## DOWNFALL OF CHICAGO CUBS NOT EXPECTED

### Loss of Whole Series To Cincinnati One Of Big Surprises

By HUGH S. FULLERTON, Jr. Associated Press Sports Writer

The somewhat incomplete in-season play of the Major League clubs, which came to a close with yesterday's beginning of a new East-West movement, brought new surprising results in its general emphasis of the fact a good ball club is successful no matter where the games are played.

The unexpected downfall of the Chicago Cubs and the rise of the Detroit Tigers were the only results which were unforeseen. The Cubs lost a whole four game series at Cincinnati and wound up near the bottom of the National league list with two victories and five defeats.

The Tigers, smashing out a final victory yesterday, took four of five from the Cleveland Indians after gaining a 3-2 edge over Chicago for a total of seven victories in ten games. This victory put the Tigers ahead of the champion Philadelphia Athletics, and second only to the Washington Senators.

The Chicago White Sox closed their slip and tuck series with the St. Louis Browns in the other American league game, gaining a 5 to 3 decision to take sixth place by a half-game margin.

**Rods March Upward**

The suddenly triumphant Cincinnati Reds opened their tour of the eastern division of the National league hitting effectively behind the pitching of Red Lucas to defeat the Phillies, 5 to 2. Lucas had the better of a duel with Earl Colard, giving back eight hits, and contributed the finishing touch to the victory in the form of a home run in the ninth inning.

The Pirates slammed three Cardinal pitchers for 15 hits to win the series final, 6 to 2, and divide the six game set.

## MARKET QUOTATIONS

PORTLAND, July 12. (AP)—Butter and egg prices continue unchanged, with top grades of both in demand with values apparently growing firmer. The lower grades are still plentiful and weaker.

Flour prices were weaker and a reduction in price would not be surprising.

Reviewing the fruit and vegetable markets the Portland bureau of the U. S. department of agriculture says:

"The market for green peas is completely demoralized, and some Oregon shippers have instructed their growers to discontinue further haulings. There have been virtually no carlot sales of Oregon peas for several days, all shipments rolling on consignment. Very low prices prevail at eastern markets. Quality of loadings from this district is no longer fancy, due to hot weather and some mildew damage. Washington exceeds all former shipments each day, with a total of 45 cars loaded yesterday. Locally, good peas are available at little more than picking cost."

"The market for California tomatoes declined at Portland with brokers' sales to jobbers 30-35c per lug lower. Meanwhile, hothouse tomatoes advanced a trifle. Distributors of hothouse products assert that Portland consumed much greater amount of hothouse tomatoes this season than ever before. Quality has been uniformly good, and prices reasonable."

"Demand for hothouse cucumbers has almost disappeared, due to liberal offerings of cheap cukes from The Dalles, at less than half the price of hothouse stock."

"Cantaloupes from Delano, Calif., now control the market. Quality ranges from poor to excellent, with a corresponding spread in prices. The market is barely steady."

"Movement of watermelons, and new transparent apples is better, at steady prices."

"Appetizing assortments of Japanese melons, honeydews, etc., are available, in addition to several varieties of cantaloupes."

WHAT WILL I TAKE NOW, BOY? EITHER TAKE OFF YOUR SHOES OR TH' BUS BACK TO TOWN, MISTER!

By AL DEMAREE (Former Pitcher N. Y. Giants)

Jack Hutchison used to tell a story which will bear repetition. "A middle-aged duffer was continually asking his caddy which club he should take on each shot. He finally hit a floater into a water hole and waded in to play it. "What will I take now?" he asked the caddy for the hundredth time.

"Take your shoes off or take the bus back to town," answered the caddy."

They tell a story on Jack Sharkey, the well-known Boston fistic expert on fous, who took up golf in a serious way down at Miami Beach. He was one day playing over his favorite Bay Shore links with a strange caddy in attendance. He was perhaps doing rather better than usual, but in a moment of exuberance he turned to the bearer of the clubs and asked the time-honored question:

"You've seen worse players than me on the course, kid?"

The caddy hesitated, and Sharkey repeated his question.

"Well," said the caddy, "I'm new to the course, and I don't know many of the players, but from what they tell me, there's a fat guy comes here they call Buckler, and I think he must be worse than you."

## SAGS GAINING ON ANGELS AS RACE NARROWS

### Senators Within Three Games of Lead With Leaders Losing

By The Associated Press

Los Angeles was assured of at least a tie for first period honors in the Coast league today, with the time rather than game winning giving them that standing.

Sacramento advanced to within three games of the Angels yesterday by turning tables on Hollywood, 13 to 5, Keating doing the mound work for the winners. But with only three games to play the best the Senators could hope for today was a tie.

Indians Continue Onslaught

Seattle continued an onslaught which made it three games out of four from Los Angeles yesterday winning 7 to 5, by a ninth inning rally after two were out. Horne, second pitcher in the league, suffered. Oakland's run was extended to four straight from the Missions and two successive shut-outs as Daglia blanked the Reds, 6 to 0. Bigelow, replacing Boone for the Missions got three of the teams' six hits.

San Francisco evened the series with Portland, beating Walter Maitz' challenge, 8 to 6, by breaking up a tight tie game in the eighth.

## Boxer Disappears; Manager Worried

PORTLAND, Ore., July 12. (AP)—The mysterious disappearance of Guido Bardelli, light heavyweight fighter of Burke, Idaho, more familiarly known as "Young Firpo" had his manager and the Portland boxing commission in a state of excitement today.

Firpo was to have met Nate Brown here next Tuesday in a ten round headliner, and was to have fought in San Francisco July 27. Bobby Evans, his manager of a week, says the boxer simply dropped from sight. Evans paid \$2500 for him last week. Fred Lenhart of Spokane has been signed to fill Firpo's place on the card here Tuesday.

SENTENCED TO ONE YEAR

Fred G. Brown was yesterday sentenced to spend one year in the Oregon state penal institution. An indictment on Brown was returned recently by the county grand jury in which he was charged with robbery in connection with the theft of an amount of cash from Charles Rose about a month ago. Harry D. Bolvin, deputy district attorney, prosecuted the case.

AERIAL CROP SURVEY

SACRAMENTO, Cal.—A survey of fruit crop acreages will be made of Los Angeles county by airplane. The plane will complete a set of air maps covering the county, and those will show the different types of trees. The maps will be checked with the district agricultural inspector's field maps, and if errors are detected, the property in question will again be surveyed.

## KRUSE DEFEATS WILKINS

VANCOUVER, B. C., July 12. (AP)—Bob Kruse, Portland grappler, defeated Paul Wilkins of Salt Lake City in a feature mat bout here last night when his opponent was unable to continue after having been tossed for a fall in the fifth round. Kruse finished his opponent with a reverse body slam that completely stunned the Utah wrestler.

## Go to Bend 20th

On July 20th the Klamath racket artists are going after the scalp of the Bend Tennis club. The Bend people were heard freely stating here that it couldn't be done, that Klamath could not possibly repeat at Bend their victory over the Bend players that was scored when Bend played here three weeks ago. But that remains to be seen.

Plans are also on foot to play Grants Pass both at Grants Pass

## TENNIS CLUB PREPARING TO PLAY AT BEND

### Two Tournaments With Grants Pass Also On Schedule

The Klamath Falls Tennis club wishes to acknowledge with sincere thanks the prizes given for the men's doubles of a quart thermos bottle by the Klamath Sporting Goods Co. and of a high powered flash light by the Gun Store. It is a great encouragement to those who are working to advance the cause of tennis in Klamath Falls, to find such freely given support as the committee has found from the beginning in getting prizes for the Southern Oregon tennis tournament, the committee stated.

The tennis ladder is as much a battle ground as the historic lava beds these hot days. The results of determination and practice are constantly setting some players ahead. Hula has worked himself up from 9th place to 3rd. Dixon, who slumped from 5th to 13th place is now reposing in 7th. Finlayson, who only joined recently has fought his way up from the bottom to 19th from the bottom. Eddy Boyd, a promising high school lad, began at the bottom when he returned from National Guard camp lately and is now 5th from the bottom on his way up. The several high school boys and girls playing on the ladder should find encouragement in the fact that the cup winner of the men's singles in the recent Southern Oregon tournament is a junior in high school and the 2nd prize winner of the ladies is a 14 year old high school girl. Several of the Klamath high boys and girls have voiced a determination to have a high school tennis team this year. Here's wishing them the best of luck.
