SUBDIVISION OR DAIRY

SIXTY-FIVE ACRES, all under irrigation; about \$10,000.00 worth of improvements; it has a beautiful home with fine shade, lawn, etc., with a wonderful view of city and surrounding country; most of the adjoining land has been cut up into small tracts, which has sold and is being sold at prices ranging at the rate of \$1000.00 to \$2000.00 per acre, which is the best evidence obtainable that this property would be a very profitable investment for a subdivision; however, the price is much lower than that paid for this class of property out of range of a subdivision proposition several miles further out. NEW REMEDY FOR PILES

WONDERFUL SAYS FARMER

He Suffered Years, but Suffered No More, He Declares

A WISE TIP FOR ALL WHO SUFFER

"I tried all the regular pile remedies during the years I had piles, but none seemed to reach the trouble until recently I got hold of a half dozen bottles of Colac Pile Pills which are simply great. They gave me good relief and quick too. You can't beat Colac Pile Pills for real bad cases of piles in my estimation," declares Mr. Carl Westphal, well known retired farmer of Mayville, Wisconsin.

Note: Until the perfection of Colac Pile Pills the world's largest laboratory about the only real remedies for piles was either an operation, or messy salves or suppositories. No remedy need suffer any more and to prove it need not risk a penny, for druggists sell Colac Pile Pills on money back guarantee, or send 75c to Colac Chemical Co., Brentwood, Md., for regular bottle, full directions, return mail.
