STANDINGS IN COAST LEAGUE GO UNCHANGED

Seals Stop Portland in Greatest Hitfest of Entire Season

By The Associated Press
Opening games of this week's series resulted in no change in Pacific Coast standings over last week, Hollywood remaining in first place, with Los Angeles and San Francisco in second and third places, one and two games respectively behind the leader.

The Seals hung up one of the most decisive victories of the season, taking Portland 22 to 9 at San Francisco. It was a hitfest throughout, the Seals making 24 and Portland sixteen, with Jimmy Zinn taking his nineteenth win of the year.

Oaks Down Missions
Playing at Emeryville, the Oaks took the first of the series from the Missions, 5 to 2, last night. Bill Henderson, Akron hurler, fanned ten of the Missions, while a double and a homer by Fussy Huff produced the three runs scored off Henderson.

At Los Angeles last night, the Hollywood Stars took Seattle 5 to 4. It was a twisting duel between Kallio and Shellenback, who each allowed nine hits.

Close Game
Sacramento playing on home territory, lost the first of the series to Los Angeles, 1 to 0. This provided another mound duel between Wyo Ballou and Fay Thomas. Ballou allowed the Solons five hits, but kept them scattered, while Thomas gave the Angels only two, and neither counted in the scoring. The lone run came in the seventh and was made by Stutz, who walked and was brought around by two sacrifices and a steal.

Klamath Tennis Team Ready for Sunday Tourney

The Klamath Falls tennis team is getting set for the important return tournament with Grants Pass and the Pass is looking forward to it too, as the following excerpt from the letter just received by the Klamath manager from the Grants Pass tennis club shows: "Plans are proceeding for the forthcoming tennis meet with you in Grants Pass on Sunday, August 17th. We are putting our courts in the best possible condition and I am sure we will be able to make the event most interesting for you. We have dug up two more good women players, and Bama, our number one man, will be on hand this time.

"Let us know if any of you are coming over Saturday night so we can arrange accommodations for you.

"We are looking forward with great pleasure to your arrival and only hope that we shall be able to give you the welcome and the feel-at-home sensation which you gave us."

Very truly yours,
R. B. THOMPSON,
Secretary.

Cubs No Longer Worried by Shirt Sleeve Diplomacy

CHICAGO, Aug. 13. (AP)—Dazzy Vance's "shirt sleeve diplomacy" no longer worries the Cubs.

For several seasons, the "dazzer" caused considerable consternation among Cub hitters by shearing the right sleeve of his undershirt to shreds. Each time he pitched, the shredded sleeve fluttered and the Cubs got it mixed up with the ball so regularly they fanned and fanned.

Last season, the shirt got so ragged and the strikeout victims among the Cubs totaled such a staggering figure that Manager Joe McCarthy registered a mild but futile protest.

So this year, the Cubs were told to forget the ragged sleeve and watch the ball. Result: The Cubs have defeated the flatbush pitching ace six times in seven starts.

Suarez Outpoints Herman Perlick in Queensboro Arena

NEW YORK, Aug. 13. (AP)—Justo Suarez, a hard hitting light weight from the Argentine, has made his second appearance in the United States and given the fight fans something to talk about.

Stacking up against the more experienced Herman Perlick of the Kalamazoo, Mich., twin brothers, the rugged South American belted out a ten round decision last night at the Queensboro stadium to the satisfaction of the referee, the two judges and a crowd which paid \$9,000 to see if Suarez was as good as he looked when he whipped old Joe Glick in his first appearance here.

The 21-year-old Argentine showed plenty of scrap, forcing the fight from start to finish. At times his blows were wild and when he did connect they hurt. Suarez turned back the Michigan youth even more decisively than did Jackie Berg, the English lightweight and outstanding challenger for Al Singer's crown.

Two Captains No Captain at All

IOWA CITY, Ia., Aug. 13. (AP)—The University of Iowa football team elected two captains for good measure last fall. Yet it didn't have one today.

First co-captain Mike Farroh was barred from competition because of his participation in the famous "slush fund." Yesterday it was announced that co-captain Marcus Mangussen had been barred from the 1930 squad. He was suspended from the school by the university discipline committee last spring.

Mark Established By Ralph Hill to Stand as Official

EUGENE, Ore., Aug. 13. (AP)—Bill Hayward, University of Oregon track coach has received notification from Alonzo A. Stagg, chairman of the track and field committee of the National Collegiate Athletic association, the mark established by Ralph Hill, University of Oregon, in a mile race last spring with Rufus Kiser, University of Washington, has been accepted as the world's intercollegiate record. Hill's time was 4:12.4.

Hill's record, Hayward said, was one fifth second better than the former record established by Tabor of Georgetown at Cambridge, Mass., in 1915.

Stagg suggested all available data on Hill's run be sent to Dan Farris, secretary-treasurer of the Amateur Athletic union, in an effort to have the mark recognized as the national mile record.

Shamrock and Erin Due at New London Late in Afternoon

STEAM YACHT ERIN, Aug. 13. (AP)—The Erin, carrying Sir Thomas Lipton's Shamrock V, expects to reach New London, Conn., at five o'clock this afternoon.

The weather was fine today and the two boats which are bound for the International yacht races off Newport next month made better time than they had expected, as they first believed they would not reach New London until tomorrow.

The Shamrock will be put into a boardyard on arrival at New London and equipped with her special racing rigging.

Former State Game Worden Visits City, Renews Friendships

Carl D. Shoemaker, who was state game warden of Oregon from 1915 to 1921 and who was Master Fish Warden from 1921 to 1925, is in Klamath Falls renewing old acquaintances and looking over the country. Of late Mr. Shoemaker has been in Washington, D. C., connected with the fish and game interests of the nation.

"I do love to get back to Klamath Basin," said Carl today as he met friend after friend. "The east is all right, it is wonderful in many respects, but this old state of Oregon is always home and carries the home ties that men love.

"The conservation and replacement movement of the wild life of this nation has just started and in the next ten years it will be felt by every state in the Union. To have this country despoiled of its game and fish is unthinkable and the leading men are now aroused to the duty of replacement of the game and fish that have been so ruthlessly slaughtered with no thought of replacement during the past quarter century. America could not be the America we all revere unless her wild life. And it is with this thought in mind that prominent men and women in every state are turning their attention to a sane program of conservation."

Shires Builds Up Early Reputation

WASHINGTON, Aug. 13. (AP)—Charles Arthur "The Great" Shires hasn't set the baseball world afire with his bat but he has established a record for an early reputation.

Today was only his twenty-third birthday. Yet he was one of the wisest known performers in the national game. And at that he was but sub for the Senators.

"Do something; say something; get a reputation early in life," has been one of Shires' mottoes.

Democrats Discuss Possible Candidates

Members of the Democratic Central committee met in the Willis building last night to hear the report of the nominating committees who have been selecting possible candidates from this district for the Democratic ballot in the November election.

C. F. Kerlake was endorsed by the committee as a candidate for the office of justice of the peace in the Plevna district. Dan Driscoll was elected to represent Kirk on the central committee.

Qualifications of various men selected as candidates for the office of representative at the state legislature and of county commissioner were discussed and the committee adjourned until next Tuesday night, August 19, when definite candidates will be selected.

It was announced that a meeting of the financial committee will be held Monday night and Winnipeg's best time in the event is 1:57 1-4.

Detroit Tigers Putting on Spurt That May Place Them in First Column of American

By HUGH S. FULLERTON, JR.
Associated Press Sports Writer
Almost obscured in the struggles of the mighty around the top positions in the Major league standings, the Detroit Tigers have been putting on a spurt that has carried them almost into the first division of the American league. The Tigers are only 1 1/2 games behind the fourth place Cleveland Indians today, despite their inability to cope with the heroic gestures of Babe Ruth in their opening clash with the New York Yankees yesterday.

The Yankees stopped Detroit for a while yesterday but only after Ruth had put on a great performance to win a 6 to 5 decision in a close battle. The Babe clouted his third homer in the third inning with his mascot Jimmy Reese on a base to climax a big Yankee rally, then drove in the winning run in the ninth at the highly crucial moment when there were two out and two strikes on the bases.

Athletes Take Pair
With Moose Grove and Bill Shores pitching a pair of good games, the Athletics twice trounced Cleveland by 9 to 1 and 7 to 0. Washington held second place a game ahead of the Yanks by scoring four runs off Ted Lyons in the third inning to take a speedy game from the Chicago White Sox, 5 to 4.

The opening of the "Crucial" She will be taken to the eastern end of Long Island sound for tests.

Meanwhile the four American defense yachts will start their elimination trials next Wednesday, and a final defender is expected to be chosen by Aug. 30.

The International series will begin September 13.
