SUBDIVISION OR DAIRY

SIXTY-FIVE ACRES, all under irrigation; about $10,000.00 worth of improvements; it has a beautiful home with fine shade, lawn, etc., with a wonderful view of city and surrounding country; most of the adjoining land has been cut up into small tracts, which has sold and being sold at prices ranging at the rate of $1000.00 to $2000.00 per acre, which is the best evidence obtainable that this property would be a very profitable investment for a subdivision; however the price is much lower than that paid for this class of property out of range of a subdivision proposition several miles further out. RELIEF FROM CURSE OF CONSTIPATION

A Battle Creek physician says, "Constipation is responsible for more misery than any other cause."

But immediate relief has been found. A tablet called Rexall Orderlies has been discovered. This tablet attracts water from the system into the lazy, dry, evacuating bowel called the colon. The water loosens the dry food waste and causes a gentle, thorough natural movement without forming a habit or ever increasing the dose.

Stop suffering from constipation. Chew a Rexall Orderlie at night. Next day bright. Get 24 for 25c today at the nearest Rexall Drug Store. Star Drug Store. Adv.

Today in Klamath's Theatres

AT THE LIBERTY

Great guns! Look who's here! Two-Gun Nan's Western Wonders vaudeville and picture show will appear at the Liberty starting today for four days as a special added attraction to the regular picture program.

The vaudeville consists of fancy and difficult shooting by Nan Gable and some real action pictures of world champion rodeo stars.

Nan Gable has an international reputation as a marksman. She is a world's champion roper and holds many medals that she has won. A few years ago she rode from San Francisco to New York City without changing mounts,

covering 4,500 miles in 150 days, winning the Richard K. Fox medal; she has appeared in many foreign countries and speaks seven languages.

The feature picture will be "O'Malley Rides Alone," starring Bob Custer. Boys, you will whistle, stamp your feet and gasp for breath through this picture. Don't fail to see this big attraction, at regular prices.

AT THE PINE TREE

Conrad Nagel holds the unique record of being the first movie actor to work in two talking pictures at the same time.

When he played the leading male role in "The Idle Rich," William de Mille's all-talking picture at the Pine Tree theatre, he also was playing a leading part in "Dynamite."

Both pictures were filmed at the MetroGoldwyn-Mayer studio and oddly enough, were being directed by brothers, William and Cecil B. De'Mille.

"The Idle Rich" is the picturization of the famous stage comedy hit. "White Collars." Nagel shares stellar honors with Bessie Love and Lella Hyams, and the supporting cast includes Edythe Chapman, James Neill, Robert Ober, Kenneth Gibson and Paul Kruger.

AT THE PELICAN

The management of the Pelican theatre announces with regret that "Happy Days," all talking Fox Movietone musical romance with 100 stage and screen stars in the cast, will close tonight after an extended engagement. Prominent among the entertainers in the picture are Will Rogers, Janet Gaynor, Charles Farrell, Walter Catlett, George Jessel, William Collier, Sr., Ann Pennington, El Brendel, Marjorie White, Richard Keene, George MacFarlane, Victor McLaglen, Edmund Lowe, Warner Baxter, James J. Corbett, Paul Page, Dixie Lee and George Olsen and His Music.

AT THE VOX

The old adage about too many cooks spoiling the broth might be translated in Hollywood to: "Many good pictures are spoiled by an oversupply of directors." Technical and artistic difficulties have been increased to such an extent that it is now necessary to have dialogue supervisors, sound experts and what not on the set in addition to the general director. Nevertheless, the best productions are invariably one-man affairs—and the director who is versatile and sufficiently well trained to work alone, is invariably at an advantage.

Frank Capra, responsible for the direction of "Ladies of Leisure," the Columbia all-talking drama of night life coming to the Vox Theatre tonight, is a typical example of this point. Capra is not only an expert at every phase of talking picture production, but is capable of rewriting portions of the script when it is necessary, and of introducing ad lib lines that add materially to the story. Although he has never been on the stage, he seems to have an instinctive talent for reading lines and is able to give each actor just the intonation necessary. He is equally adept at inventing telling bits of business. The result is that there is a harmonious quality about the Capra productions that most other pictures lack.

Capra says that "Ladies of Leisure" is the most ambitious piece of work he has done. This is saying a great deal when one remembers that he is responsible for both "Submarine" and "Flight." The story of the production was adapted from a famous David Belasco stage success. The cast includes such distinguished players as Barbara Stanwyck, Lowell Sherman, Ralph Graves, Marie Prevost and George Fawcett.
