White King Granulated Soap plays both parts. Made from fine vegetable and nut oils good enough to eat, its purity keeps it from injuring anything that can be safely dipped in water. Use it in washing your most delicate gingham and prints—note the freshness and renewed brightness of the colors. White King is prompt, thorough and effective.

White King solves every washing problem—dishes, fabrics, silver, glass, floors and woodwork. And it's kind to the skin of tender hands because it works so well in lukewarm water. It's economical too. Try it today. Sold by your grocer.
