FOR SALE—Real Estate

SUBDIVISION OR DAIRY
Fifty-five acres, all under irrigation, about \$10,000.00 worth of improvements. It has a beautiful home with fine shade, lawn, etc., with a wonderful view of city and surrounding country; most of the adjoining land has been cut up into small tracts which has sold and being sold at prices ranging at the rate of \$1000.00 to \$2000.00 per acre, which is the best evidence obtainable that this property would be a very profitable investment for a sub-division; however, the price is much lower than that paid for this class of property out of range of a sub-division proposition several miles farther out.
