MISSIONS STAY IN LEAD WITH SLIGHT MARGIN

Even Series With Ducks While Oaks and Seals Battle on Par

Oakland and San Francisco, showing good baseball, played the second half season, today were in the middle of a hot series that kept both from rivaling the Mission's league lead.

Oakland won yesterday, 3 to 1, to even the series, with a Seal error by Crossett giving the decision to Craghead over McDougal, though only one earned run was scored by each team.

Los Angeles, making the largest gain of the week, was in the second place tie as a result of having downed Sacramento for the second time last night 9 to 3. Moore's homer with two on led the Angels six-run attack in the second inning.

The Missions stayed out in front by eviling the series with Portland, winning last night, 4 to 2. Huff's three doubles, one scoring three runs, featured the game in which Knott held the Ducks to six hits.

Hollywood started hitting Hubbell early to defeat Seattle 7 to 5. The Indians got plenty of hits off Rhodes, but they were scattered.

Former Employer Recalls Curtiss Had Dreamy Eyes

ROCHESTER, N. Y., July 24. (AP)—Glenn H. Curtiss, famous aviation pioneer who died yesterday in Buffalo, was recalled today by a former employer as "a lad with dreams in his eyes."

Curtiss began his career here at the age of twelve and it was while a messenger boy for the Western Union Telegraph company that he hit on the idea of providing mechanical power to propel the bicycle he used to deliver messages.

John A. Dolan, former chief operator for the Bell Telephone company, remembered the pioneer aviator as a dependable youth.

"We could always depend on Curtiss delivering the messages," said Mr. Dolan. "Other boys usually brought back excuses, but Curtiss always 'got his man'."

Curtiss lived here until 1895. During that time he worked in a bicycle shop, in addition to his messenger job, repairing "wheels."

HAMMONDSPORT, N. Y., July 24. (AP)—The body of Glenn Hammond Curtiss, whose pioneer exploits in aviation gained for this village the title of "cradle of aviation" arrived today from Buffalo where he died yesterday.

The Rev. G. P. Summerville, rector of the St. James Episcopal church of Hammondsport, will conduct services tomorrow afternoon.

Castle Crest Garden Becomes Popular

CRATER LAKE, Ore., July 24 (Special)—The Castle Crest wild flower garden near the park headquarters has become a very popular place with the tourists this season.

The nature lover is sure to find enjoyment while on a hike through this area. Flowers of many varieties and colors may be seen, many of which prove of special interest to the students of botany.

In this park many different kinds of birds and small animals also may be observed. Perhaps the greatest attraction besides the flowers are the marmots and the cottontails.

Where the trail passes near the foot of Castle Crest the visitor is nearly always greeted by the whistle of the condors, the most

German Aviators Hop Off on Trip To United States

BERLIN, July 24. (AP)—Wolf Hirth and Oscar Weller, German aviators, left Staaken for Croydon, England, this morning on the first lap of a flight to the United States.

The flyers will travel by way of the Orkenys, Iceland and Greenland in a 40-horsepower Klemm sporting plane.

Hirth is a noted aviator and on March 8 was awarded the Hindenburg aviation cup for 1929 for the year's outstanding achievements in civil aviation.

His principal accomplishments were a flight around Europe in a light plane and a flight from Germany to the Isle of Man, which is in the Irish sea.

Piles Go Quick

Piles are caused by bad circulation of the blood in the lower bowel and a weakening of the parts. Only an internal medicine can remove the cause. That's why external remedies and cutting fail. Dr. Leonard's HEM-ROID succeeds, because it relieves this congestion and strengthens the affected parts. Dr. Leonard's prescription has such a wonderful record for quick, safe and lasting relief even in chronic and stubborn cases, that Underwood's Pharmacy says try HEM-ROID at my expense. Your pile suffering must end or money back.

Babe Bothered By Plane Putting

HELLO BABE! HELLO BABE! HELLO BABE!

HOW THE HECK IS A GUY GONNA PUTT WITH THESE FLYING AIRPLANES FLYING OVER HIS HEAD?

By AL DE REE (Former Pitcher N. Y. Giants)

Golf is a strange game. I've seen Babe Ruth, who would stroll nonchalantly up to the plate and sock out a home run with a pitcher throwing fast ball at his head and fifty thousand popy-eyed fanatics yelling at the same time, miss a two foot putt and blame it on some planes over his head.

It reminds of the story Jock Hutchison tells of the petulant player who, in his extremity of nervousness, shouted, "Who could putt with these d—d ships sailing up and down the lake!"

Speaking of lakes, Jack Burgess, pro at the Lake Geneva, Wisconsin, Country club, tells of a golf course where one of the hazards was a small lake.

A visitor asked his caddy what the members thought of this as a hazard. The caddy replied, "Well, ye ken, we've an old Scotch major here. When he goes over the lake he says, 'Well over the bonnie, wee lake, ma laddie, but when he goes in he says, 'Pick me hall out 'o that beastly sewer!'"

Fire in Engine Room of Dollar Liner Costs Life

SAN FRANCISCO, July 24. (AP)—Fire which started in the engine room of the Dollar Liner President Polk early last night took the life of one crew member and imperiled seven others before it was extinguished. Damage was nominal, company officials said, and will not prevent the ship's scheduled sailing Friday.

Eight members of the "Black Gang" were scolding rats from the boilers when a back draft sent a smoldering rag into some waste oil. The flames quickly spread to the oil-filled bilge.

Seven of the scalders stumbled from the boiler room as dense clouds of smoke poured up the companionways, but the eighth man, A. Martinez, became wedged between the boilers in his haste to escape. He was unconscious half hour later when firemen, equipped with gas masks, reached him and died a few minutes later on the dock.

Storm Threatens Endurance Fliers

ST. LOUIS, July 24. (AP)—Storm clouds threatened today as Dale Jackson and Forest O'Brine began their fourth day of sustained flight in an effort to recapture the refueling endurance record, so they took on an extra supply of gasoline in anticipation of "a bad day."

They started their fourth day at 7:11 a. m. CST., when they had been up seventy-two hours. Their plane, the "Greater St. Louis" was functioning perfectly.

PRISONERS VISIT SALEM

SALEM, Ore., July 24. (AP)—Claude Rhine, wanted in Tacoma on a murder charge, and Frank Gay, wanted in Spokane for breaking jail, were overnight guests in the Salem city jail while officers were taking them north from San Francisco where they were arrested. Rhine is alleged to have killed a policeman during a hold-up.

RIDES FOR LETTER

CHICAGO, July 24. (AP)—Jockey Willie Frank, who booted Revellie Boy, the 50 to 1 shot, to victory in the American Derby at Washington park, has been signed to ride for the stable of J. Lettier. He left today for Saratoga, N. Y.

SAWMILL TEAM LOSES GAME

There are times when cheers are due the loser in any contest, and that was the feeling of most of the crowd watching the game between the Shippers and the Sawmillers of the Weyerhaeuser Timber league, Wednesday evening, when the strong topnotchers in the shipping department completely vanquished the smaller team by a score of 14 to 4.

Baseball in an industrial league often discloses more than good or poor baseball and the courage and will to play a game of ball with strong opponents after a day of strenuous labor also counts. The boys from the mill did well, but it was evident from the start they had no chance to win.

Line-ups in Wednesday's game were:

Shippers—Martin, 3b; Holloway, 1b; L. Tomlin, lf; G. Tomlin, p; Gallaspy, rf; C. Deering, cf; Ruge, ss; E. Deering, 2b; Constant, c.

Sawmillers—Taylor, 2b; Smith, 3b; Tate, cf; Adams, ss; Ford, 1b; Larsen, lf; Perrell, rf; Snyder, cf; Lauritzen, p.

The new team from the box factory will play the champion Loggers, Friday evening, July 25, at Camp 2.

A team from the mill is scheduled to visit Sprague River Sunday, July 27, where it will meet a Crater Lake Lumber company team in a return game. Cars will leave the Arcade hotel at 7:30 a. m. and the game will be called at 10 a. m.

Harmon's Request Fulfilled; Body Taken to Stadium

CHICAGO, July 24. (AP)—Paddy Harmon made his last visit to the Chicago stadium—his stadium, today.

Fulfilling his last request before he died Tuesday of injuries suffered in an automobile accident, the body of the man who dreamed and built the \$7,000,000 sports arena on Chicago's west side, today was taken there to lie in state until the funeral Saturday.

Although the funeral was set for Saturday other arrangements had not been completed today because of the condition of Harmon's wife, Mrs. May Harmon. She was critically injured in the accident and last night had shown no improvement.

PRISONERS ESCAPE

LA GRANDE, July 24. (AP)—"Spike" Malone, charged with liquor violation, and George Hays, held on a larceny charge, escaped from the county jail last night after locking Tom De Borde, jailer, in their cell.

Fellow officers were obliged to use a blow torch to release De Borde whose arm was injured in the scuffle with the prisoners.

PORTLAND BOY DROWNS

GRANTS PASS, July 24. (AP)—A party of Grants Pass Legionnaires was dragging the Rogue river today for the body of Clarence Emil White, 16, Portland youth, who drowned late yesterday. White was bathing with friends when he is reported to have been swept away by a strong undercurrent. His parents in Portland are on their way here.

HEAVY DAMAGES ASKED

SALEM, Ore., July 24. (AP)—Ferdinand Mickenham, whose automobile caused the death of Isiah Hewitt on June 13, was made defendant in a \$10,000 damage suit yesterday, brought by Leonard Hewitt, administrator of the Hewitt estate.

Ancients of Pitching Brigade Show Old-Time Form in Games Of Major Leagues Wednesday

By HUGH S. FULLERTON JR., Associated Press Sports Writer

Whoever it was that said "youth must prevail" probably would be inclined to retract that statement if he should look at the Major League box scores these days. The ancients of the pitching brigade have done just about as much prevailing as the youngsters and often in a more convincing manner.

Five moundmen whose combined ages total about 500 years, were sent out to toil yesterday and while only one pitched a complete game, nearly all turned in good performances. Adolfo Luque, Cuba's leading baseball hero, age 39, did a great job as he made first place in the National League safe for the Brooklyn Robins. Luque held the St. Louis Cardinals to five hits through a trying duel with Sylvester Johnson while Brooklyn slowly gathered enough momentum to win, 4 to 1. Most of the time, Luque had only a one-run lead and it was not until the Cards had tied the count in the seventh that the Robins started hitting.

Robins Gain

The Robins' gain was made possible by their neighbors, the New York Giants, who downed the Chicago Cubs, 8 to 6, to put Brooklyn a full game plus a few odd points in the lead. The pitching in this contest was a matter of numbers rather than skill, Chicago using five hurlers and New York four.

Ancient Jack Quinn of the Philadelphia Athletics, whose years number somewhere near 45, above or below, gave the younger pitchers a lesson. Quinn had a little trouble in the ninth inning and George Earnshaw finished the game for him as the A's downed Detroit, 4 to 1.

Bandits Collect Racing Profits in Suburb of Chicago

CHICAGO, July 24. (AP)—Regardless of whether the horses were running well, there were no profits yesterday for racing followers in Argo, a southwest suburb. Five bandits, armed with a machine gun, took all the money.

The bandits slipped into a hand-book, in the rear of a barber shop, lined up the bettors against the wall, took \$2,700 from the proprietor and an unestimated amount from the patrons.

Whenever another patron would knock at the door, he was allowed to enter and then shoved into line.

The bandits fled in an automobile. The patrons summoned police and gave chase, and for a mile down the suburban avenue

RELIEF FROM CURSE OF CONSTIPATION

A Battle Creek physician says, "Constipation is responsible for more misery than any other cause."

But immediate relief has been found. A tablet called Rexall Orderlies has been discovered. This tablet attracts water from the system into the lazy, dry, evacuating bowel called the colon. The water loosens the dry food waste and causes a gentle, though natural movement without forming a habit or ever increasing the dose.

Stop suffering from constipation. Chew a Rexall Orderlie at night. Next day bright. Get 24 for 25c today at the nearest Rexall and give chase, and for a mile down the suburban avenue
