CAMPOLO ALTERNATE NEW YORK, May 29, (AP)—Heavyweight, has been named by Madison Square Garden as the alternate for the Max Baer-Jack Sharkey title bout at the Yankee Stadium June 12.

Start taking Kruschen Salts—that's the common-sense way to reduce—but don't take them with the idea that they possess reducing qualities in themselves.

This is what they do—they clean out the impurities in your blood by keeping the bowels, kidneys and liver in splendid working shape and fill you with a vigor and tireless energy you'd most forgotten had existed.

As a result instead of planting yourself in an easy chair every free moment and letting flabby fat accumulate you feel an urge for activity that keeps you moving around doing the things you're always wanted to do and needed to do to keep you in good condition.

Then watch the pounds slide off!

Kruschen Salts are the up-to-date Britain of Youth. Take one-half teaspoonful in a glass of hot or cold water tomorrow morning and every morning—they're tasteless that way, and if they don't change your whole idea about reducing, so back and get the small price you paid for them. Get an 85 cent bottle of Kruschen Salts—lasts 4 weeks—at Whitman Drug Co., or any progressive druggist anywhere in the world—Adv.
