Youth Identifies "Graft" Policeman

PORTLAND, June 13, (AP)—Irving Rodinsky, 23, son-in-law of Nathan Goldberg, junk dealer, who told police yesterday that two policemen demanded money of him to quash supposed charges against Rodinsky, today were identified by the son-in-law as C. L. Miller and B. B. Baird, policemen working out of a sub-station here. Rodinsky said his wife, the daughter of Goldberg, and he were sitting in a parked car near Reed college when the two policemen arrested them. They drove to Goldberg's home, where the policemen are alleged to have demanded money. L. V. Jenkins, police chief, ordered all to appear before Mayor Baker late this afternoon.

ROSEBURG—Mrs. C. C. Miles, 75, Chico, Cal., suffered several broken ribs and other injuries when the car driven by her husband turned over following a collision with an automobile driven by R. E. Keller of Pendleton.

HOW WHITE IS WHITE?

WE USUALLY think of newly laundered things as pure white. But the truth is that most of the time they are not white at all. Sometimes they are gray, sometimes they are yellow, and sometimes they are even blue. It all depends on the soap.

White things will emerge from washing absolutely white if they are washed with a soap that is absolutely pure. And White King Granulated Soap is the purest soap made. No "filler" nor foreign matter—nothing but the finest vegetable oils, good enough to eat!

It's economical too! Because White King is concentrated, a little of it goes a long way. One teaspoonful in a basin of water, one cupful in the tub. Safe and swift for blouses... dishes... lingerie. Your grocer has it.
