## TEX PROMISES CUSTOMERS A SNAPPY CARD

### Langford and Trulmans Ready to Put Up Battle Royal

Wednesday's fight card is one of the best Tex Bickerstaff has ever arranged for the local arena, and that is saying a lot when one considers the class of bouts that have been staged here the past few months. With five stellar bouts and Bobby Ross as the third man in the ring, there is little left to say to add to the attraction, other than that Tex guarantees action from the curtain raiser to the final act in the main event.

Opening with a four round bout between Finley Wilson and Jockey Bowers, Joe is starting his program without any fuss or feathers. These two bantams mean business and when they come together one or both will know he's been some place and seen something—mainly some gloves. Wilson is that little redskin from Chiloquin who showed a willingness to mix it in a few showings here last fall. He's the kind the fans like. Jockey Burns is helping exercise the ponies out at the race track and between shifts does some vigorous training with the gloves. For the past week he has been working under the watchful eye of Kid Ryder and the way he has improved is a great boost for that sterling old master of the ring. This bout will be sure to please.

**That Light Heavy Bout**

Unless something happens, Gus Eaton and Pat McCoy, light heavies, will go four rounds. Gus, who is Sam Langford's stable mate, promises to box the Dorris boy all over the ring. The lumberjack was in town yesterday working out at the arena and he showed himself to be a willing, hard punching boy, and game. A boxer vs. a slugger.

**May Steal Show**

The special event four rounds at 140 pounds, Austin Rosander vs. Battling Leo Burns, might just possibly steal the show. These boys have met before and they had the fans on their feet half the time. If you don't get your money's worth in this bout alone it will be because you're mighty hard to please.

And that semi-windup! Six rounds of heavy weight punching. Dick Reed is in good shape and he will need to be for he is meeting one of the toughest boys ever to show here—Earl Beebe of Portland, who comes as a substitute for Tiny McCumber. Tiny is suffering with a severe cold and it was thought advisable to keep him out of the ring. This should be a whale of a scrap. Dick tips the beam at 205 and Earl at 193—some beeg boys.

**The Main Event**

The final bout, the main event should be eight rounds of as fast fighting as has been seen here. Trulmans and Langford are both clever boys—the one an experienced man who has met the best boys of the weight in the game today, and the other a youngster just coming on and at a fast clip. Thammy is training like nobody's occupation for this particular bout for if he takes Trulmans he will be in line to go after some of the choicer meat in the big pastures. He is a wonderful boxer and can hit like a trip-hammer. Trulmans has about all the qualifications of a high class fighting man and promises the fans he will watch his step this time and deliver the blows where they will count in his favor. Plenty of action here and again a bout worth the price of admission alone.

## Big League BASEBALL

*"Head First Slide"*

By AL DEMAREE
(Former Pitcher N. W. Giants)

The "head first" slide has been almost entirely eliminated by modern base runners, although as great a runner as Frank Frisch employs it occasionally under certain conditions. Many great base runners of the past like John McGraw, Buck Herzog, Hal Chase and Dode Paskert used it exclusively and were successful.

It is quite often used today by runners getting back to first base when they are caught flat-footed by a quick throw by the pitcher or catcher.

Hal Chase used to use it when he was caught so far that the orthodox "feet first" hook slide was useless. He would throw his body head-foremost one way and give the catcher only his hand to touch. When the catcher attempted to tag his hand he would change hands and often outwit the catcher this way.

And also you can't break any legs or ankles by the spikes catching in the dirt or plate when the head-first slide is used. This made this form of sliding quite popular with the veteran players who felt their legs growing brittle.

However, I would not advise it except under two conditions: When you scramble back to first base or are caught so far at a base or the plate as to make the hook slide useless.

## MANY HORSES ARE ENTERED

### Caldwell Horses to Run Here During Big Race Events

Three of the prettiest runners to appear at the Klamath county fair grounds to participate in the Days of '49 race meet were brought in Monday from the Caldwell Stock Farms from Ridgefield, Wash., it was learned from officials of the meet.

The string, brought here by the owner, J. S. Caldwell, is en route to Agua Caliente to enter the mid-summer meet after a successful meet at Vancouver, B. C., where the three made an excellent showing.

**Starting Gate Arrives**

Photographs of various horses and strings were displayed at prominent places in Klamath Falls beginning this morning on large poster cards. This includes high school and running horses that it is predicted will be favorites at the meet during the celebration which will continue from July 3 to July 6, inclusive.

One of the latest starting gates used in race meets reached Klamath Falls Monday and will be set up this morning. Everything is being whipped into shape and the horses schooled at the starting gates and barriers ready for the meets.

**Paddock, Jumps Arrive**

The new paddock tent, 50x100 feet, arrived Monday and was set up today and the grounds cleared. The pole jumps, wings and brush jumps for the jumping horses are completed and the trainers are busy training the horses in order that they may appear their best before the crowds expected at the celebration this week.

More than usual interest is being displayed in the Days of '49 race meet and horse show and attractive posters have been distributed to merchants and businessman for display in windows. The entire community is expected to turn out en masse to witness the first day races, scheduled for Thursday.

## Sportsmen Desire Chance to Parley

SALEM, Ore., July 1 (AP)—The Portland chamber of commerce has sent a resolution to Governor Norblad requesting that, in event of a possibility that Oregon forests may be closed to deer hunting during the fire season, no order be issued until a conference has been held with forestry officials and sportsmen's organizations. In past years the closing of the forests by order of the governor as a protection against fire has caused bitter controversy.

## CANADIAN TO MATCH SPEED WITH SIMPSON

### Percy Williams and Ace From Ohio to Run This Afternoon

By FRNAK G. GORRIE
(Associated Press Sports Writer)

VANCOUVER, B. C., July 1, (AP)—The world's 100 meter dash record may or may nit be broken today in the Dominion Day track and field meet, but Percy Williams, Vancouver's double spring champion in the 1928 Olympic games, will have the pleasure of again conquering some of America's fastest athletes or suffer his first "big time" defeat.

In his first important race since his victory over Eddie Tolan, University of Michigan negro, and Frank Wykoff, Glendale, Calif., here last year, Williams was pitted against George Simpson, Ohio State "Buckeye Bullet," and Tolan this afternoon.

**Tolan Holds Record**

Tolan is the official holder of the world's 100-yard dash record, with a mark of 9.5 seconds, and shares the 100-meter figure of 10.4 with Charlie Paddock, the former "fastest human." Williams equalled the Olympic games time of 10.6 when he won the 100 meters in 1928.

Wykoff clipped 1-10 of a second off the century mark in Chicago early last month. He declined an invitation to compete in the Vancouver meet.

The special 100 meter race was one of 22 events to be witnessed by more than 15,000 spectators.

**Colleges Have Entries**

The athletes on the program included:

Washington Athletic club, Seattle: Paul Jessup, weights; Rufus Kiser, mile; Eddie Genung, quarter mile, and "Podge" Smith, hurdles.

University of Oregon: Bobby Robinson, pole vaulter.

Washington State College: Wesley Foster, springs; Homer Heln, javelin; Potter Lainhart, jumper, and Ben Herron, pole vaulter.

## Tennis Tournament Interest is High

The Klamath Falls Tennis club last night acknowledged with sincere thanks the donation by the Elks lodge of a loving cup to be given the winner of the singles in the Southern Oregon tennis tourney to be held here July 4, 5 and 6.

Clifton Richmond, president of the club, says that trophies have now been provided for both the men's and women's singles. It only remains to secure prizes for the winners of the three doubles matches.

Because of the increased popularity of the tennis ladder tournament it has been necessary to increase the size of the ladder to accommodate the 50 players who have already entered.

Recent ladder matches have resulted in the following scores:

Huls vs. Shehorn, 6-3, 6-4.
Shehorn vs. Dixon, 6-2, 6-3.
Elliott vs. Sloan, 6-2, 6-2.
Finleyson vs. Bliss, 2-6, 6-4, 6-1.
Mrs. Ruby Hyatt vs. Mrs. Irma Dixon, 7-5, 7-5.
Walker vs. Dixon, 1-6, 6-3, 6-4.

**BANKS TO RUN**

MEDFORD, July 1, (AP)—L. A. Banks, Riverside, Calif., and Medford fruit grower, announced through his newspaper here today he would run against Senator Charles L. McNary. Banks said his platform would be "return of constitutional rights and sound farm relief."

A nominating meeting will be held here Tuesday, July 8.

## HE SUFFERED FOR YEARS WITH PILES

### Bleeding Kind Was So Painful He Slept on a Pillow

**TELLS HOW FINALLY HE OVERCAME PILES**

"It was no cinch for me to overcome my piles trouble because I suffered more or less that way for twenty-five years, but in six weeks time I was rid of piles and feeling like a new man and thinking it simply wonderful. I am writing to let the whole world know," declares Hugo Miller, a prominent paperhanger of Abbotsford, Wisconsin. "My piles were the bleeding kind. Pains in the bowels almost doubled me up sometimes and the pain was so bad that I couldn't lay in bed comfortably so I slept with a pillow under me. Of course I already had tried a number of remedies for piles through the years but they did no good until a couple months ago I ran across these wonderful Colac Pile Pills. The first couple bottles began to show results. The pain got less and then stopped. I kept on taking them for a full six weeks and it was marvelous the way they worked. I recommend Colac Pile Pills to everybody now," continued Mr. Miller.

Until the perfection of these pills which you swallow with a little water at meal times, about the only remedies known for piles were a surgical operation, salves or suppositories. Now nobody need suffer any longer. They are guaranteed to completely relieve you of every sign of piles or money back without quibble or question. At drug stores or by return mail on receipt of 75c in stamps or coins. Colac Chemical Co., Brentwood, Maryland.

## Athletics and Cubs Showing Way to Majors Same as 1929

BY ORLO ROBERTSON
Associated Press Sports Writer

The Fourth of July is the unofficial date for naming the winners of the Major League pennants, but already the 1930 race resembles the 1929 chase with the Athletics out in front in the junior circuit and the Cubs setting a hot pace in the Haydler division.

If history repeats itself the young men managed by Cornelius McGillicuddy and the McCarthy inspired team will again battle for baseball's premier honor for on July 4, 1929, the Athletics were leading the American league and the Cubs showing the way in the National.

The world's champions failed again yesterday to gain ground on their rivals, although rallying in the eighth to defeat Detroit 3 to 1.

Eddie Rommel, whose chief asset has been as a relief hurler, had his knuckle ball working to perfections, letting the Tigers down with seven hits.

**Babe Raps 30th**

The Yankees kept pace with the champions by staging one of their frequent slug fests, during which Babe Ruth hit his thirtieth home run of the season and the fifteenth during the month of June. The Babe is now 12 games and 12 days ahead of his 1927 record, when he cracked out 60 four-base hits.

The White Sox were victims of the Yankees wrath, losing 15 to 4.

The Washington Senators also kept in the midst of the American league scramble, maintaining their place with the Yanks two games back of the Athletics, in defeating the St. Louis Browns, 2 to 1.

Marberry let the Browns down with four hits, one of which was a home run by Kress, while the Senators touched Blaeholder for eight.

**Indian Rally Wins**

A five run rally off "Bull" Durham in the eighth gave the Indians an 8 to 3 verdict over the Red Sox. Belve Beane started and finished his first game for Cleveland, holding the Sox to eight hits.

With the Robins idle because of wet grounds at St. Louis, the Cubs took advantage of the situation to increase their lead in the National league to one and one-half games as they defeated the Giants 10 to 3. The victory was the Cubs twelfth triumph in fourteen starts. Gabby Hartnett connected with his seventeenth home run while Melvin Ott got his sixteenth.

In the only other National league game the Boston Braves managed to eke out a 6 to 5 victory over the Pirates. Lloyd Waner, who has been recovering from an operation, made his first appearance of the season in the Pittsburgh lineup. He failed to hit in two official times at bat but made two putouts.

## Fraulein Aussem Defeats American Girl in Singles

WIMBLEDON, England, July 1, (AP)—The straight set defeat of Helen Jacobs of Berkeley, Calif., second ranking woman tennis player of the United States by Cecilie Aussem of Germany, featured the women's singles quarter-finals in the British championships today. Fraulein Aussem scored at 6-2, 6-1.

Bill Tilden and his Dutch partner, Hans Timmer, defeated Berkeley Bell, Dallas, Texas, and Gregory Mangin, Newark, N. J., in the third round of men's doubles 7-5, 8-6, 6-2.

Edith Cross of San Francisco and Sarah Palfrey, Boston, advanced in women's doubles by defeating Mrs. M. A. O. Mayne and Miss V. H. Montgomery, England, 7-5, 6-4.

## Flax Crop Worth More Than Wheat

SALEM, Ore., July 1 (AP)—From 5,000 acres of flax in the Willamette valley this season will be harvested over 10,000 tons with a cash value of around $350,000, Col. W. B. Bartram, superintendent of the state flax industry, told the Oregon City chamber of commerce in an address at noon today. The average return on 5,000 acres of wheat will not reach $150,000, he declared, in reference to the advantage he claimed for the new industry to farmers of the valley.

## I Choose the $91.55 Vacation Trip Through the Northwest

About two things are my ideal of a vacation—a trip to some great scenic place and a visit with relatives and friends back East. I've just discovered that I can combine both!

"This year I'm going to travel through the charming Northwest where America plays in summer!

"I've just called at the city office of the Northern Pacific and I never realized before how many famous scenic regions there are to visit when one travels the scenic Northern Pacific route. They told me all about it.

"Just think! Majestic Rainier, Mt. Baker, Magic Yellowstone Park, Dude Ranches—all right along the way, besides numerous other resorts in the interesting cities of the Northwest, the Rocky Mountains and on farther East to Minnesota's 10,000 Lakes.

"Amazing? But wait an instant until you hear the low cost. When they told me, I surely did register surprise, as they say in Hollywood. The whole trip, 7800 mighty miles, will cost me only $91.55 round trip rail and steamship fare from Klamath Falls to St. Paul, Duluth or Winnipeg and I can go on farther East, if I decide, at correspondingly low fares via the Northern Pacific Railway.

"Starting up the coast, I travel by steamship or train to Portland or Seattle. Then comes a delightful sidetrip to quaint English Victoria and Vancouver, B. C. In fact, I can visit Canada twice—again by sidetrip from Minnesota to Winnipeg.

"East from Seattle a new delight awaits me, a trip on America's newest train, the palatial North Coast Limited, fast only All-Pullman train in the Northwest. What a trip it's going to be, with luxury, comfort and those 'famously good' Northern Pacific meals.

"I don't know just when I'm coming back. I can revel in all the summer beauty of the North and even see the glory of the painted autumn, for my return ticket will be good until October 31st. Probably I'll be tempted to loaf along the way, as I have complete stopover privileges."

The Northern Pacific will gladly plan your trip, too. Just call, telephone or write T. A. Murphy, 657 Market St., San Francisco. 'Phone Sutter 1078.

## SUDDEN RISE OF ANGELS IS BIG SURPRISE

### Coast Fans Watching League Race With More Interest

By Associated Press

The sudden rise of Los Angeles from second to a clear three-game lead in first place and the sale of Ike Boone, leading hitter of the Pacific Coast league, occupied the attention of Coast league fans today, as the contenders faced the last two weeks of the first period of the season.

Sacramento, undisputed leader for more than six weeks, having encountered a disastrous seven-game losing streak at Hollywood last week, prepared for its first meeting since the opening week of the season with the Missions, a team which has been as variable from decided strength to decided weakness as Hollywood.

**Boone Moves Up**

The Reds were to meet the erstwhile pace-setters minus their premier batsman, Outfielder Ike Boone, whose sale to Brooklyn was announced yesterday. The southerner will go up to the ma-

jors for his fourth trial. Sale of Rosenberg, another Red, until last week third among league hitters, to the Giants, was announced a week ago.

Sacramento had one consolation. Tony Freitas still led league pitchers, with nine wins and one loss. Cole, Missions, and Hurst, Oakland, jumped into prominence as second and third respectively. Zinn had the most victories, 12, and led San Francisco hurlers, being fourth in the league.

**Angels at Portland**

The new leader, Los Angeles, faced Portland for a week, remembering that the Ducks just finished taking four out of seven from San Francisco, in one of their best showings so far.

Hollywood, after their surprising run of victories over the Senators, prepared to entertain the Oaks, and Seattle to play host to the Seals.

**FURNITURE MEN TO MEET**

SALEM, Ore., July 1 (AP)—The Oregon Furniture Dealers' association will hold its annual convention here Saturday, July 19. Two hundred dealers are expected.

## DODGE BROTHERS ANNOUNCE DODGE EIGHT MILEAGE MARATHON AND DODGE NATIONAL DEMONSTRATION MONTH

Thousands of owners of the Dodge Eight-In-Line are acclaiming it the greatest performer and the finest example of Dodge dependability ever produced by Dodge Brothers.

To get an accurate measure of the dependability of this car—its stamina—its economy—just what total mileage it can achieve—Dodge Brothers announce a Dodge Eight Mileage Marathon.

A Dodge Eight-In-Line sedan selected from stock starts from Detroit. It will be driven back and forth across the country from coast to coast—over all sorts of roads in every part of the continent—until it literally can be driven no longer. We confidently expect that the total mileage attained will startle the world.

To give every motorist a first-hand acquaintance with the luxury and sparkling performance of the Dodge Eight-In-Line, a Dodge National Demonstration Week will be held during July.

You are cordially invited to come in and drive the Dodge Eight-In-Line. Thrill to its flashing acceleration—its sureness and steadiness on the road—its ability to do the difficult without effort. Test its internal hydraulic brakes. Experience the luxury of its beautiful, safe and silent Fisher No-Piece Steel Bodies.

Here is a car that is going to be driven across the continent as no car has ever been driven before. Learn from that what a sound car it is. Learn from your own experience what a glorious performer it is.
