## MAIN EVENTERS RARIN' TO GO FRIDAY NIGHT

### Jackson-Langford Duel Bound to Be Fatal To Someone

Friday's main event is bound to be one of those athletic contests we often read about but seldom see. With two young athletes in the pink of condition and rarin' to go at each other, the score is bound to flow and someone is apt to take a sleeping potion.

The nice part of it is that this is a grudge fight. Dave Jackson, a southerner with a distaste for mixing it with colored boys, has a grudge at himself and the world in general for coming up a fight with Young Sam Langford and it is his intention to put the public's mind at rest concerning the superiority of the white race.

On the other hand, Sammy, while perhaps not nursing a grudge, has a keen desire to take the fiver down the line and show him that when it comes to fighting, the colored race has a place in the sun. Sammy is in the game for his daily bread—and pork chops—and Mr. Jackson's breeding and reputation give him little concern.

### And The Semi

Don't forget that semi six round meeting between Benny Dyson and Shrimp McDonald. It will be all the cash customers can well wish for. A couple of game cocks, these two. Both weigh 115 pounds and are noted for their willingness to mix it. Both hit and it wouldn't be surprising if one of them measures the ring floor. Lakeview is coming strong to back their favorite.

### Special Arranged

The special four rounds will feature Red Hansacker and Ted Kid Evans. Both sock hard and like the racket. Evans, if successful, wants a return match with Steamboat. Red stole the show Saturday evening at Chiloquin when he and Leo Burns put up a great bout.

Young Sinnott will have his hands full when he meets rugged Indian battler, up to Modoc Point. Johnny Jackson, both young and ambitious and they will do their stuff without being hustled.

Two ambitious pupils have been booked to open the show. Gus Eaton, protegee of Sam Langford, and Chris Fanelle, Eddie Arthur's champ, will open the show with a four-round bout. A well-balanced card, and one which should please. Tickets on sale at the Waldorf. Spar and Macca today.

## PRINCE PAIRS WITH GOLF ACE

Bobby Jones Says Wales Plays a Good Game and Watches Every Drive to Improve Style

SUNNINGDALE, England, May 8. (AP)—The Prince of Wales played as the partner of Bobby Jones in a four-ball match this afternoon.

Wales arrived at Sunningdale shortly after lunch, was introduced to Jones and the other members of the American Walker cup team, and soon was deep in conversation with Jones over golf. The Americans had completed their morning practice, and a four-baller was quickly arranged, so Wales could play with Jones.

The prince, who knows a good golfer when he sees one, chose another great American player for a partner last year, pairing with Walter Hazen against Sir Philip Sassoon and Aubrey Boomer, British professional. The prince and Hazen were victorious, one up. "What I like about the prince's game," said Walter, afterwards, "is his keenness and the clean way he hits the ball. He may hit a little over hard at times, but he watched the effect of each shot and tries to better it."

### PRIMO STILL BOXING

SPOKANE, Wash., May 8. (AP)—Primo Carnes, Geoneste tyro, in this country as a heavyweight hope, has another exhibition contest added to his boxing experience in the United States. Last night he cutted three heavy but much lighter opponents through six 2 1/2-minute rounds before a thousand customers here.

## Dark Horses Loom Up in Race As Medal Tourney Progresses

More big scores are being shot in the Herald's Diamond Medal Tournament at the Klamath Recreation and it looks very much like some of the talent will be upset and dark horses will crowd the finish. Otis Wilson turned in quite a respectable sized total of 1896 and it was thought sure he would make the finals, but "in a game of ten-pins take nothing for granted," was demonstrated in a very favorable manner yesterday, when it was found that at the close of business, Wilson's total stood in exactly seventh place with eight more bowlers to be heard from.

Ward went wild again yesterday and shot ten-pins for fare three well, chalking up the handsome total of 2038 pins. Big Mike Parsyck lacked one pin of the 1900 mark, while Bud Carroll came within nine pins of the 2000 total.

Table with columns: Name, Hdp., 1, 2, 3, 4, 5, 6, 7, 8, 9, Total. Rows: Snyder, Ward, Parsyck, Carroll, Wilson.

## Zachary Displays Both Youth And Age on 33rd Birthday

By HUGH S. FULLERTON, Jr., Associated Press Sports Writer. Jonathan Thompson Zachary of the New York Yankees is not the oldest pitcher in the American league, in spite of his nickname, "Old Tom." Nor is he by any means the youngest. Tom became 33 years old yesterday and he celebrated his birthday in harness showing the youngsters a few things and beating the Cleveland Indians, 8 to 7.

Aided by Ruth Zachary received some aid from another Yankee ancient, Babe Ruth, and from Roy Sherry, who is more than ten years younger. Ruth contributed largely to the five run rally which decided the game by hitting his fourth home run of the season with two on base. Sherry came to Zachary's rescue when he weakened in the late innings. Except in three National league games yesterday, the pitchers had the better of the Major league batters. Bennie Frey of Cincinnati and George Earnshaw of the Philadelphia Athletics turned in the best performances, each allowing only three hits. Frey won his game but Earnshaw lost.

Stewart Rats Earnshaw Two of the three hits of Earnshaw were made by the opposing pitcher, Walter Stewart of the St. Louis Browns, who pitched a six hit game. The third was a homer by Sammy Hale with one man on base which gave the Browns a 2 to 1 decision. Frey

won his third straight game and his second 1 to 0 contest by stopping the Boston Braves. Cincinnati did not come through against Ben Cantwell until the ninth inning when a pair of doubles brought the game's only run.

Whitehill Puzzles Senators Earl Whitehill of Detroit had the better of three Washington pitchers, holding the Senators to six hits for a 3 to 1 triumph. The Tigers got eight blows. Horace Lisenbee allowed the Chicago White Sox a dozen hits but kept them harmlessly scattered while Young Tom Oliver led the Boston Red Sox to a 6 to 4 victory. Oliver, who has hit safely in 16 consecutive games, got four blows in five times at bat.

Cards Heavy Hitters The St. Louis Cardinals were in the front rank of the heavy hitters yesterday as they hammered five Philadelphia pitchers for a 14 to 11 victory. The game produced 35 hits, 19 of them for extra bases, and five home runs. The Cards had just one hit margin but they bunched their clouts for nine runs in the fifth inning.

Not far behind came the Pittsburgh Pirates and New York Giants, dividing 31 hits in Pittsburgh's 14 to 8 victory. The Giants got 16 of the blows but Pittsburgh greeted the debut of Roy Parmelee as a starting pitcher with a six run burst and never were overtaken.

rival Ashland team into camp to the tune of 16-1. Weather conditions and grounds are credited for the large score.

With nice weather prevailing Sunday the fans are in a fair way to see some hot baseball. Red has his proteges working hard under adverse weather conditions, and will have them in these fighting their best to keep at the head of the percentage column.

Game is called at 2:30 sharp.

Freberg Makes It In Two Straight Against Velkoff

PORTLAND, Ore., May 8. (AP)—John Freberg, Minneapolis heavyweight wrestler defeated Nick Velkoff, two out of three falls here last night, while Dr. Carl Sarpolis, Cleveland medic and Bob Kruse, Oswego, wrestled to a draw in the six round affair.

Velkoff took the first fall with his bear hug in 21 minutes 20 seconds. Freberg won the second in 10 minutes 30 seconds with crotch hold and body slam and made short work of the final fall with an airplane spin in 2 1/2 minutes.

Kruse won his fall with a wristlock, Sarpolis with a flying scissors and arm bar.

Elmer Guthrie downed Ray Jeffries for the only fall of the curtain raiser with a double arm split.

## SEATTLE FIVE TIES SALEM'S LEGIONNAIRES

### Fight Is On For Lead In Five-Man Team Bowling Race

SEATTLE, May 8. (AP)—With leading Seattle teams out of the way, out-of-town fives stand an excellent chance of carrying off the five-man major championship in the 15th annual Northwestern International bowling congress in the last three days of play.

Bergonians, the Salem Seattle's strongest combinations completed last night with three landing on top in the feature race—the Bergonian Hotel No. 1 five going into a tie with the Salem legionnaires of Salem, Ore., for first place, and the Cornelius Cafe and Packer company teams rolling into second and third places, respectively. The Bergonian squad scored 2,768 pins, Cornelius 2,751, and Packer 2,742.

Wetfield and Gold of Everett cracked 2,738 pins to rank fourth, and another Everett team, Pacific Mutual Life Insurance, forged into fifth place with 2,728.

Portland Competes Tonight Among the leading five-man combinations to compete tonight are East Side Commercial Club, Heathman Hotel and Imperial Hotel, all of Portland.

Langley and Churchill of Seattle continue to lead in the major doubles, with 1,445, and Oscar Stevenson of Wenatchee continues to hold the top spot in the major singles, with 652.

Capitol Electric company of Olympia is still showing the way in the commercial five-man division, with 2,656; Winter and Garraway and Brown and Lewis, both of Vancouver, B. C., lead in the commercial double with 1,173 each, and VanWieder of Salem is the high man in the commercial singles, with 652.

Wenatchee Man Leads H. W. Hingley of Wenatchee tops the major all-eventers, with 1,746, and Brown, Vancouver, holds first place in the same event in the commercial division. William Craig of Bremerton unseated Harold Danley of Portland for the best single game score of the tournament when he counted 255 pins in his double match yesterday.

Danley had held the best score since Monday, with 248.

According to old timers, the first 8-10 split to have ever been scored in the history of the congress was made last night by Lindsay of the Chamber of Commerce No. 1 team of Tacoma.

Shoots Ten Spares The unusual feat of scoring ten consecutive spares in a single game was hung up by Eddie Bergman of the Puget Sound Power and Light Co. No. 1 team of Seattle last night. Bergman's score for the game was 184.

Leaders in the five-man major race are as follows: Salem Legionnaires, Salem, Ore., and Bergonian Hotel No. 1, Seattle, led, with 2,768; Cornelius Cafe, Seattle, 2,751; Packer Co., Seattle, 2,742; Wetfield & Gold-Berg, Everett, 2,738; Pacific Mutual Life Insurance company, Everett, 2,728; Pasco's Barbers, Renton, 2,707; Rippe's Cafe, Seattle, 2,698; Pheasants, Tacoma, 2,688; Overland Transfer company, Seattle, 2,676; Chamber of Commerce No. 1, Tacoma, 2,462; Wenatchee Apple Blossoms No. 1,

## BREAKS FAVOR ANGELIC HOLD ON TOP ROUND

### Own Winning and Race Between Sacs and Oaks Factors

By The Associated Press Los Angeles' hard-hitting Angels today were more firmly entrenched in the Coast league leadership.

Boosting their total of hits to 33 for two consecutive days, the Angels defeated the San Francisco Missions 14 to 4 at San Francisco in a contest that looked like a baseball game until the third inning, then dragged along slowly to a late finish.

The Angels gathered 20 hits while defeating the Missions Monday and added 19 to this number yesterday. Wes Schumacher, Los Angeles outfielder, accounted for four of the 19 safeties in four trips to the plate.

The entire afternoon program will be broadcast from college radio station, KOAC, by Wallace Kaddery, program director. Here are Merrill's entries: 100-yard dash—Lewis. 220-yard dash—Lewis.

Final events in the afternoon program will start at 2 o'clock. James J. Richardson, manager of the Multnomah club of Portland, will be starter.

Sacs Take Revenge Meanwhile across the bay at Oakland, Sacramento's slugging Senators were revenging themselves for Monday's defeat by slaughtering the Acorns 14 to 9. Ray Keating spitballed the Oaks to death while his teammates were gathering 14 hits off Oakland pitchers.

Sacramento virtually clinched the game in the first inning with four runs, but made victory more certain by adding two in the second, one in the third, two in the fourth and three in the sixth before Oakland tallied once.

The Senators' victory broke a tie for second place between them and their opponents of this week.

Sacs Eke Out Victory Vance Pazo, young Hollywood right-hander, handed out 15 hits at Los Angeles but San Francisco was hard put to eke out a 4 to 3 victory. John Miljus helped out his own cause by gleaming two doubles and a pair of singles in five chances, meanwhile holding the Stars to eight scattered hits.

Earl Shetley, Seal fist baseman, also performed well with the stick, settling four singles in as many chances.

Seattle and Portland again were idle, rain interfering with the second game of their scheduled series at Portland.

The Pelicans boast of three star chasers—Moser, Beck, Hilton.
