Rumanians Think Reconciliation of Royal Couple Due

BUCHAREST, Rumania, July 21. (AP)—Queen Helen accompanied King Carol today to the requiem memorial services for the late King Ferdinand, their first journey together, which the public regarded as an indication for their imminent reconciliation.

The Rumanian royal pair, divorced when as Prince Carol the husband forsook his native country, were together on the train to Curtea de Arges. Others on the same train were Queen Marie, Prince Nicholas and Princess Ileana.

"One of Your Worst Enemies"
Says the U. S. Public Health Service
"OF ALL the natural enemies of man, the fly is one of the worst."

It has been conclusively shown that house flies carry the germ of cholera, typhoid fever, infantile diarrhea, dysentery, and other communicable diseases. Now you understand why a child over whom you have watched most carefully may come down with a sudden illness which you cannot understand.

Be comfortable and safe. Keep your home insect-free. Spray FLIT, which is guaranteed (or money back) to be quick-death to flies, mosquitoes, moths, roaches, bed bugs and other household insects. Yet its clean-smelling vapor is harmless to humans.
