## TRADES MADE TO STRENGTHEN TEAM LINEUPS

### Many Club Owners Make Preparations For Crucial Games.

NEW YORK, June 17. (AP)—Two big baseball trades have been swung as frantic club owners and managers seek to strengthen their lineups for the crucial engagements just ahead.

In the National league, Burleigh Grimes, veteran spitball ace, has been traded by the Boston Braves to the St. Louis Cardinals for "Wee Willie" Sheer and Fred Frankhouse in a deal involving nothing but pitchers.

In the American league, the Chicago White Sox have exchanged Art Shires, once pugnacious first baseman, for Garland Braxton, pitcher, and Benny Tate, catcher, of the Washington Senators.

The Braves-Cardinals deal came as no surprise to baseball men, who have known the clubs have been trying to get together on the trade for some time. Grimes, one of the highest salaried pitchers in the league, came to the Braves from Pittsburgh this spring in exchange for Percy Lee Jones, south-paw, and an unnamed amount of cash.

The trade of Burleigh Grimes, a hold-out at Pittsburgh, has failed to round into winning form for the Braves. He has dropped five games and won three, and only yesterday was pounded out of the box by the Cincinnati Reds.

Emil Fuchs, owner of the Braves, hopes to bolster his pitching staff with the addition of Sheer and Frankhouse. The former, chiefly a slow-ball pitcher, has been considered one of the steadiest of the Cardinals' pitchers, and Frankhouse has been used chiefly in relief roles.

The trade by which Shires goes to Washington was entirely unexpected. Manager Donie Bush made it clear that he was letting Shires go, not because of any unfitness on the part of baseball's one "bad boy" but solely because he thought the trade would strengthen the White Sox.

Clark Griffith, owners of the Senators, said that Shires would be used regularly at first base until He Judge, veteran first sacker, recovers from a bad "charley horse," but that Judge would get better at his station as soon as possible. After that, he added, Shires would be used chiefly in utility roles, and as a pinch hitter.

The most important other development in the baseball situation yesterday was the decision by the National league to take no action on the lively ball. Figures were presented to show that the fans enjoy the barrage of base hits and the club managers decided to let well enough alone.

## FIRST ROUNDS OF COMPETING GOLFERS START

### Toughest Opponent—Old Man Par—Is Out of the Way.

VANCOUVER, B. C., June 17. (AP)—With their toughest opponent—Old Man Par—out of the way, the 22 men and 22 women qualifiers in the Pacific Northwest Amateur tournament settled down today to play each other in the first rounds of match competition.

Competing on two courses 20 miles apart yesterday, the men qualified over 24 holes at the Vancouver Golf club and the women over 13 holes at Shaughnessy links. The women had planned to shift to Vancouver tomorrow for the remainder of their tournament, but some talk was heard today of the feminine golfers continuing at Shaughnessy until Friday.

Bagging an amazing 68 on the morning 18 and a 74 on the afternoon round, Forest Watson of Seattle topped the field of 109 men starters in the qualifying play yesterday, to win medal play with a total of 142. Watson won the amateur championship in 1926, and is considered as one of the boys to beat for the title this year.

The defending title holder, Frank Dolp of Portland, and Freddy Woods, Vancouver's pride, tied for second honors, with 144 each. Malcolm McNaughton and George Will, both of Portland, finished third and fourth, respectively, the former with 146 and the latter with 149.

Mrs. K. S. Reed of Portland and Mrs. E. McAllister of Vancouver tied for medal honors in the women's qualifying round, with 85 each, and they were scheduled to meet in a special nine-hole match today to decide who should take the medal prize.

Mrs. Vera Hutchings of Vancouver, defending champion, took one more stroke to finish in second place, with an 86.

SAVING SCOTTY  
A visitor from Aberdeen at a Liverpool hotel inquired about the board charges. The figures being rather high, Sandy exclaimed:

"How much do you charge for saving my car?"  
"No charge, whatever, he was told."  
"Well, then," decided Sandy, "I will sleep in my car tonight."  
—Liverpool Post.

## Benny Dyson Training Hard For Main Event Friday Night

One serious little man with 118 pounds to back him up can be seen each evening at the Legion arena taking on fellows 50 pounds heavier than himself and the way he wades into his sparring partners is a sight for sore eyes.

Last night before a large crowd Benny boxed with three fighters and under the watchful eye of Manager Benny Dotsen he is getting in the best shape of his career. Benny, one of the leading lightweights on the coast a few years ago, is highly impressed with his protégé and is coaching him in all the tricks he knows, and you know Dotsen has boxed in Madison Square Garden, N. Y.

Little Dempsey as Dyson is rightfully nicknamed, is punching harder and has increased his speed. One thing the fans are sure to witness is a couple of baby wildcats in action and if they start off the same way as when they met before it is a practical certainty that the bout will go the 15-round limit as these youngsters only know one thing when they step into the ring—FIGHT!

McDonald Training Hard  
Chas. Towers, trainer-in-chief at McDonald's camp, sends word that his charge is whipping into great shape and is down to 120 pounds. Shrimpy expects to stop Benny in less than seven rounds. All of Lakeview is planning to

come for this stellar event and are bringing plenty of dough to back their boy.

One thing is positive—the fans will see some fight. Young Sam Langford, the "black ball," is getting in great shape for his go with Al Trueman. Manager Archie Rice is taking a great interest in his new charge and tells the fans to have a bet on his champ. This Trueman is the much talked about welter on the coast. Only a youngster, he has done every thing asked of him. His manager went to let him go 10 rounds as yet, exercising patience so as to have him experienced enough next winter to get a crack at Young Corbett, the demon south-paw who is fighting Young Jack Thompson on the 4th in 30a.

A nice card and full of action. Get your tickets at the Mecca. Waldorf or Spar pool rooms.

Burns to Fight  
Al Valachi of Roseville, Cal., a favorite among the S. P. railroad men, is coming up to take on Battling Burns in a four-round go.

Bearcat Burns and Joe Rubyo are slated for four rounds but the way they go it looks like a kayo here.

## LANE COUNTY HUNTER WINS COUGAR PRIZE

### Bud Kintzley Awarded \$175 for Biggest Kill of Year.

By killing a total of 26 cougar during the 12 months ending June 1, Bud Kintzley of Fall Creek, Lane county, won \$175 in cash offered by the state game commission and won for himself the title of champion cougar hunter of Oregon. George W. Ramsey of Estacada and Tony Eriehach of Tillamook accounted for 17 of the "big cats," and are tied for second and third prizes of \$125 and \$100 respectively. It is probable that the game commission will give each \$112.50. For fourth and fifth prizes of \$75 and \$50 four men are tied, with kills of 12 cougar each. They are Charles H. Erwin of Hoaglin, Gard Sawyer of Elkton, William Clark of Oak Ridge and Harry Wright of Glida.

841 Cougar Total Killed  
During the contest period a total of 841 cougar were accounted for in all sections of the state. This exceeds by a considerable figure the record of any previous year. There is a state bounty of \$25 on each cougar killed in Oregon woods, but to inspire hunters to increased activity and thus aid in the protection of deer the commission offered, more than a year ago, prizes totaling \$500 to be distributed among the five leading hunters. By the activity which followed the offering of the prizes it is safe to say that several hundred deer were saved. A cougar is said to account for the killing of at least one deer a week throughout each year, and makes greater inroads among deer than do hunters during open season.

Harold Clifford, state game warden, is pleased with the results of the contest, and intends to recommend to the commission that a similar contest be held over the coming 12-month period.

New "Fish Pullman" Tested  
The new "Fish Pullman" of the state game commission was tested out last week by Harold Clifford, state game warden, and Matt Ryckman, superintendent of state hatcheries, and found to be a complete success. It is equipped with an oxygen tank of 220 cubic feet capacity, which makes it possible to transport live fish hundreds of miles.

The old "Fish Pullman," which was in use for several years, and distributed millions of fish from hatcheries to lakes and streams of the state, has been discarded. During its useful life it traveled more than 75,000 miles. The first act of the new tank truck was to carry 35,000 legal length trout from the hatchery above Estacada and liberate them in Dodge Park, east of Portland.

## Sportsmen's Clubs Asked to Submit Proof of Charges

PORTLAND, Ore., June 17. (AP)—The state game commission yesterday adopted a resolution requiring the three sportsmen's organizations which brought charges against Harold H. Clifford, state game warden, and E. H. Clark, assistant state game warden, to file affidavits within their charges setting out in detail the four charges made against Clifford and Clark.

The commission, after much consideration, decided the charges contained in various papers were blanket charges and that no definite implication could be found. David B. Evans, newly appointed commissioner of Eugene, branded the charges as "shotgun affairs" which really neither accomplish or set forth a definite accusation.

The three organizations, the Multnomah Anglers and Hunters' club, the United Sportsmen and Isaac Walton league, were represented by Maynard Cole, a member of the Multnomah organization and chairman of the law enforcement committee of the club.

The formal hearing, the commission decided, will be arranged as soon after the affidavits are filed as possible. Wilford Allen, Grants Pass commissioner, moved that the charges be heard at the meeting yesterday but his suggestion was turned down by the remainder of the commission.

Capital's Annual School Bill Heavy  
SALEM, Ore., June 17. (AP)—Dr. H. H. Olinger, incumbent, and Mrs. Roy S. Kewee were elected members of the Salem school board in the annual school election yesterday, defeating Dr. B. F. Pound and A. H. Moore.

At a meeting of the Salem school board last night it was reported that the cost of maintaining Salem's 12 schools during the school year just closed was \$407,567.25.

## COAST LEAGUE NEARS FINISH OF FIRST HALF

### Teams Open Last Four Weeks Period With Today's Play.

(By The Associated Press)  
Going into the last four weeks of the first half of the Pacific coast baseball league season, the Sacramento Senators, in first place by a two and a half game lead faced the probability that the seventh place Seattle Indians would not give them serious trouble in this week's games.

The Senators remaining series of the first half are two with Hollywood and one with the Missions. The Sacs boasted the two leading pitchers of the league, in spite of the fact that Tony Freitas suffered his first defeat of the season at the hands of Oakland Wednesday night. Keating of the Senators was second in the standings, with Walters of Portland third.

Missions Ambitious  
The Missions, only half a game behind Oakland and ambitious for a place in the first division, took individual batting honors, with Ike Boone far ahead of the pack, prepared to open their second successive series with Hollywood, having won last week's long sojourn in the cellar Saturday, were again in eighth place as they journeyed to Oakland to open a week's stand.

Zamloch's men, home after losing the first night series in league history to the Senators, were ready to recoup their fortunes at the expense of Portland under sunlight.

## Cut-Throat Actions of Giants And Cubs Helps Robins' Lead

By ORLO ROBERTSON  
Associated Press Sports Writer  
The Brooklyn Robins are out in front of the National league pack by only 3 1/2 games, but the cut-throat actions of the Giants and Cubs makes that advantage look mountainous at this state of the pennant race.

With the Robins bowling over their rivals consistently, the Giants and the Cubs have come to the aid of the league leaders during the past three days in their battle for runner-up honors.

Three days ago the Robins were 3 1/2 games out in front, and today they still hold that lead, although the Cubs have gained one full game on the Giants by taking two of their first three contests. They meet again today.

Grimm's Bat Working  
Charlie Grimm, the league champion field captain, proved the big gun in the Cubs' second victory yesterday. His home run with the bases full in the ninth gave Chicago an 8 to 5 decision over New York. All of the Giants' runs were made on home runs by Terry, Jackson, Allen, Leach and Hogan, the first four hitting their circuit drives in the first three innings, and Hogan adding his more or less as an aftermath in the ninth.

Stage Track Meet  
The Pirates and Phillies staged a typical Pittsburgh-Philadelphia

ball game, the latter winning a slug fest 18 to 14. At one time the game resembled a track meet. Chuck Kiel hit in his twenty-fifth consecutive game, and took the National league home run leadership with his nineteenth circuit drive.

The Cincinnati Reds had little mercy on Burleigh Grimes and Bruce Cunningham, pounding out a 11 to 1 decision over the Braves. Ray Phelps turned in a neat pitching assignment to enable the Robins to defeat the Cardinals 5 to 3.

Tigers' Drive Wins  
By a margin of three points the Athletics clung to their American league leadership, as they lost to the Tigers 9 to 8. The A's got away to an early lead, but Klon Hoxsett pitched fine relief ball, while Dale Alexander and Roy Johnson drove in seven runs. Johnson hit two home runs while Alexander got one with two men on base in the fifth.

Ted Lyons again failed to win his tenth game of the season when the Boston Red Sox made it two straight over the White Sox, winning 6 to 3.

The Senators unleashed a heavy offensive in the last three innings to take the measure of the St. Louis Browns, 9 to 7. The defeat stopped a four-game winning streak for the Browns.

The Indians and New York Yankees were rained out at Cleveland.

## See Possibility Of Foul Play in Professor's Death

MEDFORD, Ore., June 17. (AP)—Jackson county authorities today announced that Granvyl G. Hulse, University of Washington professor, was killed Sunday night on the Crater Lake highway when his automobile overturned after he had been shot in the chest apparently by a stray bullet.

Hulse was at first believed to have been the victim of an ordinary traffic accident. C. P. Talent, state traffic officer, launched an investigation when a round hole, resembling a bullet wound, was found in Hulse's chest.

Hulse had been visiting Crater Lake national forest and was apparently enroute home when the accident occurred.

PORTLAND, June 17. (AP)—The state game commission yesterday adopted a resolution requiring the three sportsmen's organizations which brought charges against Harold H. Clifford, state game warden, and E. H. Clark, assistant state game warden, to file affidavits within their charges setting out in detail the four charges made against Clifford and Clark.

## HEARING POSTPONED

The hearing for Jerry C. Murphy and T. R. Kouts, charged with the possession of moonshine whiskey, which was set for

this morning at 10 o'clock, has been postponed until July 8. Both Murphy and Kouts have been released on bonds of \$100 each.

## FRENCH-CANADIAN DISCOVERS REMARKABLE REMEDY FOR PILES

Protruding, Bleeding Piles Made Him Weak from Loss of Blood

WELL MAN TODAY AND TELLS WHAT HE USED

"My wife knows how I suffered with piles. Nobody can realize the pain and agony until they have a real bad case. Mine were the bleeding, protruding kind, so bad I would get dizzy spells and grow so weak from loss of blood I could not stand at my work of decorating and painting," declares Mr. Simon Gerrier, formerly of Garden Road, Stoneham, Mass., but now in Eel Brook, Nova Scotia.

The leading druggists of Stoneham were recommending Colac Pile Pills to be taken internally. I could not imagine pills doing me good, but after using one bottle my piles stopped bleeding. I bought two more bottles and have taken them all and haven't had piles since. I feel O.K. Colac Pile Pills made a new man of me and they will do the same for others." continued this enthusiastic man. No one should suffer longer. Anyone wishing to try Colac Pile Pills without risking a penny should obtain a bottle at the drug store or send 75c in stamps or coin to Colac Chemical Co., Brentwood, Md., for regular bottle, full directions, return mail. Take as directed and this nationally known concern guarantees relief or money back without quibble or question. You but no results. Then I discovered the sole index.
