TEX ARRANGES STELLAR CARD FOR JULY 21

Signs Up Fastest Boys in Northwest For Dempsey Show

Tex Bickerstaff, matchmaker de luxe, is back from Portland where he succeeded in booking a stellar card for the special Jack Dempsey show at Poole's Pelican theatre Monday evening, July 21. With a 35-round card, Tex is offering the fans of southern Oregon one of the greatest attractions ever attempted outside of the big circles.

With Jack Dempsey, ex-world champion, and the boy who is likely to step back into the ring to bring the belt back to the good old U. S. A., as the third man in the line, Tex (and incidentally Harry Poole) has gone far beyond the scope of the average small city to give his public something out of the ordinary. Even Portland refused to tackle the proposition of hiring Dempsey to referee a fight in that city. Seattle has taken him on, but in Portland it looked like too big a fee to pay for a referee.

It Poole's Pelican will hold the crowd that will jam into southern Oregon's finest show house on this event, Tex may be tempted to bring some of the big shots of the west here for a match. One never can tell what this energetic booster for Klamath Falls will do next for his fans in keeping the fans on their toes most of the time since he entered the game of matchmaking in this city. He has even gone farther than to stir up interest locally—he has Portland and other larger cities talking about Klamath Falls as a sporting center. In his recent visit to Portland, Tex killed the town with this Dempsey affair, and while not more than 500 Portland fans are expected here for the fight, the advertising effect can not be overestimated.

Two 10-Rounders

Topping the card are two 10-round main events. Two boys well known in local fight circles are signed to appear—Shrimp McDonald and Sam Langford. Shrimp will meet one of the toughest nuts on the coast at 115 pounds, Billy Ryan, a Hollywood sensation.

Sammy is matched with a boy that has set all the middle west agog and a chap who was scheduled to appear here last spring and who could not come at that time. Willie Mihiti of Omaha is considered a real comer in the 145-pound class. In Sammy he meets a boy with experience who is able to teach the youngsters something in ring tactics. Sammy loves his swine steaks and he is training seriously these days.

A Hot Semi

Just to give the referee something of interest, Tex has scheduled Steamboat Jackson to fight Chet Wilkins of Portland. Wilkins is not known locally but he will be after next Monday. He will have to fight if he stays in the fight with Steamboat and if he does that he will have the good will of local fans.

And then to make things to the liking of everybody concerned, Rosy Rosander will measure skill with Joe Daguta, a tough soldier boy from Vancouver Barracks. Somebody will "pass out" in this fight.

The card will open with a slashing 4-round scrap between Finley Wilson of Clatsop and Johnny Snell of Portland. This fight will give Finley an opportunity to show his stuff.

Valley Fans See No-Hit, No-Run Game at Salem

SALEM, Ore., July 14. (AP)—Andy Peterson pitched a no-hit, no-run game here Sunday, and the Salem Senators defeated Corvallis 1 to 0 in a Willamette Valley league game. Peterson, on the mound for the Chiefs, pitched a fine brand of ball, allowing but five hits. Two of them, however, in the third, were good for Salem's only score. T. Girod singled, stole second, and was brought home by his brother, Paul Girod, on another single. The Senators then depended on two other occasions, but tight work by Corvallis prevented a score.

Peterson fanned 14 men while not a ball was hit into the outfield off him. Three Salem men made all the out-puts, Sullivan making 12 at first; Edwards, 14 behind the bat, and Peterson one. Score: R. H. E. Corvallis 0 0 2 Salem 1 5 1 Batteries: Brown and Mack; Peterson and Edwards.

Pitchers Find Babe Hard Hitter to Dope

By AL DEMAREE (Former Pitcher N. Y. Giants)

How to pitch to Babe Ruth has kept the pitchers in the American League awake at night for years.

To these pitchers the Bambino is a perpetual hazard. At times he may appear harmless, but they realize from past experience, the ever present dynamite in his menacing budgeon.

I asked Babe what balls he hit the best. "Half the time I couldn't tell you whether it was a fast or curve ball that I hit," answered the big fellow. "Any time I see anything like a ball coming up to the plate that looks good, I take a clout at it!"

Watte Hoyt, former Yankee pitcher, told me one day that Babe can hit anything you throw up there when he's hitting, but when he's not hitting and in a slump he can't hit anything. He's either a superman or helpless.

And so the question goes merrily on. Some pitchers pitch low to him and some high. Some inside and some outside. I believe John McGraw is right when he says:

"Babe Ruth is like Hans Wagner used to be. He hasn't any real weakness. All you can do with him is mix 'em up and pray."

Cincinnati Reds Lose Punch When They Leave Home Field

By HUGH S. FULLERTON JR. (Associated Press Sports Writer)

The Cincinnati Reds have developed quite a punch at home, but it is strangely lacking when they take the road.

Last week they looked like a team of world beaters at Redland field, taking four straight games from Chicago. They still looked good as they picked up the humble Phillies for three more victories. But yesterday, when they moved to New York, they lost, 3 to 5.

The Cubs moved to Boston yesterday and lost two games to the Braves, 2 to 1 and 3 to 0.

The first Boston victory was due to Harry Seibold's pitching, the second to the Massachusetts law which makes it necessary to stop Sunday games promptly at 6 o'clock. That hour came after the Cubs had scored four runs in the ninth, but before that inning ended, and the score reverted to the eighth.

Chicago's double defeat came at something of a boon to the league leading Brooklyn Robins. They lost one of the year's toughest decisions to Pittsburgh, 1 to 0, but still gained a half game. Jim Elliott gave the Pirates only four hits, while the Robins made nine off Larry French, but was dithered by opportunities by slippish base running.

LOS ANGELES TAKES FIRST HALF HONORS

Late Rally Puts Angels in Lead With Actors Trailing Second

By Associated Press

The first half of the Pacific Coast league's season over, fans today were remarking on the late rally that put Los Angeles in front, instead of Sacramento, and on the sudden rise of Hollywood from sixth to finish in second place.

Los Angeles closed with a bang, blanking Seattle 10 to 0 in the second game of their double bill yesterday, after losing the first, 5 to 2. Hubbel was the winning pitcher in the first. The Angels drove Simon, losing hurler, from the box in the first inning of the second.

Actors Make Record

Hollywood today boasted of a record of eighteen wins in the last twenty-two games, having split a double bill with Sacramento yesterday to clinch second place after a nip and tuck contest for the place with the Sacs. Six pitchers worked as the Senators won at Stockton in the morning, 7 to 4, and Rhodes beat Winc on the mound as the Stars took the afternoon game, 4 to 1.

Sacramento finished in a tie with Oakland for fourth place by dividing yesterday's games with Portland. McDougal worked in the morning as the Seals won, 4 to 2, and Jimmy Zinn was driven to the showers as the Ducks took the afternoon game, 5 to 4, with McDonald in the box.

Oakland's heavy hitting gave Edwards an easy victory over the Missions, 10 to 2, in the morning, but the Reds came back in the afternoon behind Ted Pillette to squeeze out an 8 to 7 win.

ATLANTA HAS GALA HOLIDAY FOR 'EMPEROR'

Bobby Jones Happy To Win National Open Golf Title

ATLANTA, Ga., July 14. (AP)—Atlanta declared a holiday today to give Bobby Jones, a "pretty happy" golfing warrior of 28, a welcome fit for an emperor.

Bobby said he was "pretty happy" to capture the National open title, but that modest phrase was much too mild to express the pent up enthusiasm of his Atlanta admirers, most of whom had not seen him since he departed in the spring to win the British amateur and open crowns.

He probably was more interested in a reunion with his suitor, Mrs. Jones, aged three, who added whistling to his accomplishments in the absence of his father.

Surpasses New York

But friends of the lawyer-golfer insisted upon a formal reception, a parade, bands, an official holiday and all the other trappings of public functions. Many said they were determined to surpass, in noise at least, the welcome tendered Bobby in New York.

Escorted by a fleet of airplanes an automobile party was dispatched to a suburban railroad station, whose location was kept secret, to meet Bobby's homeward bound train and take off the champion. Streets were cleared to speed him to a busy downtown corner for the formation of a parade in his honor.

Completion of the City Hall ceremonies left Bobby free to retire to the privacy of his home for a long sought rest. There his wife, who accompanied

BIG BILL, WONT PLAY

PARIS, July 14. (AP)—The last prospect that Big Bill Tilden would reconsider his decision and play with the American Davis Cup team vanished today when the veteran champion, maintaining his previous attitude told the Associated Press he was positively stimulated from participation.

Scrap-Book Kept

If he wanted to read the reams of newspaper print written about his triumphs he had only to turn to the neat scrap-book of his mother-in-law, Mrs. J. N. Malone, who preserved a volume of clippings while entertaining Bobby's children in his absence.

"I feel just as proud as if I had gone every step of the way," said Mrs. Malone.

Today he was Bobby, king of the links, but in a few days he hopes to slip back into the role of attorney and catch up with a stack of Georgia court reviews, which has accumulated on his desk.

Death Toll Mounts In Korean Floods

TOKYO, July 14. (AP)—The death toll from floods in southern Korea mounted steadily today as the rains continued.

Seoul dispatches said the known deaths numbered 193, with 34 persons missing and 92 injured. Seventy additional casualties were reported in three villages in the Taikyū region due to landslides last night.

Throughout the affected provinces scores of thousands were homeless. More than 4,000 houses were destroyed and 28,000 partly inundated. Damage to crops, farm lands, roads and river embankments was widespread.

In a secretary it's Capability

in a cigarette it's Taste

THROUGH COMPETENCE, the individual rises to positions of responsibility and respect. Through dependability of taste, a cigarette attains ever greater popularity.

INCREASING MILLIONS of Chesterfields are lighted each day because smokers find that in this cigarette good taste is unerring.

CHESTERFIELDS ARE RICH IN AROMA, flavor and fragrance, which come from the right selection of choice tobaccos, blended and cross-blended to a rare cigarette goodness. They offer the utmost in smoking enjoyment... "TASTE above everything".

We state it as our honest belief that the tobaccos used in Chesterfield cigarettes are of finer quality and hence of better taste than in any other cigarette at the price. LIGHT & MYERS TOBACCO CO.
