pelicans, can handle himself with the padded mitt. Ask him.

2500 fans wanted to be on hand Sunday to root for the Pelicans to take the Medford Bear Pickers.

Defending the Double Steal

By AL DEMAREE
(Former Pitcher N. Y. Giants)

Probably the most difficult play to break up in baseball is the double-steal. Runners on first and third base with second base unoccupied, present more opportunities for complications than any other play in the game. The generally accepted way of stopping the play is outlined in my cartoon.

When E, the catcher, sees D, the runner on first base, start, he throws to second base to head him off. C, the second baseman, cuts in front of the back of the pitcher and watches A, the runner on third base. B, the shortstop, has covered second base. If the baseman sees the runner on third start in to the plate, he cuts off the catcher's throw and returns the ball to the catcher, catching the runner at the plate. If the man on third does not start, he lets the throw go through to the second baseman, who touches the runner from first.

This is a play that takes continuous practice and while theoretically it breaks up the double steal, it is not always successful. Some catchers "bluff" their throw to second on this play and then throw to third. Others throw to second and the pitcher cuts off the throw and returns it.

CONNIE MACK'S ATHLETICS GO BACK TO LEAD

Sheer Power Exerted To Recover Position Lost By Early Slump

By HERBERT W. BARKER
Associated Press Sports Writer

Connie Mack's Philadelphia Athletics have overcome the sports play that marked their early-season efforts and vaulted back into the lead in the American league race.

Home Runs Turn Trick

Al Simmons' fifth homer of the season enabled the A's to register their fifth successive victory at the expense of the St. Louis Browns yesterday, 4 to 3, in 12 innings. It was the sheer power rather than the continuity of the champion's batting that beat the Browns. Lefty Grove, A's ace southpaw, was pounded for three runs in the first two innings but Joe Boley hit two home runs and Mule Haas one to tie the score by the end of the sixth inning. Five and one-half innings of scoreless baseball followed before Simmons broke up the gang. Grove went the route for the A's as did Alvin Crowder for the Browns.

Indians Fall Back

Victims of a vicious batting attack at Boston, the Cleveland Indians fell back into a tie with the Athletics for the league lead. Four Indian pitchers were pounded for 23 hits as the Red Sox won, 18 to 3, and snapped Cleveland's winning streak of six straight. The game was decided in the fifth inning when the Red Sox fell on Hudlin, Shantz and Miller for nine runs. Milt Gaston allowed the Indians seven scattered safeties.

Tigers Take Third

The Washington Senators suffered their third straight defeat, losing to Detroit 3 to 1, in a tight pitcher's battle between Lloyd Brown and Lefty Hoge. Both went out in the eighth inning with the Tigers leading 3-1 and there the score remained.

Vernon Gomes, Pacific Coast recruit, gave up only five hits as the New York Yankees won their third straight game from the Chicago White Sox, 4 to 1. Willie Kamm's home run in the second inning accounted for the White Sox's only run. Red Faber shut out the Yanks for six innings but they fell on him for three runs in the seventh. Lasser hit for the circuit off Caraway in the eighth.

Giants at Top

In the National League, the New York Giants went back into first place with a 9 to 1 triumph over the Pittsburgh Pirates. Bill Walker was the whole show for the winners. He gave up only six hits, one a homer by George Grantham, and hit for the circuit with the bases filled in the fourth inning.

Reds Clean Braves

Cincinnati pounded Barleib Grimes for six runs in the first five innings and easily beat the Boston Braves, 10 to 6. After tallying once in the third inning, the Reds fell on Grimes for five runs in the fifth. Boston came back with five off Red Lucas in the first half of the sixth but the Reds put the game on ice in their half with four runs off Brandt. Horace Ford had a

Valente, Crosby and Norin Make Consistent Play For Finals in Herald Contest

Valente, Crosby and Norin made a determined effort to stay to the finish in the Evening Herald's Diamond Medal bowling tournament at the Klamath Recreation, yesterday. They turned in some mighty creditable scores. Norin's 259 in the third game was a beauty, but to one on the side-lines, he was robbed of a couple of hits that should have been strikes, but he had to be satisfied with spares. He hit the pins for at least 20 pins more than he got.

Valente had but two tries at the 20 that were in any way off color, and they were in the first game, but after he got the range he just layed them in the old groove time after time and the strikes began to pile up. 1873 total looks pretty sweet, and insures a place in the finals. But don't overlook that man Crosby, though he totaled nearly 100 pins less than Valente, he gave a very good sample of consistent bowling, and if he is fortunate enough to be one of the six in the finals he is going to give the others a race, at least they will know they were in a contest.

Those who bowled yesterday and their scores follow:

HEAVY BATTLES LOOKED FOR IN COAST CIRCLES

By The Associated Press

The reputedly fast stepping Los Angeles Angels make their first appearance of the season today against the San Francisco Missions at San Francisco. The Seals meet Hollywood at Los Angeles in the first game of a three weeks' tour that will take the locals to Oakland and Sacramento before returning to Recreation Park while Sacramento and Oakland clash at Oakland. The two northern-most teams of the circuit, Seattle and Portland, who with Hollywood are waging a torrid contest for cellar honors, meet at Portland. Sacramento moved into the league leadership last week by virtue of a whirlwind finish against the Seals on the latter's home ball yard. The Oaks started the week in first place and returned home for the series with the present leaders in third place.

great day at bat with three doubles and a triple.

St. Louis and Brooklyn had an off day and the Chicago Cubs played only one inning of their game with the Phillies before rain halted hostilities. Incidentally it was the first postponement the Cubs have had since the season opened.

American Walker Cup Team Lands At Old Plymouth

PLYMOUTH, England, May 5. (AP)—Members of the American Walker Cup team reached England today on the Mauretania. All disembarked except Bobby Jones, who remained aboard and proceeded to Southampton. He expressed the opinion that the team's prospects were good.

Expects Hard Fight

"But," Jones said, "I am sure that we shall have a very hard fight for I think that Great Britain has got together her strongest team in years. I myself have been playing very well I suppose, but having played a lot of golf I don't like to say too much about that. I have not played for three weeks, however, and got only a little practice on the boat. We shall see how we shape up when we get down to hard practice."

Moore Feels Shaky

Jones would not commit himself on probable pairing of his men in the foursomes. The junior member of the team, Donald Moore, evidently was thrilled over his first visit to England. "The responsibility thrown upon us by the golf association rather frightens me," he said, "but I'm determined to play my very best. I know I'll have a wonderful time."

Doug Arrives Too

Douglas Fairbanks also arrived on the Mauretania, with the intention of seeing the matches. He said that he had gone so

self-mad that he just could not remain in Hollywood while his fellow countrymen were battling in England. He was even more optimistic of the team's chances than was Jones himself.

The Americans declined all invitations to play in tournaments before the match with Great Britain. It was Jones' opinion that the men can best get rid of their sea legs by practice among themselves. They will go to Addington, Walton Heath, or Sunningdale tomorrow.

UNOFFICIAL TEST DRIVE CAR 1930

SUPERIOR PERFORMANCE

The New Oakland Eight is colorful, thrilling. It develops more power than any other automobile of its size and weight. It has acceleration, speed and power that few cars can match, regardless of price.

Yet the very features which give Oakland its superior performance also make it a remarkably reliable car. Its high power is applied to transmission and rear axle in such a smooth, even flow that strain on these parts is materially reduced. And because its reciprocating parts move at an unusually low rate for any given road speed, its engine life is unusually long.

The Oakland Eight embodies sixteen years' engineering experience with eight-cylinder automobiles. And every car undergoes approximately 25,000 separate inspections while being manufactured!

That is why mile after mile, month after month—Oakland performs with that unflinching dependability which is, by far, the biggest factor in the continued enjoyment of an automobile.

Consider the delivered price as well as the list (f. o. b.) price when comparing automobile values. Oakland delivered prices include only authorized charges for freight and delivery and the charge for any additional accessories or financing desired.
