The newest, best remedy for corns is a tiny, thin as paper corn wafer. No burning acids or bulky doughnut pads to add pressure when shoes are on. Press an "O-Joy Corn Wafer" on the corn or callous with your finger. It sticks there. Strong as oxen, gentle as can be. The pain stops at once. Slip shoes on and forget it. Later out comes corn, callous, roots and all. Guaranteed to never fail. Ask druggist for O-Joy Corn Wafers—six wafers for 10c.
